Danute Debney Shaw,2020-03-13 Will I ever be normal again That was the question The First Light had occurred It had
happened Some years ago a gentleman was referred to me for consultation It was unclear what kind of strategy this man was
looking to develop or why he was referred to me He seemed vague and perhaps a bit confused I should say that some of the
work I was engaged in at that time was decision strategy innovation an approach to professional and personal problem
solving which incorporates multiple functions of conscious resources Simply put it involves the intuitive inspired rational and
creative forms of thinking being utilized in concert using subjectively and emotional intelligence As Mr Humphries points out
