The Vicar Of Christ

Walter F. Murphy

The Vicar Of Christ:

The Vicar of Christ Walter F. Murphy, 2015-01-18 The New York Times Bestselling novel is now available in modern digital formats featuring a new substantive Foreword by Justice Samuel Alito This book is universally considered to be an unusual fascinating and well written observation of the life of a man who was first a war hero and Medal of Honor winner from the Korean War then Chief Justice of the United States later a monk reeling from tragedy and finally elected to be Pope Pope Francis I in fact His exciting life is described by three men who knew him well The first narrator is a Marine telling of their time together in Korea A constitutional scholar and Supreme Court Justice appalled at the new Chief Justice narrates the second phase The third is a Cardinal of the Roman Catholic Church fat kind but distracted The Marine cares for him the most the Supreme Court Justice condescends and despises him and the Cardinal is much more interested in food than his subject But Declan Walsh was a man who earned the Medal of Honor while ordering the death of friends ruled pragmatically and energetically on the Court but lost his way to death and neglect and became a miraculous healer assassinated for challenging the powers that rule the secular world New ebook edition features proper formatting active and detailed Table of Contents and linked notes and URLs in Justice Alito s extensive and informative introduction What makes this book extraordinary is that it proves itself by paradox reconciling and weaving together strong seemingly incompatible elements into a cohesive memorable work quite unlike any other in recent fiction Ambitious in length and scope the stage is nothing less than the contemporary world its recent history and prophecy while the focus from several points of view is clearly upon a single man an American who rises to become Bishop of Rome

The temporal power of the vicar of Jesus Christ Henry Edward Manning (card, abp. of Westminster.), 1862

The Vicar of Christ William J. Humphrey, Rev William J Humphrey S.J., Brother Hermenegild, 2013-04-20 The purpose of the writer is to press home on his readers four truths 1 That Jesus Christ the Incarnate Son of God has a visible Kingdom on this earth 2 That in this Kingdom He not only reigns but rules 3 That His rule both in teaching and in government is rendered actual by means of that man whom He has made to be His Vicar on this earth 4 And that if Christ had no visible Vicar His royalty would be merely nominal and not real Discussing the election of a Pope Humphrey writes The predecessor of a Pontiff has power to constitute the form of election to the Roman Bishopric and so to determine the way in which his successor is to be elected to that Bishopric but once elected to the Bishopric of Rome the elect receives and that immediately from Christ Himself the power of primacy It is obtained not from man but in virtue of the divine law of the institution of the primacy in Peter the perpetuity of a series of successors to Peter in the primacy and the mode of succession through possession of the Roman See with which the primacy is divinely bound up Father Humphrey confirms that there will be Popes until the end of time This Church was to endure to the end of time and throughout all time there was to exist upon the earth not only a Church of Christ but a Vicar of Christ Jesus had created His Vicar before He built His Church The creation of His Vicar was on that day at Caesarea Philippi an act of the then present the building of His

Church was on that day only a purpose of His to be carried out in the future He said I will build My Church but He had already said to Simon of Bethsaida Thou art Peter the Rock He had laid the foundation before He reared upon it the superstructure And let us consider this on civil society CIVIL society is the creation of God 1 Uan IS of his nature a social being He finds himself at his entrance into the world a member of a human society In that society he is a subject and he has superiors A man's parents are his superiors in that primary society which is called the family The head of the woman is the man and God has made wives to be subject to their husbands To both husband and wife are their children subject by the ordinance of God Every family is a true society inasmuch as it contains a principle of authority which is the centre of its unity Apart from authority a society cannot exist Without unity there cannot be one individual society A society consists of superior and subjects and it is the authority of the superior which constitutes it or makes it to be a society
