mystery is Walter Hartright's encounter on a moonlit road with a mysterious woman dressed head to toe in white. She is in a state of confusion and distress and when Hartright helps her find her way back to London she warns him against an unnamed man of rank and title. Hartright soon learns that she may have escaped from an asylum and finds to his amazement that her story may be connected to that of the woman he secretly loves. Collins brilliantly uses the device of multiple narrators to weave a story in which no one can be trusted and he also famously creates in the figure of Count Fosco the prototype of the suave sophisticated evil genius. *The Woman in White* is still passed as a masterpiece of narrative drive and excruciating suspense. **(illustrated) + The Moonstone + The Haunted Hotel: A Mystery of Modern Venice** Wilkie Collins, 2013-09-20 This carefully crafted ebook *The Woman in White illustrated The Moonstone The Haunted Hotel A Mystery of Modern Venice* contains 3 books in one volume and is formatted for your eReader with a functional and detailed table of contents. *The Woman in White* is an epistolary novel written by Wilkie Collins in 1859, serialized in 1859-1860 and first published in book form in 1860. It is considered to be among the first mystery novels and is widely regarded as one of the first in the genre of sensation novels. The story is sometimes considered an early example of detective fiction with the hero Walter Hartright employing many of the sleuthing techniques of later private detectives. *The Moonstone* 1868 by Wilkie Collins is an epistolary novel generally considered the first detective novel in the English language. *The Moonstone* is about the disappearance of a precious diamond called the Moonstone and the novel is a collection of eyewitness accounts by different characters who know something about its disappearance. The idea was for the novel itself to be like a collection of evidence so that the readers could be put in the position of the detective. *The Haunted Hotel: A Mystery of Modern Venice* is a Wilkie Collins's ghost story set in 1860 and published in book form with *My Lady's Money*. *The Haunted Hotel* is a tale of a haunting or the tale of a crime. The ghost of Lord Montberry seems to be haunting the Palace Hotel in Venice. Montberry's beautiful yet terrifying wife, the Countess Narona, and her erstwhile brother are the center of the terror that fills the Palace Hotel. Are their malefactions at the root of the haunting or is there something darker, something much more unknowable at work? William Wilkie Collins (1824-1889) was an English novelist, playwright, and author of short stories. His best-known works are *The Woman in White*, *The Moonstone*, *Armada*, and *No Name*. Collins developed a new way of writing suspenseful novels instead of having a central narrator who tells the story. Collins composed his novels as a series of first-person narratives so the point of view in the novels is always changing.      **The Woman in White** William Wilkie Collins, 2025-09-01.
