**The Eye of Night** Pauline Alama, 2008-12-10 From Pauline J Alama comes a stirring fantasy tale of three vagabonds in a dying world and their terrifying quest into the heart of darkness The Eye Of Night It is a magical world on the verge of collapse In the North the Troubles rage Cities and kings are being annihilated the very earth is in upheaval waking even the dead from their graves All notions of time and space of day and night of seasonal change seem fractured beyond repair But as the chaos moves slowly south engulfing land after land three unlikely heroes an ex priest a battered serving girl and an exquisitely beautiful refined lady journey bravely to the dying regions their only weapon an enchanted stone of enigmatic power and ancient origin Jereth disillusioned with his faith in the Rising God and robbed of his family after a deadly shipwreck struggles to find meaning in his blighted life searching the devastated land without direction until he meets two extraordinary women Each has her own secrets to keep both are on a quest to save the world But they must first save themselves conquering their demons and rousing their well disguised strengths Only then will it be revealed how three penniless unarmed wanderers can light a darkening world For one is a prophet one is a fool and one's life is now in their hands

American Avant-garde Cinema's Philosophy of the In-between Rebecca Sheehan, 2020 Can films philosophize rather than simply represent philosophical ideas developed outside of the cinematic medium Taking up this crucial question for the emergent field of film philosophy American Avant Garde Cinema's Philosophy of the In Between argues that the films of the American avant garde do in fact do philosophy and illuminates the ethical stakes of their aesthetic interventions Author Rebecca A Sheehan contends that American avant garde cinema's characteristic self reflexivity is an interrogation of the modes and stakes of our engagement with the world on and beyond the screen The book demonstrates this with the theory of the in between a pervasive figure that helps clarify how avant garde cinema's reflections on the creation of images construct an ethics of perception itself a responsibility to perpetuate thought in an enduring re encounter with the world and with meaning's unfinished production The book is structured by a taxonomy of the multiple in betweens evident in American avant garde filmmaking Rather than systematically seeking reproductions of particular philosophers ideas in avant garde films Sheehan derives categories of analysis and the philosophical claims they disclose from close readings of the films themselves This methodology opposes mapping preconfigured philosophical concepts and values onto these films as too many philosophical approaches to cinema have done silencing the philosophies uniquely articulated by these films in the interest of making them ventriloquize philosophies advanced elsewhere The chapters of this book trace three modes of the in between that function philosophically in American avant garde cinema the material the

dimensional and the conceptual Although the chapters are organized around discrete aesthetic and philosophical preoccupations that unify several filmmakers these three presentations of the in between cut through all the chapters allowing the subjects of each to converse over the course of the book Wall of Crystal, Eye of Night Algis Budrys,2020-10-09 He was a vendor of dreams purveying worlds beyond imagination to others Yet his doom was this He could not see what he must learn of his own Algis Budrys was the Hugo and Nebula award nominated author of *Rogue Moon* and *Michaelmas* The Dirge; Or, A Voice in the Night Susan Williamson,1848 *Night of the Eye* Mary Kirchoff,2012-07-17 The first book in an exciting Dragonlance trilogy that explores the many secrets of sorcery in the world of Krynn It will soon be the Night of the Eye a rare time when all three moons align in high sanction over the lands of Krynn On the eve of Guerrand DiThon's political marriage to a rival family the young noble is visited by a strange powerful mage who knows more about him than he does himself Seduced by promises of wizardly might Guerrand slips away beneath the triple moons and journeys for the Tower of Wayreth No one thinks he will survive the deadly trek to the tower but he does It's only then that Guerrand realizes that he has made many enemies in his journey One of these foes would not only see Guerrand dead but the three orders of sorcery destroyed with him Night Sky With the Naked Eye Bob King,2016-11-08 Understand and Enjoy the Wonders of the Stars with Fun Activities for the Whole Family Gain a deeper appreciation of the universe and our place in it with *Night Sky with the Naked Eye* Learn how to spot the International Space Station follow the moon through its phases forecast an aurora and watch a meteor shower along with traditional night sky activities such as identifying the bright planets stars and constellations Fun activities embrace modern technology with the best apps and websites that make it easy for anyone to observe the greatest spectacles of the sky without a telescope or other expensive equipment An expert in his field Bob King teaches night sky courses and makes cosmic mysteries practical and accessible for skywatchers new and old Understand what makes stars twinkle and where meteors come from in this complete guide to the heavens Unique illustrations and stunning photos help the reader understand the concepts presented Tips on how to photograph satellites eclipses and the aurora are also included Unravel the secrets of the universe while deepening your appreciation of its beauty through this clear and concise guide **Dead of Night: The Secret of the Storm's Eye** Wayne Kyle Spitzer,Sue Eller,2024-11-26 Anything can happen in the dead of night Get ready for action thrills even romance as Status slips through a dimensional doorway into another world and AK searches for his missing partner About the show from Black Vvideo *Dead of Night* is a mid 90's SOV action horror series hailing from Spokane WA Created by two sci fi horror super fans who at the time were coworkers doing overnight mall security Wayne Spitzer and Andy Kumpon are Status and AK enforcement officers for the mysterious Viktor Corporation In their mission to monitor and protect their strange little town they encounter interdimensional beings lictors basilisks gelatinous spirit guides flux cores bad teenagers badass women and mullet bearing beefcakes And they can shoot and smoke their way out of almost anything *Dead of Night* was a late night cable staple that
