The Unspoken Truth:

The Unspoken Truth Angelica Garnett, 2010-01-14 Real life and fiction meet as Angelica Garnett vividly evokes what it is to grow up in the shadow of artists Her family appear in different guises in the stories but at the centre of each one is Garnett herself She is naive and foolish as Bettina desperately seeking acceptance into the grown ups circle When All the Leaves Were Green My Love shy and cautious but finally disloyal as Agnes Aurore a hesitant uncomfortable Emily The Birthday Party and a contemplative even witty older woman full of appetite and guilt as Helen Friendship Spanning an entire life each story reveals a figure trying to understand her place not only within the polished circle of her family but in an ever changing world Sharply observing a colourful social milieu and the vibrant characters that populate it these are stories about family and friendships yet also curdled relationships and small betrayals A fictional counterpoint to her acclaimed memoir *Deceived with Kindness* here is a portrait of a woman seeking an understanding and acceptance of her past **The Unspoken Truth** Benzena Edmonds, 2018-04-25 They say it s a small world yet it feels so big We don t always seem to realize the true size of this world until our past starts to catch up to us We think that we can out grow things people even places and somehow it draws us back in Somehow it always seems to catch up to us to not be apart of us any longer but yet still effect so much of our future We find ourselves in the very predicaments we try to avoid And well this seems to be the exact story for these two complete strangers who not only happens to cross paths but to fall for one another in the process Not truly realizing what they are signing their selves up for almost total opposites but yet the chemistry is so strong They both have their secrets things they re willing to share and others they hope naturally disappear When Lola meets Dre she feels this is her new start her new chance at a happy ending while Dre feels Lola will be the one to save him help change him the one to make him a better man But little do they know their past will not just go away that easy and that sometimes with change comes the heartache the dismay and the TRUTH In this amazing five part series you will watch Lola Dre s life spiral out of their control You will get a chance to walk into their past their presence and future You ll fall in love with them then hate them Their lies you will believe but remember when things seem too good to be true It s because they usually are **The Unspoken Truth** Brianna Torres, 2020-04-08 my unspoken truth **The Unspoken Truth 2** Benzena Edmonds, 2023-01-21 If you thought part one was a world wind wait until you indulge in part two Now that you have fallen in love with Dre and Lola it s time to get to know the real them While Dre is lying and withholding information Lola is none the wiser And while she seems to be the innocent soul here we dig a little deeper into Lola s past and the details she never shares The real question here is will their love stand the test of time Or will it be devoured by all of their omission and secrets Only time can tell And with time things will grow but other things be destroyed in the process For somebody to win that means someone else must lose Who will take that lost With true commitment comes the ultimate level of communication **The Unspoken Truth** Mark D Ferguson, Jr, 2021-04-04 The Unspoken Truth was written by Mark D Ferguson to enlighten the hearts and

Eighteen Chinedu Nnadi,2025-08-06 Emma Hartley was the kind of teacher students never forgot warm engaging and passionate about literature But beneath her polished professionalism lurked a secret she could barely admit to herself she was drawn to

one of her students Daniel Carter was everything Emma shouldn't want seventeen magnetic and entirely off limits She told herself it was admiration Harmless But the lingering glances the brush of fingertips the restless nights they all whispered otherwise For months she waited Counted down the days And on the morning of his eighteenth birthday Emma crossed the line A simple note in his bag Meet me after school I have a gift for you set in motion a chain of events neither could control Their secret burned hot and fast intoxicating and dangerous But when Emma's pregnancy test showed two pink lines reality came crashing in She tried to hide it Tried to control the whispers But secrets in a small town never stay buried for long When the truth exploded it shattered reputations and lives Emma lost her job her license and any hope of anonymity Daniel became the subject of relentless gossip some painting him as a victim others as a willing accomplice Now with a child on the way Emma stands in the wreckage of her own making Was what they shared ever love or was it always something far darker
