The Way To Love:

The Way to Love Anthony De Mello, 2011-08-31 Profound love is at the heart of this warm compassionate collection of meditations by spiritual master Anthony de Mello a last inspiring gift to the countless readers whose lives he touched

The Way to Love Anthony De Mello, 1995-06-01 From the international bestselling author of Awareness a pocket sized guide that will bring you to new levels of spiritual awareness The Way To Love contains the final flowering of Anthony de Mello's thought and in it he grapples with the ultimate question of love In thirty one meditations he implores his readers with his usual pithiness to break through illusion the great obstacle to love Love springs from awareness de Mello insists saying that it is only when we see others as they are that we can begin to really love But not only must we seek to see others with clarity we must examine ourselves without misconception The task however is not easy The most painful act de Mello says is the act of seeing But in that act of seeing that love is born Anthony De Mello was the director of the Sadhana Institute of Pastoral Counseling in Poona India and authored several books The Way To Love is his last

The Way to Love Anthony deMello, 1991 **The Way to Love** Matt Boswell, 2018-09-04 Love people An oft proclaimed rallying cry for Christians but what does it look like in practice to love We may believe that love is the greatest 1 Cor 13 Love may be our destination But do we know how to get there This book addresses essential questions about the Christian life What is a true compelling and helpful Christian understanding of love What is spiritual growth supposed to do to us or for us or for others through us How can we speak of grace and personal initiative in one theological vision How do we go beyond a spirituality that is either too privatized and insular or too activist without the undergirding character needed to sustain such activism How do we ensure love is not simply a principle we hold or a slogan we applaud but a powerful force that perpetually grows in us and ripples out to others in concrete transformative ways This book is a guide to love Drawing on virtue ethics psychology theology and spirituality it offers a love centered hopeful vision of the Christian spiritual life The story in which God invites us to live is about a journey of love toward love Is this your story

The Way Love Comes Kirti Pandey, 2025-09-18 The Way Love Comes is Aarohi's story but it might feel a little like yours too It's not the kind of love we see in movies but the quiet kind that teaches us what love truly is often after we've misunderstood it Aarohi loved deeply perhaps too deeply staying even when it hurt mistaking silence for depth and pain for passion This is a story for anyone who has ever asked Why not me For those who carry invisible questions who've been praised for their strength when all they wanted was to be soft safe and loved rightly It isn't a fairy tale there is heartbreak unlearning undoing and the courage to
