The Wolf From The Door Modern Plays:

Text and Performance in Contemporary British Theatre Catherine Love, 2023-02-27 Text and Performance in Contemporary British Theatre interrogates the paradoxical nature of theatre texts which have been understood both as separate literary objects in their own right and as material for performance Drawing on analysis of contemporary practitioners who are working creatively with text the book re examines the relationship between text and performance within the specific context of British theatre The chapters discuss a wide range of theatre makers creating work in the UK from the 1990s onwards from playwrights like Tim Crouch and Jasmine Lee Jones to companies including Action Hero and RashDash In doing so the book addresses issues such as theatrical authorship artistic intention and the apparent incompleteness of plays as both written and performed phenomena Text and Performance in Contemporary British Theatre also explores the implications of changing technologies of page and stage analysing the impact of recent developments in theatre making editing and publishing on the status of the theatre text Written for scholars students and practitioners alike Text and Performance in Contemporary British Theatre provides an original perspective on one of the most enduring problems to occupy theatre practice and scholarship

The Shakespeare Multiverse Valerie M. Fazel, Louise Geddes, 2021-11-29 The Shakespeare Multiverse Fandom as Literary Praxis argues that fandom offers new models for a twenty first century reading practice that embraces affective pleasure and subjective self positioning as a means of understanding a text Part critical study part source book The Shakespeare Multiverse suggests that fannish contributions to the ongoing expansion of the object that we call Shakespeare is best imagined as a multiverse encompassing different worlds that consolidate the various perspectives that different fans bring to Shakespeare Our concept of the multiverse redefines Shakespeare not as a singular body of work but as space where a process of inquiry and cultural memory memories in the making and those already made is influenced and shaped by the technologies available to the reader Characteristic of fandom is an intertextual reading strategy that we term cyborg reading an approach that accommodates the varied elements of identity politics culture sexuality and race that shape the ways that Shakespeare is explored and appropriated throughout fannish reading communities The Shakespeare Multiverse intersects literary theory fan studies and popular culture as it traverses Shakespeare fandom from the 1623 Folio to the age of the Internet exploring the different textures of fan affect from those who firmly uphold fidelity to the text to those who sit on the very edge of the fandom threatening to cross over into Shakespearean anti fandom By recognizing the literary value of fandom The Shakespeare Multiverse offers a new approach to literary criticism that challenges the limits of hegemonic authority and recognizes the value of a joyfully speculative critical praxis

Science Fiction and Contemporary British Theatre Ian Farnell, 2025-07-24 Analysing an expanding body of theatre and performance works Science Fiction and Contemporary British Theatre examines how the themes and images of science fiction are enabling practitioners to intervene on the most urgent social and political issues of

the present moment By exploring the genre's impact on the live theatrical event the book presents an original and topical interrogation of issues that remain at the heart of the national and global political agenda including military conflict social injustice economic inequality migration nationhood anti democratic populism and climate collapse The author draws upon a wide range of dramatic forms from critically acclaimed plays by writers such as Alistair McDowall Caryl Churchill Dawn King Anne Washburn and Ella Road to devised work site specific performance Shakespearean drama and physical theatre The book's chapters are based on some of the genre's most resonant images including post apocalyptic wildernesses dystopian regimes and artificial lifeforms Furthermore by placing examples in dialogue with a range of theories and scholars this book constructs an innovative interdisciplinary framework comprised of theatre studies sociology philosophy economic and political science Providing an engagingly written intellectually rich and uniquely compelling analysis *Science Fiction and Contemporary British Theatre* charts a new and growing landscape of scholarly research and establishes science fiction as an exciting expanding and urgent dramatic and political practice

A Companion to Twentieth-Century American Drama David Krasner, 2008-04-15 This Companion provides an original and authoritative survey of twentieth century American drama studies written by some of the best scholars and critics in the field Balances consideration of canonical material with discussion of works by previously marginalized playwrights Includes studies of leading dramatists such as Tennessee Williams Arthur Miller Eugene O'Neill and Gertrude Stein Allows readers to make new links between particular plays and playwrights Examines the movements that framed the century such as the Harlem Renaissance lesbian and gay drama and the solo performances of the 1980s and 1990s Situates American drama within larger discussions about American ideas and culture

The Theatre of Anxiety Leila Michelle Vaziri, 2024-10-21 We are living in times when populism war and climate change are all sources of anxiety caused by overlapping crises Anxiety is a phenomenon that is not just reflected everywhere around us but is also increasingly manifesting itself in contemporary drama particularly in the last five to ten years many new British dramas and theatre productions have given a stage to anxiety Given this central role of anxiety the aim of this study is to outline the interplay of theatre and anxiety on both a thematic and aesthetic level It argues that a strand of contemporary theatre that combines topics of social ecological technological and pandemic importance with investigations into the philosophical and aesthetic implications of anxiety has come to prominence in recent years the theatre of anxiety This is traced across exemplary readings of a number of contemporary British plays by playwrights such as Caryl Churchill Zinnie Harris Alistair McDowall and others They show that contemporary drama and performance both aesthetically and thematically reflect and comment on global crises and catastrophes through the lens of anxiety as a feeling that colours the perception of and reaction to these social and political conditions
