R. Ramdohr, 2024-12-19 John Nash is a 40 year old American doctor To overcome the pain caused by his separation from his wife he traveled to Israel to visit the territory of his idol Jesus When he returned home he discovered that he had brought back two ancient scrolls written in Greek in an old bag bought in the Middle East Intrigued and worried Dr Nash puts the documents in a safe place in a bank and begins to learn classical Greek in order to translate his relic He discovers that it is a letter sent by Jesus himself to Bishop Linus 30 years after the crucifixion It is clear that he did not die on that occasion and that he was not resurrected either The text of the letter tells the story of Jesus life and the message he transmitted to his contemporaries which is radically different from that told in the canonical gospels Master Jesus a cultured man close to Stoic philosophy believed in the dignity of all living beings in respect for nature in the appreciation of women and in the human capacity to know reality and take control of one s destiny Concerned about the consequences that the knowledge of this letter by the Christian churches could have considering that it discredits the divine character of Jesus Nash contacts a group called Master Jesus Life whose leader is a teacher called Madeleine Howard Le Dantec The existence of the letter is disclosed and the Catholic Church with the Pope at the head begins a persecution to destroy the letter Those who know it form a new anti church the Community of Master Jesus Will this new worldview be able to survive the treacherous attack of the Christian churches A conspiracy with the participation of the church and political power is set in motion Will its leader be saved from persecution similar to that experienced by the Master 2000 years before Is there room in the 21st century for a new interpretation of Jesus message Learn the story of Jesus as it should have been transmitted to posterity but which was brutally distorted by the evangelists in a propagandistic and sectarian zeal inspired by the fathers of the church Also learn what could happen if an ancient document from the 1st century revealed that Jesus did not die on the cross **The Christ Conspiracy** Acharya S., 2012-09-04 In this highly controversial and explosive book archaeologist historian mythologist and linguist Acharya S marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus

Christ were created by members of various secret societies mystery schools and religions in order to unify the Roman Empire under one state religion In developing such a fabrication this multinational cabal drew upon a multitude of myths and rituals that existed long before the Christian era and reworked them for centuries into the religion passed down to us today Contrary to popular belief there was no single man who was at the genesis of Christianity Jesus was many characters rolled into one These characters personified the ubiquitous solar myth and their exploits were well known as reflected by such popular deities as Mithras Heracles Hercules Dionysos and many others throughout the Roman Empire and beyond The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior gods Krishna and Horus who for millennia preceding Christianity held great favor with the people The Christ Conspiracy shows the Jesus character as not unique or original not divine revelation Christianity reinterprets the same extremely ancient body of knowledge that revolved around the celestial bodies and natural forces The result of this myth making has been The Greatest Conspiracy Ever Sold

The Trinity Conspiracy Thomas Kitt,2003-10 The human mind receives new information processes it according to its own information assimilates responds to create a new input On on it goes constant input output creating experience Because the output triggers the input it stands to reason that improving our outputs will release us from the bondage of cyclic dysfunctions Information is the mother of all experience to initiate the function of truthful information we must return to basic irrefutable facts that we can all agree on A simple agreement is that the universe is energetic We are steeped in energy therefore it seems reasonable that if we are serious about finding out how we work we should first apply ourselves to learning how energy works The Trinity Conspiracy uses a combination of poetry short stories biography to coax the reader into the awareness of the conspiratorial nature of energy the beguiling simplicity of how Time actually works There is no mathematical terminology here just practical common sense Understanding how Time works is basic critical awareness that brings all else to clarity My website www.onepositive.com is a support system for all with the courage to breach the Conspirator's hold drive their own outputs
