THE  
*Ultimate*  
MILLIONAIRE

A man and a woman are shown in a close embrace, smiling at each other. The man is wearing a dark jacket over a white shirt, and the woman is wearing a white dress with a dark purple shawl draped over her shoulders. They are sitting on a wooden bench or ledge. The background is a soft, out-of-focus landscape with a light blue sky and a hazy horizon.

The Ultimate Millionaire Susan Mallery, 2007 Marina Nelson had promised her sister who was marrying playboy Todd Aston's cousin that she'd help him plan the perfect wedding. And somehow Marina discovered that she wanted Todd and that Todd wanted her. Yet the harder she fell for Todd the more she realized that he didn't trust marriage-minded women. Which made her grandmother's offer of a million dollars to whichever Nelson sister married him a big problem. The Ultimate Millionaire Susan Mallery, Caroline Cross, 2007

*The Awakened Millionaire* Joe Vitale, 2016-03-23 Radical formula transforms your money and spiritual growth into global change. The Awakened Millionaire is a practical manifesto guiding you to new dimensions of personal wealth, spiritual growth, and as a result, global transformation. Crafted by Dr. Joe Vitale, a famed millionaire, best-selling author, and star of the blockbuster movie *The Secret*, you'll discover a controversial formula that accomplishes what few believe possible: combining money and spirituality together to bring you more of both while transforming you into a force for good in a world that desperately needs it. This book is a call to action, pushing you to wake up, stand up, and transform yourself into a powerful expression of your passion, your wealth, and your desire to make a difference. It is an invitation to become a true Awakened Millionaire starting today. While most consider money and spirituality a blasphemous duo, Dr. Vitale shatters these social norms and shows you the true nature of money empowered with soulful purpose. At turns inspirational, motivational, and conversational, this page-turner ultimately narrows in on practical steps anyone can use to see instantaneous results regardless of your past failures, current financial situation, or future goals. But his mission is not to simply transform you; Dr. Vitale's mission is to create a swarm of Awakened Millionaires transforming the world with every action they take while enjoying personal luxury and soulful fulfillment. New levels of money and spiritual growth can give them. The book reveals how to turn your passion into wealth, how to transform money into a spiritual tool, how to create a soulful mission that changes the world. If you desire both wealth and spirituality, this book finally reveals how.

The Ordinary Millionaire MQ Hana, 2021-06-30 The Ordinary Millionaire is intended to show a perspective of a struggling immigrant who grew up in poverty yet became a millionaire within six years after being deep in debt with middle-class incomes for almost two decades. Just like ordinary Americans, I had made many poor emotional choices trying to keep up with the Joneses, trying to be normal. I then share with you how we implemented other guru's proven strategies to turn our life around from financial rock bottom. My main reason for writing this book is to hopefully inspire you to get your finances in order and to pursue your dreams. I would like to impart our actual regimen to maintain a simple lifestyle and invest diligently in order to obtain our wealth. In the grand scheme of things, becoming a millionaire is only a side effect of our short-term objective; our true aspiration is to be financially independent and retire early, like what is often heard in the FIRE movement.
