## **The Wit And Wisdom Of Dr Mahathir Mohamad:**

**The Wit and Wisdom of Dr Mahathir Mohamad** Mahathir Mohamad, 2015-01-07 Malaysia's longest serving and most outspoken prime minister Dr Mahathir Mohamad has been politically active for more than 60 years. As a young doctor he agitated for independence from the British and promoted the rights of the Malays and his long political career culminated in his 22 year term as prime minister during which Malaysia's rapid development, his forthright words and singular policies thrust the country into the eyes of the world. Throughout his career Dr Mahathir has spoken and written in a frank and uncompromising manner and he has continued to do so since retiring from the premiership in 2003. He remains a controversial figure to this day. *The Wit and Wisdom of Dr Mahathir Mohamad* is a collection of nearly 600 quotations spanning his time in government and beyond. The quotations are arranged by topic including those as varied as leadership, race relations, the media, economics and development, colonialism, international relations including Israel and Palestine and Malaysia itself. *Historical Dictionary of Malaysia* Ooi Keat Gin, 2017-12-18 Malaysia is one of the most intriguing countries in Asia in many respects. It consists of several distinct areas not only geographically but ethnically as well, along with Malays and related groups. The country has a very large Indian and Chinese population. The spoken languages obviously vary at home although Bahasa Malaysia is the official language and nearly everyone speaks English. There is also a mixture of religions with Islam predominating among the Malays and others, Hinduism and Sikhism among the Indians, mainly Daoism and Confucianism among the Chinese but also some Christians as well as older indigenous beliefs in certain places. This second edition of *Historical Dictionary of Malaysia* contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion and culture. This book is an excellent resource for students, researchers and anyone wanting to know more about Malaysia. **Pemikiran Mahathir Mohamad** Mohd. Dr Mahathir writes directly in his own distinctive voice and style. **with Mahathir Mohamad** Tom Plate, 2011 A riveting look into Malaysia's most famous prime minister and his often controversial views and policies A penetrating insight into the mind of Malaysia's most famous and controversial prime minister Undiluted and candid views on many issues and topics Lee Kuan Yew and Singapore Israel and its allies the Jews and the Malays and Dr Mahathir's prescription for handling the Malay terrorist challenge Author is an award winning American journalist and distinguished scholar of Asian and Pacific Studies He began his professional career as a family physician but wound up prescribing innovative political medicines for the entire nation that remain controversial even today Was he exactly the bold and fearless policy doctor that the troubled body politic of Malaysia needed Or was he just another mendacious mediocrity with a record of persistent misdiagnoses phony remedies and self serving justifications Only history's judgment can offer the final verdict but Dr Mahathir himself is in no doubt In a riveting series of unprecedented conversations Malaysia's most famous former prime minister reveals to American journalist and author Tom Plate a panoramic panoply of views on governing on Islam on Jews on the West and on Malays that are striking in historical sweep and contemporary relevance Tom Plate author of *Confessions of an American Media Man* 2007 and *Conversations with Lee Kuan Yew* 2010 is an experienced writer journalist and syndicated columnist He is director of the Pacific Perspectives Media Center in Beverley Hills a non profit organisation that syndicates high end op eds and was recently appointed Distinguished Scholar of Asian and Pacific Studies at Loyola Marymount University in Los Angeles **Mahathir's Islam** Sven Schottmann, 2018-09-30 Mahathir Mohamad's legacy as Malaysia's longest serving prime minister 1981 2003 is deeply controversial His engagement with Islam the religion of just over half Malaysia's population has often been dismissed as partisan maneuvering Yet his willingness to countenance a more prominent place for Islam in government and society is what distinguished him from other modernist politicians and his instinct to set Malaysian politics against the backdrop of the wider Muslim world was politically astute Author Sven Schottmann argues that Mahathir's transformative effect on Malaysia can only be fully appreciated if we also take him seriously as one of the postcolonial Muslim world's most significant political thought leaders Schottmann sees Mahathir's representations of Islam as a relatively coherent discourse that can legitimately

be described as Mahathir's Islam. This discourse contains Mahathir's assessment of the economic, political, and sociocultural problems facing the contemporary Muslim world and the range of solutions and corrective measures that he proposed Muslims should adopt. His ideas are fraught with flaws and contradictions. On the one hand, he emphasized the individualistic, egalitarian, pluralistic, democratic, and dynamic qualities of Islam. On the other, his government enacted legislation and acquiesced in the activities of religious bodies that curtailed religious freedoms of both Muslims and non-Muslims. His ideas contributed to Malaysia's worsening state of interethnic relations, yet his insistence that every Muslim had the right to speak for Islam may have paradoxically prepared the ground for a future democratization of Malaysian politics. Mahathir's Islam is based on rigorous analysis of Mahathir's speeches, interviews, and writings, which the author is able to link to parallel processes elsewhere in the Muslim world: Indonesia, the Middle East, Pakistan, Turkey, and diaspora communities in the West. Mahathir's Islamic discourse, Schottmann suggests, must be read against the wider late twentieth-century resurgence of religion in general and the post-1970s Islamic revival in particular. Balanced in approach and engagingly written, this book will be of interest to scholars and students of political science, religious studies, and others interested in Malaysia, Southeast Asia, or Mahathir himself.
