Excerpt from *The Unoccupied Mission Fields of Africa and Asia*

The night lies dark upon the earth and we have light
So many have to grope their way and we have sight
One path is theirs and ours of sin and care
But we are borne along and they their burden bear
Footsore heart weary faint they on the way
Mute in their sorrow while we kneel and pray
Glad are they of a stone on which to rest
While we lie pillowed on the Father's breast
Father why is it that these millions roam
And guess that that is Home and urge their way
Is it enough to keep the door ajar
In hope that some may see the gleam afar
And guess that that is Home and urge their way
To reach it haply somehow and some day
May not I go and lend them of my light
May not mine eyes be unto them for sight
May not the brother love Thy love portray
And news of Home make Home less far away

The Mission Field ,1911 The Progress of World-wide Missions Robert Hall Glover,1924 The Missionary Review of the World ,1920 *Saving Sinners, even Moslems* Jerzy Zdanowski,2018-10-09 This book investigates the Mission of the Reformed Church in America sent to Arabia in 1889 to preach the Gospel and which operated in the Persian Gulf until 1973 It also explores the various cultural encounters between missionaries and Muslims and discusses conversion and the place of Islam in the Protestant eschatology It maintains that John G Lansing from the New Brunswick Theological Seminary New Jersey who founded the Arabian Mission deliberately dedicated the Mission to direct Muslim evangelism In terms of premillennialism Lansing moved Islam into the very centre of the theological discourse and presented the evangelization of Muslims as critical for Christ s Second Coming This made the Arabian Mission unique among the American Protestant Missions and placed the Church and missionaries between religious pluralism and the obligations of the Great Commission

Book Bulletin Chicago Public Library,1912 Channing of Tanta E. M. Clifford,2025-01-28 Benjamin Channing was born into a prominent New England family with a respectable fortune an Ivy League pedigree and stalwart Presbyterian values of rectitude and public service Friendly helpful honest and optimistic Ben excelled at school and sports unwittingly becoming

just the kind of young man that recruiting mission agencies longed for in their wildest dreams In 1918 his peers at Yale and Princeton were humming with idealism and a desire for challenge and adventure The Student Volunteer Movement for Foreign Missions absorbed this energy and redirected it Ben soon found himself committed to the evangelization of the world and on his way to Egypt But the ancient land of Egypt in the 1920s was balanced on the edge of enormous social and cultural change Centuries of foreign domination were creating an indigenous rebellion against Ottoman and British imperialism Forces were struggling against the heavy hand of Western economic and military assets grappling with the decidedly mixed legacy of European and American Christian missionary work in Egypt and engaging with a radically new concept of powerful political Islam Tested in many ways Benjamin Channing did his best and somehow both succeeded and failed [The Cumulative Book Index](#) ,1911 A world list of books in the English language **Our Missions** ,1910 *Church Missionary Intelligencer and Record* ,1912 **The Yes Effect** Luis Bush,2017-09-05 From the missions strategist behind The 10 40 Window In 1990 Luis Bush helped change modern missions by introducing the concept of the 10 40 window a geographic region where large dense populations of people suffered severe poverty and limited access to the gospel essentially shining a light on the world s greatest need Now after decades spent serving in global missions mobilization Luis has a unique perspective on what God is doing around the world Though statistics and maps can be a great place to start The Yes Effect reveals that true transformation begins when we restart our hearts getting in sync with God s tenderness toward the oppressed and regaining compassion for the lost In The Yes Effect Dr Bush shares his own story as well as inspiring stories of individuals and organizations around the world whose acts of love and justice are bringing hope and transformation in places of misery and immobility From the orphans weeping in Bihar India to garbage collectors in Cairo Egypt from the single mom trying to find a way to feed her family as a Syrian refugee to the church cowering under government control God is at work in surprising places And this transformation is sparked when ordinary people say yes to God igniting an ongoing global chain reaction that sees glimpses God s kingdom springing up all over the world Ultimately The Yes Effect will give you an encouraging window into worldwide efforts to spread the gospel and it will inspire you to give God your yes and like so many others before you become part of God s global story of transformation
