**Samboangan** Antonio Reyes Enriquez, 2006 **Catholic World**, 1913 **In Remembrance of Feelings** Dexter G. Thompson, 2014-08-14 New Catholic World, 1913 *Sedation, Suicide, and the Limits of Ethics* James A. Dunson III, 2017-12-20 In this book James Dunson explores end of life ethics including physician assisted suicide PAS and continuous sedation until death. He argues that ethical debates currently ignore the experience of the dying patient in an effort to focus on policy creation and proposes that the dying experience should instead be prioritized and used to inform policy development. The author makes the case that PAS should be recognized as a legally and morally permissible option for a very particular kind of patient terminally ill with fewer than six months to live and capable of conscious consent. Since focusing on the patient's experience of this end of life dilemma transforms some of the basic concepts we use to engage in the PAS debate, the argument has implications for patient care and the training of medical professionals.

**The Raven and Eagle series** Geraint Jones, 2022-10-27 The Roman Empire looms large. Battle and glory await. Includes all three books in The Raven and Eagle series: Legion Traitor and Rebel. Legion AD 6: The greatest army assembled in a generation prepares to march. But not Legionary Corvus. He and half his legion are to be left behind to garrison the province of Pannonia, a wild place where the mountains are as deadly as any foe. Corvus despairs as he watches his closest friend Marcus march to war, not knowing that his own eager thirst for battle is about to be quenched. A huge rebel army has revolted against the Empire, and Corvus and his few comrades are all that stand against them. Traitor: In the bloodied mountains of Pannonia, the Roman army struggles to put down a brutal rebellion. Corvus is now the standard bearer of the Eighth Legion, which has borne the brunt of the fighting. The famed soldier has lost one comrade after another, and now his oldest friend Marcus has betrayed him, shaking him to his core. Sick of the conflict, Corvus deserts his legion and rides for home to end his days in peace. But there is no escaping Rome or its vengeance. Corvus might want a simple life, but when tragedy strikes, he is hauled back into the savage war. And this time, he won't be fighting on the Roman side. Rebel: At last, the Roman Empire is winning one of its most savage wars. King Pinnes is dead. The Pannonian tribes have surrendered. Only the Dalmatians under Bato remain in the fight, and this brutal leader holds the life of a former Roman standard bearer in his hands. Corvus is spared only on condition that he continues to fight against Rome as a rebel, but his enemies are everywhere. Not only do the Romans want his head, but the treacherous Ziva, his supposed ally, is a constant threat. With the Pannonians knocked out of the war, the entire might of Rome is directed against Bato's army. Legion after legion covers the landscape. Sieges are laid. Towns burn. Thousands die. There is no mercy. And there, in the fire of the rebellion's last stand, Corvus must face his greatest betrayer. A gritty historical adventure series perfect for fans of Ben Kane and Simon Scarrow. Praise for Geraint Jones: Outstanding. Bold, violent, but also deeply introspective. This book offers insight not only into history but also the mind of the soldier. I couldn't put it down. Steven Pressfield, author of *Gates of Fire*. Blood and guts, but also a clever exploration of the moral ambiguity of war and loyalty to a flag. Mail on Sunday.

Brutal audacious and fast paced Anthony Riches author of the Empire series Historical fiction written by a real war veteran who knows all there is to know about blood and bonding in battle Weekend Sport The series of great books featuring Corvus goes from strength to strength Great characters who bring the story to life Brilliant in every way Reader review Supreme writing Geraint has a brilliant unique style that makes this hard to put down Excellent and up there with the best Reader review I felt transported into another world Brutal raw and completely compelling A masterclass in historical fiction Reader review Complex dark awesome Could barely put this book down really loved the story and this author knows how to keep his audience engaged Reader review
