The Things We Never Said English Edition:

All the Things We Never Said Yasmin Rahman, 2024-11-01 Sixteen year old Mehreen is overwhelmed by her anxiety and depression and she doesn't believe anyone in her life will understand if she tries to talk about it. She's been thinking about suicide for a while when she discovers a website called MementoMori.com. The site matches people with partners and assigns them a date on which to end their lives together. Mehreen is partnered with Cara and Olivia, strangers dealing with their own struggles. But as the girls get to know one another in preparation for their date of termination, they find themselves developing a strong bond, even becoming friends. For the first time, they're each able to share their darkest secrets with people who won't judge them. They realize that with the right support systems, life is worth living after all. So they decide to abandon the suicide pact. Except the website won't let them stop. As their assigned date of termination draws nearer and MementoMori continues to manipulate them, the girls will have to rely on one another to survive. If you or a loved one is experiencing suicidal thoughts, call or text 988 to reach the Suicide and Crisis Lifeline for free confidential 24/7 support.

The Things We Never Said Susan Elliot Wright, 2013-05-23 From the acclaimed author of *The Flight of Cornelia Blackwood*. Everyone can change their life. But what happens when it hides a secret that changes everything? In 1964, Maggie wakes to find herself in a mental asylum with no idea who she is or how she got there. Remnants of memories swirl in her mind: a familiar song, a storm, a moment of violence. Slowly, she begins to piece together the past and the events which brought her to this point. In the present day, Jonathan is grieving after the loss of his father. A cold, distant man, he was not easy to love, but at least while he lived, there was hope for reconciliation. Then a detective turns up on Jonathan's doorstep to question him about crimes he believes Jonathan's father may have committed long ago. As the two stories interweave, the devastating truth long kept hidden must emerge, and both Maggie and Jonathan are forced to come to terms with the consequences of the shocking and tragic events of over forty years ago. Passionate, intriguing, and beautifully written, it deserves to stand on the shelf next to Maggie O'Farrell's books. A powerful and talented new voice. Rachel Hore, bestselling author of *The Love Child*. If you love Maggie O'Farrell, you will love this. Veronica Henry, bestselling author of *The Long Weekend*. A brave and moving story about how much can be lost and what happens next. Alison Moore, author of Booker shortlisted *The Lighthouse*. *What We Never Said* Zara Rosseau, 2025-09-10 *What We Never Said* They grew up side by side. Best friends. Almost something more. But silence can destroy what love never dared to confess. Louisie was the popular girl. Dylan, the bullied nerd, even by her friends. One moment of indifference shattered their bond and crushed the dream they once shared to leave everything behind together. Years later, college flips the script. Dylan is no longer the outcast; he's the star quarterback everyone wants. Louisie, now a cheerleader, finds herself living under the same roof with the boy she once abandoned. Only this time, he's not the boy she remembers. He's confident, untouchable, and determined to make her feel every ounce of the pain he carried. Between football games, late night races, and the undeniable tension pulling them closer, Louisie and Dylan are trapped in a dangerous

game of love hate and everything in between She wants forgiveness He wants revenge But what happens when the words they never said are the ones that matter most Things We Never Say Sheila O'Flanagan,2017-12-05 Sheila O Flanagan s unputdownable bestseller THINGS WE NEVER SAY is a must read for fans of Jamie Beck and Liane Moriarty The things we never say A daughter doesn t say how she feels about the past A husband is afraid to say that selling the house his wife loves is the only option A woman hasn t said that even though they live thousands of miles apart this man is always on her mind If those things were said the results could be life changing As Abbey and a whole family she knew nothing of are about to find out in this warm hearted thought provoking and touching novel *All the Things We Never Knew* Sheila Hamilton,2015-10-13 Even as a reporter Sheila Hamilton missed the signs as her husband David s mental illness unfolded before her By the time she had pieced together the puzzle it was too late Her once brilliant intense and passionate partner was dead within six weeks of a diagnosis of bipolar disorder leaving his nine year old daughter and wife without so much as a note to explain his actions a plan to help them recover from their profound grief or a solution for the hundreds of thousands of dollars in debt that they would inherit from him *All the Things We Never Knew* details the unsettling descent from ordinary life into the world of mental illness and examines the fragile line between reality and madness **The Secrets We Left Behind** Susan Elliot Wright,2014-05-08 From the author of the acclaimed *The Flight of Cornelia Blackwood* It was a summer of love and a summer of secrets She has built a good life a husband who adores her a daughter she is fiercely proud of a home with warmth and love at its heart But things were not always so good and the truth is that she has done things she can never admit Then one evening a phone call comes out of the blue It is a voice from long ago from a past that she has tried so hard to hide Scott knows who she really is and what she has done Now he is dying and he gives her an ultimatum either she tells the truth or he will And so we are taken back to that long hot summer of 1976 to a house by the sea where her story begins and where the truth will be revealed Praise for *The Things We Never Said* Passionate intriguing and beautifully written *The Things We Never Said* deserves to stand on the shelf next to Maggie O Farrell s books A powerful and talented new voice Rachel Hore bestselling author of *The Love Child* If you love Maggie O Farrell you will love this Veronica Henry bestselling author of *The Long Weekend* A brave and moving story about how much can be lost and what happens next Alison Moore author of Booker shortlisted *The Lighthouse* **things we never got to share** Christopher M.
