The Unwinding An Inner History Of The New America:

The Unwinding George Packer, 2013-05-21 NATIONAL BOOK AWARD WINNER A NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK AN NPR BEST BOOK Selected by New York Times critic Dwight Garner as a Favorite Book A Washington Post Best Political Book A New Republic Best Book A riveting examination of a nation in crisis from one of the finest political journalists of our generation American democracy is beset by a sense of crisis Seismic shifts during a single generation have created a country of winners and losers allowing unprecedented freedom while rending the social contract driving the political system to the verge of breakdown and setting citizens adrift to find new paths forward In **The Unwinding** George Packer author of *The Assassins Gate* America in Iraq tells the story of the United States over the past three decades in an utterly original way with his characteristically sharp eye for detail and gift for weaving together complex narratives **The Unwinding** journeys through the lives of several Americans including Dean Price the son of tobacco farmers who becomes an evangelist for a new economy in the rural South Tammy Thomas a factory worker in the Rust Belt trying to survive the collapse of her city Jeff Connaughton a Washington insider oscillating between political idealism and the lure of organized money and Peter Thiel a Silicon Valley billionaire who questions the Internet's significance and arrives at a radical vision of the future Packer interweaves these intimate stories with biographical sketches of the era's leading public figures from Newt Gingrich to Jay Z and collages made from newspaper headlines advertising slogans and song lyrics that capture the flow of events and their undercurrents **The Unwinding** portrays a superpower in danger of coming apart at the seams its elites no longer elite its institutions no longer working its ordinary people left to improvise their own schemes for success and salvation Packer's novelistic and kaleidoscopic history of the new America is his most ambitious work to date **The**

Unwinding George Packer, 2019-05-02 WINNER OF THE NATIONAL BOOK AWARD FOR NON FICTION A Great American Novel in the guise of a Great Nonfiction Epic **The Unwinding** asks do we truly like the world we have made for ourselves **The Times** America is in crisis In the space of a generation the country has become divided between winners and losers with its political system on the verge of breakdown and its people adrift amongst failing institutions In **The Unwinding** George Packer tells the human story of America's vertiginous collapse Dean Price is a sustainability evangelist in the rural South Tammy Thomas a factory worker trying to survive the collapse of the Rust Belt Jeff Connaughton a political careerist in Washington and Peter Thiel a controversial Silicon Valley billionaire Journeying across three decades Packer weaves the stories of these four Americans together to paint a rich complex and compelling portrait of contemporary America as it stands at this its most pivotal moment Hums with sorrow with outrage and with compassion Close to a non fiction masterpiece **The New York Times**

The Unwinding Save Time Summaries Staff, 2013-08-21 SAVE TIME by the early 1980s as the crack epidemic began to sweep the inner cities at the same time that looser regulations started to sweep Wall Street the wealth of America started to unwind Today with phrases like jobless recovery still being used to describe the economy even the most optimistic observers

are forced to wonder if America should now be classified as has been a country that sustains itself on the memory of its greatness rather than on its actual merits In telling the story of America s unwinding he doesn t state his own opinions about the matter too blatantly preferring instead to rely upon the personal narratives of individual Americans to paint his portrait of what went wrong He provides intimate exclusive profiles of fascinating characters such as Jeff Connaughton a former Senate adviser to current Vice President Joe Biden Connaughton left Capitol Hill to blow the whistle on the tactics Wall Street uses to control Congress and block any meaningful regulation and reform Colin Powell former Secretary of State and Chairman of the Joint Chiefs Jay Z Grammy Award winning rapper Dean Price a struggling biofuels entrepreneur Sam Walton the founder of Wal Mart Through it all Packer expertly weaves them together to document the decay of social structures and institutions that began in the 1960s and that has carried through to the present day This unwinding has created greater freedoms in certain ways but has also made life in America more uncertain than ever before Gazing at America s past four decades through the eyes of the many characters Packer has selected the reader is left with an uneasy feeling that things in the United States at least for the working class and middle class are destined to get worse before they get better FROM START TO FINISH IN JUST 20 MINUTES Here s your chapter by chapter guide to George Packer s *The Unwinding* that you can start and finish right now [Summary and Analysis of The Unwinding: An Inner History of the New America](#) Worth Books, 2017-05-16 So much to read so little time This brief overview of *The Unwinding* tells you what you need to know before or after you read George Packer s book Crafted and edited with care Worth Books set the standard for quality and give you the tools you need to be a well informed reader This short summary and analysis of *The Unwinding: An Inner History of the New America* includes Historical context Chapter by chapter overviews Profiles of the main characters Detailed timeline of key events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About *The Unwinding* by George Packer Detailing the United States decline in the latter half of the twentieth century journalist George Packer s *The Unwinding* reads like a memoir but contains the hard hitting facts of an exposé Packer s history of America looks at a cast of interesting figures from community organizers to laborers Democratic Party staffers to small business owners including household names such as Oprah Winfrey Colin Powell Raymond Carver Jay Z and Elizabeth Warren to produce a stunning portrait of what the United States has become and where it s headed next *The Unwinding* won the National Book Award was a National Book Circle Award finalist and was named by the New York Times as one of the best books to read to understand the Trump presidency The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction *The Contrarian* Max Chafkin, 2025-09-09 A New York Times Notable Book A shocking and assiduously reported biography of venture capitalist and entrepreneur Peter Thiel the enigmatic controversial and hugely influential power broker whose authoritarian worldview is coming to dominate our collective reality Max Chafkin s *The Contrarian* is much more than a

consistently shocking biography of Peter Thiel the most important investor in tech and a key supporter of the Donald Trump presidency It s also a disturbing history of Silicon Valley that will make you reconsider the ideological foundations of America s relentless engine of creative destruction Brad Stone author of The Everything Store and Amazon Unbound Since the days of the dot com bubble in the late 1990s no industry has made a greater impact on the world than Silicon Valley And few individuals have done more to shape Silicon Valley than Peter Thiel The billionaire venture capitalist and entrepreneur has been a behind the scenes operator influencing count less aspects of contemporary life from the technologies that mediate our daily existence to the rise of the far right effort among some of the most powerful people in Silicon Valley and Washington to untether the U S government from the established constitutional order But despite his being one of the most im portant forces behind the tectonic shifts in America s sociopolitical landscape no public figure is quite so mysterious In the first major biography of Thiel Max Chafkin traces the trajectory of the innovator s singular life and philosophy from his upbringing as the child of immi grant parents and years at Stanford as a burgeoning conservative thought leader to his founding of PayPal and Palantir early investment in Facebook and SpaceX and relationships with fellow tech titans Mark Zuckerberg Elon Musk and Eric Schmidt The Contrarian illuminates the extent to which Thiel has sought to export his values to the corridors of power beyond Silicon Valley including stren uously backing outsider political candidates notably a young Senate hopeful named JD Vance and the longshot 2016 presidential contender Donald Trump Essential reading for a post 2024 world The Contrarian is a revelatory biogra phy of a one of a kind leader and a deeply insightful portrait of a tech industry whose explosive growth and power is both thrilling and fraught with peril

The Evolution of American Foreign Policy Shawn Armstrong, 2025-02-10 This book outlines the evolution of American foreign policy tracing its principles and key historical events from the founding era to the present Chapter 1 establishes the foundational goals of U S foreign policy emphasizing the protection of national territory and natural rights while discussing the founders views on sovereignty and noninterference Chapter 2 focuses on national sovereignty highlighting the federal government s exclusive authority over foreign affairs and the criteria that define sovereignty In Chapter 3 America is characterized as a commercial republic with George Washington s warnings about foreign entanglements underscoring the importance of a strong economy in shaping foreign policy Chapter 4 addresses national honor exploring its influence on public opinion and reputation through historical events like the XYZ Affair The subsequent chapters delve into significant historical crises and doctrines that shaped U S foreign policy including the Monroe Doctrine Chapter 7 which established America s geopolitical stance in the Western Hemisphere and the Spanish American War Chapter 8 marking a shift towards colonialism Chapters 10 12 discuss America s involvement in World War I Wilson s diplomatic efforts and the resulting international agreements like the Treaty of Versailles The book further examines post World War II dynamics in Chapters 14 19 detailing shifts in policy such as containment strategies against communism during the Cold War nuclear arms competition and military interventions in Korea and Vietnam Chapters on modern

presidents from Reagan to Biden highlight changing approaches to foreign policy including Reagan's confrontational stance towards the Soviet Union, Bush's vision for a new world order post Cold War, Clinton's Middle East interventions, and Obama's focus on diplomacy alongside military engagement. The final chapters explore contemporary issues such as terrorism and America's role in global conflicts under Trump and Biden, reflecting ongoing debates about interventionism versus restraint in U.S. foreign policy. Overall, this comprehensive overview illustrates how American foreign policy has evolved through historical challenges and shifts in leadership philosophies, continuously balancing national interests with global responsibilities.

The World Almanac and Book of Facts 2022 Sarah Janssen, 2021-12-07 A 2021 USA Today Bestseller. Get thousands of facts at your fingertips with this essential resource: business, the arts, and pop culture, science and technology, U.S. history and government, world geography, sports, and so much more. Not for You Ronen Givony, 2021-10-21 There

has never been a band like Pearl Jam The Seattle quintet has recorded eleven studio albums sold some 85 million records played over a thousand shows in fifty countries and had five different albums reach number one But Pearl Jam s story is about much more than music Through resilience integrity and sheer force of will they transcended several eras and shaped the way a whole generation thought about art entertainment and commerce Not for You Pearl Jam and the Present Tense is the first full length biography of America s preeminent band from Ten to Gigaton A study of their role in history from Operation Desert Storm to the Dixie Chicks Jeremy to Columbine Kurt Cobain to Chris Cornell Ticketmaster to Trump Not for You explores the band s origins and evolution over thirty years of American culture It starts with their founding and the eruption of grunge in 1991 continues through their golden age Vs Vitalogy No Code and Yield their middle period Binaural Riot Act and the more divisive recent catalog Along the way it considers the band s activism idealism and impact from W M A to the Battle of Seattle and Body of War More than the first critical study Not for You is a tribute to a famously obsessive fan base in the spirit of Nick Hornby s Fever Pitch It s an old fashioned if at times ambivalent appreciation a reflection on pleasure fandom and guilt and an essay on the nature of adolescence nostalgia and adulthood Partly social history partly autobiography and entirely outspoken discursive and droll Not for You is the first full length treatment of Pearl Jam s odyssey and importance in the culture from the 90s to the present

The Meanest Man in Congress Timothy McNulty, Brendan McNulty, 2019-05-10 A native of Beaumont Texas and a World War II veteran Jack Brooks represented Texas s Ninth District for forty two years in the U S Congress One of the most influential congressmen you ve never heard of the irascible Brooks is finally getting his due in this first full biography The Meanest Man in Congress chronicles in fascinating detail not only a remarkable lawmaker s career spanning the tenures of ten U S presidents but also the epic sweep of American history in the latter half of the twentieth century from the Kennedy assassination to the Iran Contra affair Packed with anecdotes based on Brooks s personal correspondence interviews with his peers and family members and more this meticulously researched biography traces the incredible life and times of a true public servant a man who applied his tenacious will to practical across the aisle governance for the good of his constituents and his country At a time when Brooks s brand of selfless service is in short supply and American politics has become a zero sum game distinguished authors Timothy McNulty and Brendan McNulty bring into high relief the character of a man who knew how to compromise and bargain negotiate and cooperate to get things done

Until Our Minds Rest in Thee John Rose, 2019-11-14 Open mindedness is often celebrated in our modern world yet the habit of open mindedness remains under defined and may leave Christians with many questions Is open mindedness a virtue What is the value of intellectual diversity and how should Christians regard it Is it a threat or an asset to the church and its tradition Drawing on sources ancient and modern from Aristotle to Augustine Aquinas and Wittgenstein this book explores these questions from the perspectives of philosophy and the Christian faith

Justice and Revenge in Contemporary American Crime Fiction Stuart Sim, 2015-04-08 The detective figure in contemporary American crime

fiction increasingly relies on revenge to bring about justice in a society where there has been a sharp decline in moral values. This study demonstrates how the notion of the detective as a moral exemplar or heroic ideal breaks down in the works of writers such as James Ellroy and Sara Paretsky.

The Dream of the Great American Novel Lawrence Buell, 2014-02-10

Magisterial makes you suddenly see new things in familiar books. Brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes. Michael Dirda, *Virginia Quarterly Review*. The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday, defying more than 150 years of attempts to dismiss it as amateurish or obsolete. In this landmark book, the first in many years to take in the whole sweep of national fiction, Lawrence Buell reanimates this supposedly antiquated idea, demonstrating that its history is a key to the dynamics of national literature and national identity itself. The dream of the G A N, as Henry James nicknamed it, crystallized soon after the Civil War. In fresh in-depth readings of selected contenders from the 1850s onward, in conversation with hundreds of other novels, Buell delineates four scripts for G A N candidates and their themes, illustrated by such titles as *The Scarlet Letter*, *The Great Gatsby*, *Invisible Man*, *Uncle Tom's Cabin*, *Beloved*, *Moby Dick*, and *Gravity's Rainbow*. Works dwelling on topics from self-invention to the promise and pitfalls of democracy. The canvas of the great American novel is in constant motion, reflecting revolutions in fictional fashion, the changing face of authorship, and the inseparability of high culture from popular. As Buell reveals, the elusive G A N showcases the myth of the United States as a nation perpetually under construction. Engaging and provocative, ultimately affirms the importance of literature to a nation's sense of itself. Sarah Graham, *Times Literary Supplement*. Rich in critical insight, Buell wonders if the GAN isn't stirring again in surprising new developments in science fiction. An impressively ambitious literary survey. Booklist starred review.

The Fractured Republic Yuval Levin, 2017-05-23

Americans today are frustrated and anxious. Our economy is sluggish and leaves workers insecure. Income inequality, cultural divisions, and political polarization increasingly pull us apart. Our governing institutions often seem paralyzed. And our politics has failed to rise to these challenges. No wonder, then, that Americans and the politicians who represent them are overwhelmingly nostalgic for a better time. The Left looks back to the middle of the twentieth century when unions were strong, large public programs promised to solve pressing social problems, and the movements for racial integration and sexual equality were advancing. The Right looks back to the Reagan Era when deregulation and lower taxes spurred the economy, cultural traditionalism seemed resurgent, and America was confident and optimistic. Each side thinks returning to its golden age could solve America's problems. In *The Fractured Republic*, Yuval Levin argues that this politics of nostalgia is failing. Twenty-first century Americans. Both parties are blind to how America has changed over the past half century as the large, consolidated institutions that once dominated our economy, politics, and culture have fragmented and become smaller, more diverse, and personalized. Individualism, dynamism, and liberalization have come at the cost of dwindling solidarity, cohesion, and social order. This has left us with more choices in every realm of life but less security, stability, and national unity. Both our strengths

and our weaknesses are therefore consequences of these changes And the dysfunctions of our fragmented national life will need to be answered by the strengths of our decentralized diverse dynamic nation Levin argues that this calls for a modernizing politics that avoids both radical individualism and a centralizing statism and instead revives the middle layers of society families and communities schools and churches charities and associations local governments and markets Through them we can achieve not a single solution to the problems of our age but multiple and tailored answers fitted to the daunting range of challenges we face and suited to enable an American revival *The World Almanac and Book of Facts 2021* Sarah Janssen,2020-12-15 1 New York Times Bestseller Get thousands of facts at your fingertips with this essential resource business the arts and pop culture science and technology U S history and government world geography sports and so much more The World Almanac is America s bestselling reference book of all time with more than 83 million copies sold For more than 150 years this compendium of information has been the authoritative source for school library business and home The 2021 edition of The World Almanac reviews the biggest events of 2020 and will be your go to source for questions on any topic in the upcoming year Praised as a treasure trove of political economic scientific and educational statistics and information by The Wall Street Journal The World Almanac and Book of Facts will answer all of your trivia needs effortlessly Features include 2020 Election Results The World Almanac provides a comprehensive look at the entire 2020 election process from the roller coaster of the early primaries to state and county presidential voting results and coverage of House Senate and gubernatorial races 2020 Coronavirus Pandemic A special section provides up to the minute information about the world s largest public health crisis in at least a century providing information on what scientists know about the virus so far and what still needs to be learned along with an update on vaccine progress statistical data and graphics and useful practical measures for readers World Almanac Editors Picks Memorable Summer Olympic Moments The World Almanac took a look back at past editions of the Olympic Summer Games to create a highlight reel of memorable moments to tide sports fans over until Tokyo in 2021 2020 Top 10 News Topics The editors of The World Almanac list the top stories that held the world s attention in 2020 2020 Year in Sports Hundreds of pages of trivia and statistics that are essential for any sports fan featuring complete coverage of the sports world s response to the COVID 19 pandemic a preview of the Olympic Games in Tokyo and much more 2020 Year in Pictures Striking full color images from around the world in 2020 covering news entertainment science and sports 2020 Offbeat News Stories The World Almanac editors found some of the strangest news stories of the year World Almanac Editors Picks Time Capsule The World Almanac lists the items that most came to symbolize the year 2020 from news and sports to pop culture The World at a Glance This annual feature of The World Almanac provides a quick look at the surprising stats and curious facts that define the changing world Statistical Spotlight This annual feature highlights statistics relevant to the biggest stories of the year These data provide context to give readers a fresh perspective on important issues Other New Highlights Newly available statistics on how the COVID 19 pandemic and widespread

shutdowns have affected businesses air quality employment education families living situations and access to food and much more *Global Communication* Yahya R. Kamalipour, 2019-07-05 *Global Communication A Multicultural Perspective* Third Edition is intended to explore inform and incite discussions about globalization and global communication With chapters by some of the foremost global communication scholars this book covers essential concepts of international communication and contemporary and emerging topics *American Tricksters* William J. Jackson, 2014-12-18 Tricksters are known by their deeds Obviously not all the examples in *American Tricksters* are full blown mythological tricksters like Coyote Raven or the Two Brothers found in Native American stories or superhuman figures like the larger than life Davy Crockett of nineteenth century tales Newer expressions of trickiness do share some qualities with the Trickster archetype seen in myths Rock stars who break taboos and get away with it heroes who overcome monstrous circumstances crafty folk who find a way to survive and thrive when the odds are against them men making spectacles of themselves by feeding their astounding appetites in public all have some trickster qualities Each person every living creature who ever faced an obstacle and needed to get around it has found the built in trickster impulse Impasses turn the trickster gene on or stimulate the trick performing imagination that s life To explore the ways and means of trickster maneuvers can alert us to pitfalls help us appreciate tricks that are entertaining and aid us in fending off ploys which drain our resources and ruin our lives Knowing more about the Trickster archetype in our psyches helps us be more self aware *The Impossible Presidency* Jeremi Suri, 2017-09-12 A bold new history of the American presidency arguing that the successful presidents of the past created unrealistic expectations for every president since JFK with enormously problematic implications for American politics In *The Impossible Presidency* celebrated historian Jeremi Suri charts the rise and fall of the American presidency from the limited role envisaged by the Founding Fathers to its current status as the most powerful job in the world He argues that the presidency is a victim of its own success the vastness of the job makes it almost impossible to fulfill the expectations placed upon it As managers of the world s largest economy and military contemporary presidents must react to a truly globalized world in a twenty four hour news cycle There is little room left for bold vision Suri traces America s disenchantment with our recent presidents to the inevitable mismatch between presidential promises and the structural limitations of the office A masterful reassessment of presidential history this book is essential reading for anyone trying to understand America s fraught political climate

Economic Injustice and the Rhetoric of the American Dream Luke Winslow, 2017-07-24 Our economic arrangements require a persuasive story that can explain who is rich who is poor and why This story shapes our attitudes toward what is just and unjust this story dispenses power to some and withholds it from others and the deeply political and paradoxical nature of this story presents a valuable site of rhetorical inquiry *Economic Injustice and the Rhetoric of the American Dream* fills an important scholarly gap by connecting the need to make sense of economic arrangements with the rhetoric of the American Dream Luke Winslow examines how the rhetoric of the American Dream has emerged as a dominant

cultural touchstone in oscillation with a widespread shift to individualistic explanations for economic arrangements the arrival of neoliberalism growing levels on inequality and dismal rates of economic mobility By developing the tools of rhetorical and ideological criticism this book explores the American Dream in relation to religious economic educational and political institutions ranging from Prosperity Theology to the candidacy and election of Donald Trump Recommended for scholars in Communication Economics Political Science and Religious Studies **Crashed** Adam Tooze, 2018-08-07 WINNER OF THE LIONEL GELBER PRIZE A NEW YORK TIMES NOTABLE BOOK OF 2018 ONE OF THE ECONOMIST S BOOKS OF THE YEAR A NEW YORK TIMES CRITICS TOP BOOK An intelligent explanation of the mechanisms that produced the crisis and the response to it One of the great strengths of Tooze s book is to demonstrate the deeply intertwined nature of the European and American financial systems The New York Times Book Review From the prizewinning economic historian and author of Shutdown and The Deluge an eye opening reinterpretation of the 2008 economic crisis and its ten year aftermath as a global event that directly led to the shockwaves being felt around the world today We live in a world where dramatic shifts in the domestic and global economy command the headlines from rollbacks in US banking regulations to tariffs that may ignite international trade wars But current events have deep roots and the key to navigating today s roiling policies lies in the events that started it all the 2008 economic crisis and its aftermath Despite initial attempts to downplay the crisis as a local incident what happened on Wall Street beginning in 2008 was in fact a dramatic caesura of global significance that spiraled around the world from the financial markets of the UK and Europe to the factories and dockyards of Asia the Middle East and Latin America forcing a rearrangement of global governance With a historian s eye for detail connection and consequence Adam Tooze brings the story right up to today s negotiations actions and threats a much needed perspective on a global catastrophe and its long term consequences **Shall We Wake the President?** Tevi Troy, 2016-09-01 The history of presidential dealings with disasters shows that whatever their ideology presidents need to be prepared to deal with unexpected crises In recent years the expectations have grown as the disasters seem to appear to be coming more frequently Since 2001 numerous unpredictable crises including terror attacks massive storms and an economic collapse have shaken Americans to their core It seems as if technology for all of its beneficences also provides mankind with increasingly powerful ways to wreak destruction including nuclear explosions bioterror attacks and cyber attacks In addition instantaneous and incessant communications technologies send us word of disasters taking place anywhere in the nation far more rapidly giving disasters an immediacy that some may have lacked in the past In 21st century America the eyes of the American people look to the president to lead the response to whatever disasters happen to strike President Obama and his team learned this and were taken aback by the sheer number of crises that a president needed to deal with including swine flu BP s Macondo oil spill and the Somali pirates who attacked an American ship Many of these did not quite reach disaster status but Obama s reaction to the constant stream of crises was both revealing and unnerving Who thought we were going to have to deal with

pirates In *Shall We Wake the President* Tevi Troy a presidential historian and former senior White House aide and deputy secretary of the Department of Health Human Services looks at the evolving role of the president in dealing with disasters and looks at how our presidents have handled disasters throughout our history He also looks at the likelihood of similar disasters befalling modern America and details how smart policies today can help us avoid future crises or can best react to them should they occur In addition he provides information on what individuals can do to prepare for disasters This book includes sections on how American presidents have dealt with a variety of disasters including health crises terror attacks economic upheaval bioterror and cyber attacks natural disasters and civil breakdown In doing so *Shall We Wake the President* will provide lessons from presidents of the past that will inform policy strategies for presidents of the future
