Daniel Johnston Henry Glassie, 2020-03-03 DANIEL JOHNSTON raised on a farm in Randolph County returned from Thailand with a new way to make monumental pots Back home in North Carolina he built a log shop and a whale of a kiln for wood firing Then he set out to create beautiful pots grand in scale graceful in form and burned bright in a blend of ash and salt With mastery achieved and apprentices to teach Daniel Johnston turned his brain to massive installations First he made a hundred large jars and lined them along the rough road that runs past his shop and kiln Next he arranged curving clusters of big pots inside pine frames slatted like corn cribs to separate

them from the slick interiors of four fine galleries in succession Then in concluding the second phase of his professional career Daniel Johnston built an open air installation on the grounds around the North Carolina Museum of Art where 178 handmade wood fired columns march across a slope in a straight line 350 feet in length that dips and lifts with the heave while the tops of the pots maintain a level horizon In 2000 when he was still Mark Hewitt s apprentice Daniel Johnston met Henry Glassie who has done fieldwork on ceramic traditions in the United States Brazil Italy Turkey Bangladesh China and Japan Over the years during a steady stream of intimate interviews Glassie gathered the understanding that enabled him to compose this portrait of Daniel Johnston a young artist who makes great pots in the eastern Piedmont of North Carolina

Mark Adrienne von Speyr,2012-08-01 These meditations on the Gospel of Mark with the exception of the second part on the Passion were given by Adrienne von Speyr between 1945 and 1958 to members of the Community of St John which she founded with the renowned theologian Fr Hans Urs von Balthasar Adrienne is speaking to young adults who have decided to live the state of the evangelical counsels in a secular profession as part of a recently established secular institute Nevertheless this contemplative commentary can be very useful for all who seek to meditate on Holy Scripture As always Adrienne here draws from the abundance of her own contemplation which keeps continually in view the harmonious unity of Christian dogmatic truth she gives to others what has been offered to her in contemplation without exegetical notes or any attempt at scholarship Since she is speaking to novices the train of thought is simple and practical yet rich in depth The points for meditation are not primarily for spiritual reading but an introduction to personal prayer They are meant only to point out a path because it is the Holy Spirit who directs contemplative prayer in all liberty As one reads through this book he will find in it a kind of synthesis of Adrienne von Speyr s spirituality This work will also be very useful to preachers catechists pastors communities and institutes who have understood with Pope Benedict XVI that It is time to reaffirm the importance of prayer in the face of the activism and the growing secularism of many Christians engaged in charitable work **The**

Wisdom of the Cross Stanley Hauerwas,Chris K. Huebner,Harry J. Huebner,Mark T. Nation,2005-05-26 Few recent Christian thinkers have been as widely influential as John Howard Yoder 1927 1997 Encompassing a teaching career of more than thirty years and such landmark publications as The Politics of Jesus Yoder s life and thought have profoundly impacted students and colleagues from a broad range of disciplines In the words of Stanley Hauerwas Yoder is probably the major theologian ethicists of this half century in America and certainly the leading Mennonite theologian of the twentieth century The Wisdom of the Cross is the only book to provide valuable secondary essays engaging Yoder s central theological concerns together with a biographical reflection on his life and legacy Written by scholars both from within and outside of Yoder s Mennonite community these essays develop the most significant aspects of Yoder s thought from his powerful defense of Christian pacifism to his seminal analysis of the politics of Jesus to his challenging contributions to Christian social ethics ecclesiology and theological method The book also includes a previously unpublished essay on moral absolutes by Yoder

himself A fitting tribute to Yoder's distinguished career this volume will be useful to readers new to Yoder's work and to those wishing to probe more deeply into the implications of his thought **The Origins of Life** Anna-Teresa

K B Napier,2018-09-24 This book could have been ten times longer but it serves the purpose of introducing Christians to the truth concerning the beginning of the world and the universe The first three chapters of Genesis describe historical facts not myths as the Hebrew texts prove Most quotes are by scientists Evolutionists jealously guard their failed hypothesis because as they say they cannot let God get a foothold in science In itself this is an admission of anxiety that truth will one day be shown and it is NOT found in scientism which is the fake version of science There are absolutely NO proofs for evolution But how many know this Evolutionists are so scared of this truth getting out they will resort to legal restraints They are so afraid they enforce evolution only in schools by intimidation and false science and denigrate students in universities for daring to question evolutionary orthodoxy Yet genuine scientists KNOW evolution is fake They hate God That's it **Istanbul 1940 and Global Modernity** E. Khayyat,2018-12-11 Istanbul 1940 and Global Modernity The World According to Auerbach Tanpinar and Edib engages Erich Auerbach's Istanbul career and his pioneering works of comparative literature in a new light It interprets Auerbach's works against the background of his Turkish colleagues analogous works that like Auerbach's

masterpieces were drafted at Istanbul University in the 1940s Unlike Auerbach's writings which center around Western literary cultures and Christianity these Turkish writings trace non Western largely Islamicate cultural histories The critic novelist and poet Ahmet Hamdi Tanpınar 1901-1962 and his illustrious senior the Muslim feminist humanist and novelist Halide Edib 1884-1964 focused on Middle Eastern and South Asian cultural trajectories In addition to offering groundbreaking insights into their respective cultural legacies Auerbach Tanpınar and Edib elaborated extensively on the intercrossing that is their meeting place the chiasmic space of modern literature Interpreting their writings as the work of a collective Istanbul 1940 and Global Modernity examines the new paths these critics opened for theorizing literary modernity world literature and the comparative study of literature and religion

Biography and the Question of Literature in France Ann Jefferson, 2007-01-04 This book takes a fresh look at the relations between literature and biography by tracing the history of their connections through three hundred years of French literature The starting point for this history is the eighteenth century when the term biography first entered the French language and when the word literature began to acquire its modern sense of writing marked by an aesthetic character Arguing that the idea of literature is inherently open to revision and contestation Ann Jefferson examines the way in which biographically orientated texts have been engaged in questioning and revising definitions of literature At the same time she tracks the evolving forms of biographical writing in French culture and proposes a reappraisal of biography in terms not only of its forms but also of its functions Although Ann Jefferson's book has powerful theoretical implications for both biography and the literary it is first and foremost a history offering a comprehensive new account of the development of French literature through this dual focus on the question of literature and on the relations between literature and biography It offers original readings of major authors and texts in the light of these concerns beginning with Rousseau and ending with life writing contemporary authors such as Pierre Michon and Jacques Roubaud Other authors discussed include Mme de St el Victor Hugo Sainte Beuve Barbey d'Aureville Baudelaire Nerval Mallarmé Schwob Proust Gide Leiris Sartre Genet Barthes and Roger Laporte

CHANGE Emmanuel Erim,2019-07 The most mysterious event of life is change change is either positive or negative and everything in the world is experiencing change As insignificant as an element of change it will surely manifest a significant change Change in all definition is a gradual differentiation with time which can be traced or noticed Change existed in the very beginning of things and still exist now we can say that the creation were changes resulting from the commands from the Creator The command is the action and the result became a change noticeable as creation Change is continuous and will keep occurring which means that creation is continuous as the sun s shadow shifts so there is no permanence on earth Everything comes to pass nothing comes to stay and nothing remains constant except change itself **On Images, Visual Culture, Memory and the Play without a Script** Matthias Smalbrugge,2021-12-30 Matthias Smalbrugge compares modern images to plays without a script while they appear to refer to a deeper identity or reality it is ultimately the image itself that truly matters He argues that our modern society of images is the product of a destructive tendency in the Christian notion of the image in general and Augustine of Hippo s in particular This insight enables him to decode our current scripts of image As we live in an increasingly visual culture we are constantly confronted with images that seem to exist without a

deeper identity or reality but did this referential character really get lost over time Smalbrugge first explores the roots of the modern image by analysing imagery what it represents and its moral state within the framework of Platonic philosophy He then moves to the Augustinian heritage in particular the Soliloquies the Confessions and the Trinity where he finds valuable insights into images and memory He explores within the trinitarian framework the crossroads of a theology of grace and a theology based on Neoplatonic views Smalbrugge ultimately answers two questions what happened to the referential character of the image and can it be recovered

The Mahabharata ,2015-06-01 The Mahabharata is one of the greatest stories ever told Though the basic plot is widely known there is much more to the epic than the dispute between Kouravas and Pandavas that led to the battle in Kurukshetra It has innumerable sub plots that accommodate fascinating meanderings and digressions and it has rarely been translated in full given its formidable length of 80 000 shlokas or couplets This magnificent 10 volume unabridged translation of the epic is based on the Critical Edition compiled at the Bhandarkar Oriental Research Institute The final volume ends the instructions of the Anushasana Parva The horse sacrifice is held and Dhritarashtra Gandhari Kunti Vidura and Sanjaya leave for the forest Krishna and Balarama die as the Yadavas fight among themselves The Pandavas leave on the great journey with the famous companion Dharma disguised as a dog Refusing to abandon the dog Yudhishtira goes to heaven in his physical body and sees all the Kurus and the Pandavas are already there Every conceivable human emotion figures in the Mahabharata the reason why the epic continues to hold sway over our imagination In this lucid nuanced and confident translation Bibek Debroy makes the Mahabharata marvellously accessible to contemporary readers

David Sinclair,2022-01-29 Welcome to the Church of the Serpent The universe is the Tree of Knowledge At the top of the tree is the Golden Bough with which we attain Golden Knowledge the Apex Knowledge of the cosmos So we must climb All the way to the highest consciousness The Church of the Serpent is devoted to knowledge ultimate knowledge the knowledge of existence itself We must have Absolute Knowledge Nothing else will suffice Completion or nothing From the top of the Tree of Knowledge we command all knowledge Are you one of the Serpents of wisdom Are you one of the protectors of the Tree of Knowledge Everyone is faced with the same test to embrace knowledge or reject it The Bible as well as love and light mysticism and sensory science all say that you should fear and reject knowledge in itself Adam and Eve did the right thing They ate the fruit of the Tree of Knowledge They were condemned and punished for that and knowledge has been deemed forbidden dangerous and unwelcome ever since Not in the Church of the Serpent The altar of the Church of the Serpent bears the Tree of Knowledge itself Everyone must eat the apples of knowledge Drink the serpent elixir Come to the Church of the Serpent Learn the philosophy of the snake and access the highest transcendent knowledge Who is the real God in the Garden of Eden Is it the ignorant God who tries to keep humanity away from knowledge who forbids Adam and Eve from accessing knowledge or is it the Serpent who leads Adam and Eve to the highest knowledge and transforms them through the

gift of consciousness and finally super consciousness The False God is always an enemy of knowledge and the True God always a promoter of knowledge Yet to the idiot masses it s knowledge itself that s evil For them knowledge is the Original Sin The Serpent spoke with words of fire and none who heard them failed to tremble The words were lit by lightning Come and join the Church of the Serpent Learn the philosophy of the snake and slough off the old failed skin of humanity Don t you want to be one of the Prometheans the HyperHumans the Faustians Don t you want to complete the journey from Cimmeria Alpha to Hyperborea Omega Only the Serpent Humans can bring all of humanity to the most precious fruit of the Tree of Knowledge and confer Absolute Knowledge on everyone Only through the Serpents will you achieve gnosis
