intimately familiar with the Hebrew language culture customs and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation **The TWO WITNESSES - Vol. II** Douglas W. Krieger, 2014-10-29 The identity of the Two Witnesses and when they shall appear upon the prophetic scene takes an eschatological back seat to what they actually do We have entered the cosmic courtroom of the Almighty this is the purpose of John's Revelation The Lamb is coming in judgment and His judgment is altogether righteous however prior to the verdict and subsequent sentencing the witnesses must come forth to testify literally to prophesy They are not the accused They are the plaintiffs These witnesses have been compiling evidence nigh 4 000 years against an implacable foe who knows he has but a short time It is time to present the facts Why Because literally millions have paid with their very lives These are the slain martyred whose blood cries out from beneath the altar to be avenged On trial is a thief and a robber a murderer from the very beginning of history one who came to steal to kill and to destroy He has done everything imaginable to intimidate the witnesses lest he be convicted of his high crimes and misdemeanors against God and humankind His identity is known to all The trial although taking place for centuries wherein scores of testimonies have been given by countless souls from every tribe nation tongue people and even from kings against this Destroyer and Desolator has entered its formidable and final seven year phase Alas From the murky abyss arises a figure to accuse the brethren one more time but they are not on trial the Devil Satan the Dragon the Beast and False Prophet are and all they who dwell on the earth are on trial It will appear throughout this text that fear and intimidation you can call it witness tampering to the uttermost will and has been incessantly used by this crafty deceiver who repeatedly either murdered the faithful followers or tried to bribe them from giving testimony against his evil cabal The word for witness in the Bible's Greek has its root in the word martyr for these witnesses upon giving the culmination of their testimony against the Wicked One's Great City Babylon against his apostate religious exploitative commercial and corrupted political system know full well that if they do so and they most definitely will they most likely will have to pay with their lives so costly will be their disclosures But they know as well a great cloud of witnesses have gone on before them many perished for the same reasons and many of them survived his onslaughts Eventually the witnesses are as prophets willing to tell all and to persuade multitudes to believe there's a better life beyond this temporal pale where true justice and lasting peace abides forevermore The Two Witnesses are bigger than life The closer you move into their history past present and future you inevitably discover that without their unmitigated testimony and final flurry of intimidation along with their willingness to lay down their lives if need be to gain that final climactic verdict sentence and execution against their foe the more you realize it was worth it all Shall not the Judge of all the earth do right This is not an easy read it is a theological bombshell whose ramifications at the close of this age are staggering Today the Two Olive Trees and the Two Lampstands so identified as these Two Prophets Two Witnesses in Revelation 11 are engaged in a divine drama whose end was prophesied nearly 4 000 years ago and some say nigh 6 000 years These two volumes may constitute the magnum opus

of Israel and the Church in the Latter Days The Court is calling forth His witnesses and wouldn't you know it You might be one of them Now's no time to run from it you can't you've been subpoenaed to testify and there's no turning back You will testify for some 1 260 days with power and authority Will the witnesses tell the truth the whole truth and nothing but the truth so help you God YES *Horae Apocalypticae Vol. 2* E.
