Holiday Miller, Valerie Shepherd

The Unwanted Houseguest:

The Unwanted Houseguest Ms Peele, 2013-03-21 Sarah has found herself at the end of yet another relationship gone wrong and can't figure out why. She has a wonderful career that she loves and she makes a good living; however, nothing in her life has turned out the way she planned. She has no reason to complain, although if she had her way, things would be a lot different. Ponder This: You pray to God, the one you have come to know since your childhood, the God who has been there for you through thick and thin, even when you didn't deserve it. The God you have turned your back on countless times before, and now it seems as though the tables have turned and it is now He that has turned His back on you. **Women Rising** Aurora Windhaven, Are you a woman facing the prospect of a hysterectomy? Do you feel overwhelmed by the information and unsure of what to expect? Look no further than *Women Rising: Overcoming Hysterectomy Hurdles*, a comprehensive guide that will empower you to navigate the challenges of this procedure with confidence and grace. In this short read book, you will find a wealth of information that will help you understand the ins and outs of hysterectomy. The book begins with an introduction that provides a clear definition of what a hysterectomy is and delves into a brief history of this surgical procedure. You will also discover why hysterectomy matters and how it can impact your overall health and well-being. The book then explores the different types of hysterectomy, including total hysterectomy, partial hysterectomy, laparoscopic hysterectomy, and robotic hysterectomy. Each type is explained in detail, allowing you to make an informed decision about which option is best for you. Next, the book delves into the various reasons for hysterectomy, such as uterine fibroids, endometriosis, pelvic inflammatory disease, abnormal uterine bleeding, and cancer. You will learn about the symptoms and treatment options for each condition, empowering you to make the best choices for your health. Preparing for a hysterectomy can be a daunting task, but this book provides you with a step-by-step guide to ensure you are fully prepared. From medical evaluations and pre-operative testing to medications, diet, exercise, and emotional preparation, you will have all the tools you need to face the procedure with confidence. The book then takes you through the hysterectomy procedure itself, discussing anesthesia options, surgical techniques, risks, complications, and recovery time. You will gain a clear understanding of what to expect during and after the surgery, allowing you to plan for a smooth recovery. Recovery after hysterectomy is a crucial phase, and this book provides you with valuable insights on managing pain and discomfort, post-operative care, and returning to daily activities. Additionally, it explores the topic of hormone replacement therapy (HRT) after hysterectomy, discussing the benefits, risks, and different types of HRT available. If you are considering alternatives to hysterectomy, this book has you covered. It explores medications, uterine artery embolization, endometrial ablation, and myomectomy as potential options for those who wish to avoid surgery. **Table of Contents:** Introduction, What is a hysterectomy, Brief history of hysterectomy, Why hysterectomy matters, Types of Hysterectomy, Total hysterectomy, Partial hysterectomy, Laparoscopic hysterectomy, Robotic hysterectomy, Reasons for Hysterectomy, Uterine fibroids, Endometriosis, Pelvic inflammatory disease, Abnormal uterine bleeding, Cancer, Preparing for

Ernest Jennings,2021-11-08 My book chronicles my long journey to solve the life energy equation This is the mathematical equation for the energy that is created by life itself I have worked for many years to figure out the relationship between energy and life itself I thought that I had solved this equation This is when my life changed forever and things got really scary

I am far from a perfect human being I have made many mistakes I do not know why God chose me to do His mission but He gave me the correction to my equation And now it s His equation I call it the theory of my relatives Someday it will change the world It is how God draws His power and He wants mankind to know this He wants us to draw closer to Him The devil does not want this equation to get out and he tried everything in his power to stop me from writing this book My mission is to tell the world that God is real He does exist and He loves His creation very much It is time we know the truth Read it and judge for yourself
