The Will to Change bell hooks, 2004-12-21 Everyone needs to love and be loved even men But to know love men must be able to look at the ways that patriarchal culture keeps them from knowing themselves from being in touch with their feelings from loving In The Will to Change bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are whatever their age marital status ethnicity or sexual orientation With trademark candor and fierce intelligence hooks addresses the most common concerns of men such as fear of intimacy and loss of their patriarchal place in society in new and challenging ways She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women A brave and astonishing work The Will to Change is designed to help men reclaim the best part of themselves

**The Will to Change** bell hooks, 2004-01-06 From New York Times bestselling author feminist pioneer and cultural icon bell hooks an evergreen treatise on how patriarchy and toxic masculinity hurts us all Feminist writing did not tell us about the deep inner misery of men Everyone needs to love and be loved including men But to know love men must be able to look at the ways in which patriarchal culture keeps them from understanding themselves In The Will to Change bell hooks provides a compassionate guide for men of all ages and identities to understand how to be in touch with their feelings and how to express versus repress the emotions that are a fundamental part of who we are With trademark candor and fierce intelligence hooks addresses the most common concerns of men such as fear of intimacy and loss of their patriarchal place in society in new and challenging ways The Will to Change creates space for men to acknowledge their traumas and heal not only for their sake but for the sake of everyone in their lives BuzzFeed *Rewriting*

*White Masculinities in Contemporary Fiction and Film* Josep M. Armengol, 2024-03-25 This book focuses on the construction of hegemonic masculinity as well as its representations in literature culture and film Although white heterosexual masculinity continues to be the dominant model it remains paradoxically largely invisible in gender terms While the first three chapters thus offer introductory theoretical perspectives on the latest research on white masculinities the following chapters concentrate on applying masculinity theory to the analysis of both social constructions and cultural i e literary and film representations of men s emotions with a special focus on new fatherhood models friendships between men as well as gender based violence

**Families in Motion** Lesley Murray, Liz McDonnell, Tamsin Hinton-Smith, Nuno Ferreira, Katie Walsh, 2019-10-25 This book is premised on the conceptualisation of family as always in motion which in turn is determined by the interdependent mobilities of families and family members Contributions from academics from a range of disciplines consider rhythms of change in the lived experiences of family and the ways in which they are produced through motion

**Gaia and the New Politics of Love** Serena Anderlini-D'Onofrio, 2010-08-31 WINNER 2010 Nautilus Silver Book Award Cosmology New Science Gaia theory argues that the flora and fauna of the planet operate in a self regulating web that keeps

the world livable According to the theory humankind is the most powerful species in this web and also its biggest threat This provocative book explores ways to minimize and ultimately eliminate this threat with love and intimacy Controversial Italian author Serena Anderlini D Onofrio has authored the first global ecology study based on an analysis of human health Anderlini D Onofrio identifies her remedy within the context of Gaia theory re envisioning it as a more inclusive philosophy that positively impacts not only relationships but world ecology under duress The author links human sexuality to the global ecosystem claiming that freedom from fear will stimulate a holistic health movement powerful enough to heal relationships and restore planetary balance Gaia and the New Politics of Love is bracing in its range weaving together issues of human and global health the relationship of politics sexuality and ecology practices and styles of love the changing roles of eroticism and gender in our lives and polyamory bisexuality and the AIDS reappraisal movement Clarification Statement from the Author The argument of this book emphasizes the arts of loving as a way to help humanity make peace with our hostess Gaia the third planet Some of these arts involve sharing emotional resources and amorous partners Often the arts of loving require the use of barriers mechanical protections such as condoms At times they do not because only tantric energies are exchanged The author of this book is persuaded that barriers are recommendable when sexual practices result in the exchange of deep body fluids unless previous fluid bonding arrangements have been made The author is also persuaded that good practices of holistic health contribute to strengthening the immune systems of those who engage in the arts of loving Safety practices are important in making the arts of loving healthy regardless of what factors are involved in the syndromes most prevalent today including AIDS and other conditions in the STD spectrum Historically disagreement has moved knowledge forward Today s science is the result of yesterday s disagreements and controversies The author believes in critical thinking and she respects dissidence in science today including Gaia science reappraisals of AIDS and holistic medicine She hopes her readers will be open to hearing more than one side of a story This statement and the contents of this book do not constitute medical advice in any way Readers are invited to consult their own healers and health care providers Serena Anderlini D Onofrio PhD Author of Gaia and the New Politics of Love Cabo Rojo Puerto Rico March 2010 Blog <http://polyplanet.blogspot.com> From the Trade Paperback edition

### **Husbands Love Your Wives As Christ Loves The Church**

Reginald Joseph, 2020-11-17 In this heroic tale of Love courage commitment and awaken through brotherhood this Manuscript shows how communication cannot exist without understanding and power isn t achieved without knowledge Remarkably so at 33 years of age Reginald Joseph Jr with this book embodies the essence of fellowship in the church the marriage our friendships and more importantly ourselves by using theology psychology and sports references to send the readers on a Christ awakening note journey Based on true events he writes a love letter to the church and to marriages around the world using personal experiences and entendres to convince a body of believers of their true superpower in strength in numbers and unity With his platform Reginald writes out his thesis sermon to the masses and provides a business

plan for the community communities to save a sleeping nation Highlighting hometown heroes in this first of a two book series confronting the new age This book is a must have Offender Care and Support by Families in Contemporary Japan Mari Kita,2023-09-01 Because people s contact with the criminal justice system comes in different shapes and forms scholars are now broadening their analytical scope and examining the overall repercussions of criminal justice contact on families of offenders Compared to Western societies Japan is known for its lower crime rates and more pronounced use of informal social control Thus it offers a useful research site for examining how families in a low crime society experience criminal justice contact and how they function as an integral part of the nation s crime control mechanism This book considers the role of the family in the lives of offenders and the criminal justice system in Japan Looking particularly at gender and patriarchal power relations it reveals how cultural notions of femininity prompt the criminal justice system to rely on women as its proxy This book explores how families of offenders often step in to fill the voids left by criminal justice institutions and social services to provide offenders with all inclusive care The burden of supervising and rehabilitating offenders on top of the expectation to atone for the crimes also renders families ambivalent and ashamed Whereas the state and criminal justice authorities tend to see offenders families as a crucial resource for prisoner reentry this book highlights the necessity for addressing families needs before automatically assuming their support It also pushes the boundaries of feminist criminology by showing how women can be affected by male criminality and male dominated criminal justice institutions other than as victims and offenders An accessible and compelling read this book will appeal to students and scholars of criminology sociology gender studies Japanese culture and all those interested in learning more about the criminal justice system in Japan

Fatherhood and Love Alexandra Macht,2019-09-26 This book explores how contemporary men understand love in the realm of family life and how they integrate it into their identity Drawing from Ian Burkitt s aesthetic theory of emotions Macht presents rich data from qualitative interviews and observations with Scottish and Romanian involved fathers to reveal how they maintain closeness to their children their partners and their own family of origin Reflecting on distances separations power worry and intergenerational experiences of love Fatherhood and Love hypothesizes that fathers identities and emotionality rely on a variety of social relationships in their intimate environment A new concept emotional bordering is introduced to portray the tensions inherent in fathers identities and illuminate why gender progress happens slowly Engaging with literature on love masculinity culture and father s involvement from a unique perspective this book will be of interest to students and scholars across a range of social science disciplines **Love and Violence** David Richards,2023-11-25 This book offers both a philosophical and psychological theory of an aspect of human love first noted by Plato and used by Freud in developing psychoanalysis transference love namely lovers as mirrors for one another enabling them thus better to see and understand themselves and others Shakespeare s art makes the same appeal theater as a communal mirror expressing the artist holding a loving mirror for his culture at a point of transitional crisis between a shame

and guilt culture The book shows how Shakespeare's plays offer better insights into the behavior of violent men than Freud's based on close empirical study of violent criminals develops a theory of violence rooted in the moral emotions of shame and guilt and a cultural psychology of the transition from shame to guilt cultures The work argues that violence is contra Freud not an ineliminable instinct in the nature of things requiring autocracy but arises from patriarchally inflicted cultural injuries to the love of equals that undermine democracy and that only a therapy based on love can address such injuries replacing retributive with restorative justice and populist fascist autocracy with constitutional democracy Love thus understood underlies a range of disparate phenomena the appeal of Shakespeare's theater as a communal art the role of love in psychoanalysis in Augustine's conception of love in religion disfigured by his patriarchal assumptions in Kant's anti-utilitarian ethics of dignity in a naturalistic ethics that roots ethics in facts of human psychology the role of law in democratic cultures as a mirror and critique of such cultures and the basis of an egalitarian theory of universal human rights inspired by Kant and developed more recently by John Rawls In all these domains uncritically accepted forms of culture the initiation of men and women into patriarchy traumatize the love of equals and thus disfigure and distort our personal and political lives

**American Men** Steven Seidman, Alan Frank, 2018-10-30 Debate over gender and especially the lives of men is currently at a fever pitch particularly in the United States New perspectives that capture the complexity of men and a rapidly changing gender landscape are therefore critical today Psychoanalysis and Contemporary American Men challenges narrow stereotyped views of men by arguing that men are as complex and layered as women In the light of the recent MeToo movement stereotypes of men are being recycled While aligned with the spirit of this movement the authors worry that negative stereotypes of men are being perpetrated at the very time that men are renegotiating their gender experience The

authors present a critical non heteronormative perspective addressing current gender transformations Although the lives of men are changing the stories that dominate the public sphere often represent them as narrowly phallic controlling detached sexist and homophobic Seidman and Frank offer a counter point men are also guardians driven to be useful and to do good to live valued and purposeful lives They argue that men are not only driven by a will to power but by an ethically minded relationally oriented sense of responsibility to care for others whether partners children or fellow citizens Drawing on historical sociological and psychoanalytic work this book provides a nuanced multidimensional construct of American men today Psychoanalysis and Contemporary American Men will be of interest to psychoanalysts and psychotherapists as well as scholars and students of gender and queer studies      *Challenging Prophetic Metaphor* Julia M. O'Brien, 2008-10-03 The prophets of the Old Testament use a wide variety of metaphors to describe God and to portray people in relation to God Some of these metaphors are familiar and soothing others are unfamiliar and confusing Still others portray God in ways that are difficult and uncomfortable God as abusive husband for instance or as neglectful father Julia O'Brien searches the prophetic books for these metaphors looking for ways in which the different images intersect and build off each other When confronted with disturbing metaphors she deals with them unflinchingly providing a sharp critique and evaluation of the interpretations of these metaphors for God Giving particular attention to the possible uses of these metaphors in the church today for good or ill O'Brien listens to the fullness of the prophetic messages and points us toward new ways to read these theological metaphors for a just faith today      *Love* Anna G. Jónasdóttir, Ann Ferguson, 2013-11-12 This unique timely book of original essays sets the stage for a new materialist feminist debate on the analysis ethics and politics of love The contributors raise questions about social power and domination situating their research in a materialist feminist perspective that investigates love historically in order to understand changing ideologies representations and practices The essays range from studies of particular representations and examples of love feminist translation mass media images and internet love blogs to feminist theories of love and marriage to ethical and political theories describing critiquing or advocating the use of love in groups as a radical force They break new ground in bringing together questions of gendered interests in love temporal dimensions of loving practices and the politics of love in radical transformations of society      **Men Speak Out** Shira Tarrant, 2013 *Men Speak Out Views on Gender Sex and Power* Second Edition highlights new essays on pornography pop culture queer identity Muslim masculinity and the war on women With personal candor and political insight this collection of diverse authors explores sex work digital activism incarceration domestic violence surviving incest and standing firmly as male allies facing the backlash against women's reproductive rights Featuring eleven new essays and six revised thematic sections this second edition of a favorite anthology continues to encourage robust discussion and vibrant debate about masculinity and the possibilities for progressive change The contemporary compelling essays in *Men Speak Out* appeal to students scholars activists and everyday readers      *The Problem with Boys' Education* Wayne Martino, Michael D.
