The Unbridled Beast An Erotic Fairy Tale:

The Erotic True Story of Beauty and The Beast Cherie Wilde, 2025-02-19 Elle flushed with a feverish anticipation sprawled across the oak table With a carefree giggle she arched her back and the remains of their feast clattered to the stone floor It was a symphony of chaos each porcelain shard and silver utensil heralding the carnal rapture to come The beast towered above her his chest heaving with a hungry intensity that mirrored the wild thrum of her heart Impatience clawed at him an untamed creature desperate for release With a growl that resonated through the castle walls he tore at the fine fabric of his garments shredding it from his body as if it were mere parchment Buttons flew like glistening jewels his breeches succumbing to his fervent urgency and at last he stood revealed a portrait of raw virility and primal desire This is not the fairy tale you grew up with This is a story of sinful pleasures untamed passion and a castle filled with wicked temptations When Elle Rousseau sacrifices herself to the Beast to save her father she expects cold dungeons and lonely nights Instead she is thrust into a world of forbidden indulgence and dark aching desire The Beast is a brooding devastatingly powerful creature of raw masculinity dark desires and no mindless monster His presence commands submission his voice is a growl of temptation and his touch is enough to set Elle's body aflame But he is not the only distraction Elle faces His mischievous household staff including a dominating gardener a sultry maid and a well endowed butler ensure that life at the castle is never dull And when three raunchy fairies get involved things take an outrageously sinful turn Lush decadent and deliciously sinful The Erotic True Story of Beauty and The Beast is a tale for those who want heat romance and untamed passion in equal measure This is not a children's story this is a fairy tale meant to be devoured after dark

The Company of Wolves James Gracey, 2017-08-01 Co written by Irish filmmaker Neil Jordan and British novelist Angela Carter and based on several short stories from Carter's collection The Bloody Chamber The Company of Wolves 1984 is a provocative reinvention of the fairy tale of Little Red Riding Hood Unraveling a feverish metaphor for the blossoming of a young girl's sexuality and her subsequent loss of innocence the film entwines symbolism and metaphor with striking visuals and grisly effects Released in the early 1980s a time which produced several classic werewolf films including An American Werewolf in London and The Howling The Company of Wolves sets itself apart from the pack with its overtly literary roots feminist stance and art house leanings The film's narrative takes the form of a puzzle box unfolding as dreams within dreams and stories within stories which lead further into the dark woods of the protagonist's psyche as she finds herself on the cusp of womanhood This Devil's Advocate explores all these aspects as well as placing the film in the context of the careers of its creators and its position as an example of the Female Gothic

enchancements and wonders far more dangerous than magic Excerpt Inside was a chamber lit by a ghostly red light I stepped inside and felt warm all over The chains on my cuffs glowed gold and silver I turned back to the Beast He leaned against the wall watching me with the intense look of an animal stalking prey My pulse quickened I d never had a man consider me so closely Did he approve of what he saw His eyes were feral and hungry As he stepped into the red light they appeared to be illuminated from within Bits of gold flecks glowed within the deep green pools of his eyes They were entrancing Had the magic taken ahold of me or was it simply the Beast s presence I blushed and turned away It was then I noticed the wall Several hooks hung from its brick face twinkling silver in the chamber On each was placed a whip or other manner of deadly looking tools I did not recognize Pleasure from pain the Beast said His voice was low flowing like a soft liquid For a moment I thought I d heard him speak inside my own head I turned to face him It s like extracting blood from a stone he continued How does one take blood from a stone I asked He stepped close and lifted my hands Very carefully **Marvelous**

Beauty and the Beast 2: An Erotic Fairy Tale (BDSM) Simone Holloway, A steamy BDSM twist on the classic fairy tale Beauty and the Beast The power of the castle s magic is tested when the manor is attacked by Belle s former suitor Gaston He s determined to rescue her but he ll have to overthrow the Beast first Meanwhile Belle s lessons into the the world of pleasure and pain continue Enchanted whips and chains make for an exciting foray in the dungeon but the best is yet to come as the Beast commands magic beyond Belle s wildest dreams Excerpt Trembling I held the light before me and approached the hidden door I raised my hand to feel along the wall Before I could touch it the wall slid open A cool breast blew my hair around my face Long curly tendrils snaked their way around me as if animated by ghostly hand At the end of the dark passage a red light pulsed The rose rested deep in the heart of the dungeon beckoning me closer I stepped into the passageway The hidden door slammed shut behind me I turned and pounded on it but it remained closed I felt for a secret lever or catch It was no use The wall was solid I could not leave unless she allowed it With nowhere to go but forward I marched on I walked to the dungeon quickly I didn t want the Beast to catch me snooping around and I hoped to find an exit It was unlikely I d be permitted to leave without the castle s consent but I was determined to try The dungeon door opened smoothly I stepped into the room and was instantly washed in red light The magic permeating the castle wreaked havoc on my nerves but here it was soothing like a hot bath I glanced at the instruments hanging from the wall So many still to try I thought with a smile I turned my attention to the rose It burned brilliantly beneath its glass case I placed my hands on the glass and peered inside The rose seemed to swell as if a great pressure had built up inside it The petals parted and opened A burning black light at the center held my gaze I was paralyzed enraptured by its depthless darkness

The Princess Pleasure Pact - Beauty's Beastly Desires Hannah Hale, 2025-04-14

He warned me not to run. I didn't listen. By day, I'm the well-read good girl trapped in an enchanted castle. But at night, I hear him growling. Something darker. Wilder. Something not quite human. I should be afraid. Instead, I go looking for him. I was supposed to wait for love. Instead, I made a pact with five other princesses one night to explore our darkest desires before we choose our futures. Mine leads me deep into the castle's forbidden wing and straight into his claws. The Beast is no longer tame. He's bigger. Rougher. Ravenous. And he wants to hunt me. So I run until he catches me. What begins as a hunt turns into something filthy and primal. He consumes me like a secret he's waited centuries to taste. And I give in like I've waited just as long. This isn't the fairy tale I read in books. It's something far more wicked.
