The Tycoons Marriage Exchange Friends Forever English Edition:

The Billionaire's Secret Marriage Elizabeth Lennox, 2015-02-13 Dante Liakos had yet another challenge to overcome in securing his business empire's future but this one was much more personal in nature the need for a wife and an heir Without them he could lose control of the empire he had worked so hard to rebuild and expand However as he had found so many times before turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively In Jayden Hart he saw such an opportunity enclosed in the rare combination of innocence beauty and brilliance a combination he couldn't resist despite his attempts to remain aloof from the relationship Normally poised and self-assured Jayden's world had taken an alarming turn What initially had seemed like a nuisance was quickly becoming a significant threat to her business her family and her whole way of life And she had no idea how to avoid catastrophe Dante's suggested solution presented a potential lifeline but with what strings attached Would the solution be worse than the crisis that had required it And how was she to avoid falling in love with her secret husband

The Tycoon's Captured Heart Elizabeth

Lennox, 2016-01-15 For years Grayson had watched Scarlett grow up At first there had just been a connection something that drew the two of them together But as the small girl grew into a beautiful woman he knew that over the years he'd fallen in love with her And then she'd asked him to teach her how to attract a man If any of his competitors knew what a soft spot he had for this woman he'd have to destroy them But there it was He could crush his competition without breaking a sweat but he couldn't deny Scarlett when she asked him for help Scarlett had loved Grayson since she was a young teenager and the feeling had only grown stronger as the years had passed But every time she'd decided that she was going to tell him about her feelings the man had yet another paramour on his arm She hated him and loved him and had no idea how to break out of this painful cycle How could she convince him that she could love him better than all of those silly women Or failing that how could she move on with her life This book includes additional free bonus content a new novella about Sierra's brother Daniel from *The Duke's Blackmailed Bride* the introduction stories for the new Samara Royal Family Series and an excerpt of the first book in the new series *Pregnant with the Sheikh's Baby*
