The Wedding Wager McMaster The Disaster English Edition:

The Wedding Wager, 2012 Josie's back and she's getting married. Except how is she supposed to plan a wedding when her mother and her best friend Mattie both think they're the designated wedding planner and none of their ideas are remotely similar. Mom wants super traditional and Mattie wants well, the complete opposite. And that's not all Josie has to deal with. The gossip hounds are as invasive as ever, setting up polls on everything from what shoes she'll wear to when the divorce will be. Can't a girl at least get married first? But the marriage is threatened when the Disaster Diary provides Josie with an opportunity of a lifetime and the real question becomes with the stakes so high, is Josie willing to risk it all and take a chance on herself?

[The Wedding Wager](#) RACHEL. ASTOR, 2024-06-03 Two wedding planners. One indecisive bride. And a paparazzi problem that's about to explode. Josie's back and she's teetering on the brink of wedding mayhem. Torn between her best friend Mattie and her overbearing mom, Josie has a choice to make: quirky modern and talk of the town or classic timeless and dripping with elegance. Flustered with so many wedding details and desperate not to disappoint either of them, Josie does what she does best: procrastinate. Besides, she has enough to keep her mind whirling with Jake's hot and cold behavior. When he's around, the chemistry between them could set the room on fire; their nights, nothing short of explosive. Multiple times, she winks, but when he's gone, she's left wondering if she's destined to be the little woman waiting at home while he's off chasing his next big adventure. The way things are going, Josie's starting to feel like a supporting character in her own life. As if that's not enough, the paparazzi are always lurking, ready to pounce, but there is one who proves to be more than just a nosy shutterbug: even becoming an unexpected friend. The problem is secrets seem to slip through Josie's fingers like sand, and the whoppers she's hiding could blow everything sky high. Can she keep a lid on the confidential info, finally make a stinkin' decision about the wedding, and somehow make it down the aisle without a spectacular faceplant? Or will she mess it all up and be left standing alone? Fans of Meghan Quinn and Lucy Score will laugh, swoon, and crank up the AC for this steamy rom com.
