Catalogue of the University of Michigan University of Michigan,1934 Announcements for the following year included in some vols **Catalog and Yearbook** University of Northern Colorado,1925 **Regents' Proceedings** , **Proceedings of the Board of Regents** University of Michigan. Board of Regents,1906 **The Morville Hours** Katherine Swift,2011-05-01 Nobody writes about the garden like the English And few in England have ever been as eloquent or astute as Katherine Swift Some twenty years ago she and her husband leased a house in the town of Morville in Shropshire whose garden became her passion Driven to uncover its history she takes readers on a journey through time back to the forces that shaped the garden linking the stories of those who lived in the house and tended the same red soil with her family s own Spanning thousands of years The Morville Hours is also deeply personal a journey through the seasons but also one of self exploration of finding one s place in the world and putting down roots The Morville Hours takes the form of the medieval Books of Hours recalling the monastic past of the house Each chapter is named after one of the Hours of the Divine Office and summons vividly to life an hour of the day or night from the crunch of grass underfoot at midnight on a frosty New Year s Eve to a perfumed May Day morning when the whole world seems sixteen again from the enervating heat of a midsummer noon to the bloom of blue black damsons picked on a golden September afternoon Together they describe the arc of the gardening year and the arc of life Undergraduate Study Northwestern University (Evanston, Ill.),1913 **The Wish to Believe** Wilfrid Philip Ward,1885 *Catalogue - Harvard University* Harvard University,1923 **The Leisure Hour** ,1882 **Catalog** Kansas State Teachers College of Emporia,1918 **Document** College Entrance Examination Board,1922 **Documents** College Entrance Examination Board,1922 **Henry James's Style of Retrospect** Oliver

Herford,2016-05-26 Henry James s Style of Retrospect traces James s engagement with the writing of the recent past across the last twenty five years of his life and examines the thoroughgoing change his style underwent in this last phase of his career as his focus turned from the observation of contemporary manners to biographical commemoration and autobiographical reminiscence and the balance of his output gradually shifted from fiction to non fiction The late personal writings of the book s subtitle are works of retrospective non fiction They are a varied group representing a broad array of genres and occasions commemorative essays and obituary tributes textual revisions and accounts of revisiting familiar places cultural and literary criticism biography and autobiography and family memoir Oliver Herford proposes that we read the late personal writings as a coherent sequence bound together by a close texture of cross references and allusive echoes and united by James s newly discovered sense for the literary possibilities of non fiction Closely analyzing the style of these writings this study offers a boldly revisionist account of the way style itself challenges and preoccupies the very late James A linked series of innovative close readings takes the major works of this period in sequence addressing a key point of style in

each particular attention is paid to procedures of reference to the historical past to real persons and places and objects a dimension of style often neglected and sometimes actively slighted in analyses of James's late work Henry James's *Style of Retrospect* asks what it means for so distinguished a novelist to alter the foundations of his written manner so strikingly in late life and shows how we may begin to reconfigure our understanding of late Jamesian aesthetics accordingly **Eclectic Magazine, and Monthly Edition of the Living Age** John Holmes Agnew, Walter Hilliard Bidwell, 1854 *The Leisure Hour Monthly Library*, 1853 **Modern Times, Ancient Hours** Pietro Basso, 2003-06-17 The West suffers from intense work pressure longer and less well paid hours This text is a sociological analysis of the relationship between overwork and unemployment The only possible response the author claims is a renewal of the working class struggle **Catalog** Northwestern University (Evanston, Ill.), 1917 **Extension Series** University of Missouri, 1923
