**The variorum teacher's editions of the holy Bible. With which is incorporated the Aids to the student of the holy Bible ,1882 THE HOLY BIBLE: Updated American Standard Version (UASV)**

Christian Publishing House,2022-02-07 The Updated American Standard Version UASV is a literal translation Translating from the original languages of Hebrew Aramaic and Greek is a task unlike any other and should never be taken lightly It carries with it the heaviest responsibility the translator renders God's thoughts into a modern language What does that mean It means that our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place In other words our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator The translator remains faithful to this literal translation philosophy unless it has been determined that the rendering will be misunderstood or misinterpreted The translator is not tasked with making the text easy to read but rather to make it as accurately faithful to the original as possible UASV PURPOSE Our primary purpose is to give the Bible readers what God said by way of his human authors not what a translator thinks God meant in its place Truth Matters UASV GOAL Our primary goal is to be accurate and faithful to the original text The meaning of a word is the responsibility of the interpreter i e reader not the translator Translating Truth OUR RESOURCES The Updated American Standard Version will be one of the most faithful and accurate translations to date by Christian Publishing House It will remain faithful to the original and what the authors penned We will not go beyond the translator's responsibility into the field of the interpreter Removing the Outdated Passages with the Old English thee's and thou's etc have been replaced with modern English Many words and phrases that were extremely ambiguous or easily misunderstood since the 1901 ASV have been updated according to the best lexicons Verses with difficult word order or vocabulary have been translated into correct English grammar and syntax for easier reading However if the word order of the original conveyed meaning it was kept More Accurate The last 110 years have seen the discovering of far more

manuscripts especially the papyri with many manuscripts dating within 100 years of the originals While making more accurate translation choices we have stayed true to the literal translation philosophy of the ASV while other literal translations abandon the philosophy far too often The translator seeks to render the Scriptures accurately without losing what the Bible author penned by changing what the author wrote by distorting or embellishing through imposing what the translator believes the author meant into the original text Accuracy in Bible translation is being faithful to what the original author wrote the words that he used as opposed to going beyond into the meaning trying to determine what the author meant by his words The latter is the reader's job The translator uses the most reliable accurate critical texts e.g. WH NA UBS BHS as well as the original language texts versions and other sources that will help him to determine the original reading Why the Need for Updated Translations New manuscript discoveries Changes in the language A better understanding of the original languages Improved insight into Bible translation *Bible in a Nutshell, Daily Devotional Version (Large Print Edition)* Sarah V Tinsley, 2010-07-27 The BIBLE IN A NUTSHELL DAILY DEVOTIONAL VERSION gives you a concise and simple way of imprinting in your heart and mind key Bible verses and passages on a daily basis The 365 readings will take you on an annual journey through all 66 books of the Bible from Genesis to Revelation Included are introductions to each Bible book 1000 favorite memory verses and a prayer relevant to each day's study Introductory pages provide additional study helps Bible events in a nutshell key Bible passages key Bible stories Jesus parables Jesus miracles where to look in the Bible during times of need and Bible prophecies that foretold Jesus coming Enjoy your travels through God's marvelous Word
