their remarkable forebears we come to know ourselves *THERE IS ALWAYS A WAY BACK* Keith Tipple,2023-02-09 Whether you have wandered away and lost faith or never embraced real faith in Jesus Christ this book will bring you new hope Perhaps on the other hand you are praying for loved ones and friends to return or come to faith this book will inspire you to believe in the god who answers prayer and that there is always a way back The casualties of life are everywhere and deceptions are numerous Many look back on wrong decisions hurts and broken relationships and the scars and guilt from such things are etched into their hearts leaving them with regrets that may have haunted them for years The pull of a world system constantly seeks to take people as far away from God as possible and then leaves them wondering if there is any way back to real faith peace and hope This book will bring you face to face with the truth that no matter what has transpired in your life there is always a way back My challenge to you is to be prepared to take the journey this book sets before you and to seriously consider the truth Jesus taught as he told a simple story one day in order to illustrate the heart of his loving heavenly Father who is full of grace and truth and is always waiting to welcome home those who have wandered away Whatever has transpired in your journey of life no one is too far away that the grace and forgiveness of God cannot reach and restore It s time to come home Your heavenly Father is waiting and everything is prepared because there is always a way back At the back of this book is the added bonus of questions for discussion on each of the nineteen chapters which can be used in small groups May you be blessed and encouraged as you read *There Is Always a Way Back* *The Broadview Introduction to Philosophy Volume I: Knowledge and Reality* Andrew Bailey,2019-06-18 This volume of *The Broadview Introduction to Philosophy* offers a thoughtful selection of readings in epistemology metaphysics and the philosophy of religion Substantial selections from important historical texts are provided including the entirety of Descartes s *Meditations* as are a number of contemporary readings on each topic Unlike other introductory anthologies the *Broadview* offers considerable apparatus to assist the student reader in understanding the texts without simply summarizing them Each selection includes an introduction discussing the context and structure of the primary reading as well as thorough annotations designed to clarify unfamiliar terms references and argument forms ***The Broadview Introduction to Philosophy: Concise Edition*** Andrew Bailey,2024-01-18 The concise edition of *The Broadview Introduction to Philosophy* offers 44 historical and contemporary readings on core topics in Western philosophy including philosophy of religion theories of knowledge metaphysics ethics social political philosophy and issues of life death and happiness Unlike other introductory anthologies the *Broadview* offers considerable apparatus to assist the student reader in understanding the texts without simply summarizing them Each selection includes an introduction discussing the context and structure of the primary reading as well as thorough annotations designed to clarify unfamiliar terms references and argument forms Canonical texts from the history of philosophy are presented alongside contemporary scholarship women authors are included throughout
