Stavole Carter briefly describe thousands of popular fiction titles classifying them into standard genres such as science fiction fantasy romance historical fiction and mystery Within each genre titles are broken down into more specific subgenres and themes Detailed author title and subject indexes provide further access As in previous editions the focus of the guide is on recent releases and perennial reader favorites In addition to covering new titles this edition focuses more narrowly on the core genres and includes basic readers advisory principles and techniques **The Dragon Legacy** Nicholas de Vere,2004 A collection of essays on the Deresthai culture with accompanying extracts from the Dragon Court archives comprising the official history of the Dragon peoples **Cumulated Fiction Index** ,1970 *Fiction Index Three* Gerald Brooks Cotton,1970 *Cumulated Fiction Index, 1960-1969* ,1970 *Queen Elizabeth I* Paul Kendall,2024-01-05 An illustrated biography of Queen Elizabeth I as revealed through the buildings artifacts documents and other relics that still exist today The Elizabethan Era was a golden age for England Great playwrights such as William Shakespeare and Christopher Marlowe flourished while the exploits of Sir Francis Drake and other sea dogs established the country as a global power At the center of it all was Elizabeth herself daughter of Henry VIII and last of the Tudor monarchs In this magnificently illustrated volume Elizabeth s life story is told through the objects buildings documents and institutions she left behind Historian Paul Kendall explores the queen s birthplace at Greenwich Palace her childhood homes her prison in the Tower of London the palaces she lived in and her final resting place in Westminster Abbey He also delves into the books young Elizabeth presented to her father and step mother Katherine Parr with the binding she embroidered herself Also covered in detail are her clothes letters she wrote in her own hand her coronation chair her coat of arms asserting her title as Governor of the Church of England and her signature signing the death warrant of her cousin the 4th Duke of Norfolk This book is not just a journey back in time to the reign of Elizabeth I but also a tour across the country to visit the sites which still evoke that golden era of the Virgin Queen *Marriage and Violence* Frances E. Dolan,2010-11-24 Marriage is often described as a melding of two people into one But what or who must be lost fragmented or buried in that process We have inherited a model of marriage so flawed Frances E Dolan contends that its logical consequence is conflict Dolan ranges over sixteenth and seventeenth century Puritan advice literature sensational accounts of true crime and late twentieth century marriage manuals and films about battered women who kill their abusers She reads the inevitable *Taming of the Shrew* against William Byrd s diary of life on his Virginia plantation Noel Coward s *Private Lives* and Barbara Ehrenreich s assessment in *Nickel and Dimed* of the relationship between marriage and housework She traces the connections between Phillippa Gregory s best selling novel *The Other Boleyn Girl* and documents about Anne Boleyn s fatal marriage and her daughter Elizabeth I s much debated virginity By contrasting depictions of marriage in the sixteenth and seventeenth centuries and our own time she shows that the early modern apprehension of marriage as an economy of scarcity continues to haunt the present in the form of a conceptual structure that can accommodate only one fully developed person When two fractious individuals assert their conflicting wills

resolution can be achieved only when one spouse absorbs subordinates or eliminates the other In an era when marriage remains hotly contested this book draws our attention to one of the histories that bears on the present a history in which marriage promises both intimate connection and fierce conflict both companionship and competition The Anachronistic Turn Stephanie Russo,2023-12-01 The Anachronistic Turn Historical Fiction Drama Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present Through an examination of literary cinematic and popular texts and practices this book investigates how twenty first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties Drawing together a wide range of texts across all forms of historical fiction novels dramas musicals films and television this book re frames anachronism not as an error but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing The book achieves this by exploring three core themes the developing trends in the twenty first century for creators of historical fiction to include deliberate anachronisms such as contemporary references music and language the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present and the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties This book will appeal to students and scholars of historical fiction contemporary historical film and television studies and historical theatre studies Blood Sisters Sarah Gristwood,2014-03-04 The Wars of the Roses which tore apart the ruling Plantagenet family in fifteenth century England was truly a domestic drama as fraught and intimate as any family feud before or since But as acclaimed historian Sarah Gristwood reveals while the events of this turbulent time are usually described in terms of the men who fought and died seeking the throne a handful of powerful women would prove just as decisive as their kinfolks clashing armies A richly drawn absorbing epic Blood Sisters reveals how women helped to end the Wars of the Roses paving the way for the Tudor age and the creation of modern England **The Darkling Bride** Laura Andersen,2018 In 1883 the Lady Jenny Gallagher age 23 died suddenly at her home of Deeprath Castle deep in the Irish countryside Though her death was ruled an accident the precise circumstances are unknown In 1992 Cillian Gallagher and his beautiful wife Lily were found dead within the castle walls A suicide murder Or two murders In 2015 Carragh Ryan is offered the job of taking an inventory of the vast library at Deeprath Castle A great lover of books Carragh can't resist the opportunity to gain access to the historic collection But what she finds at the castle and in its enigmatic heir Aidan Gallagher leads Carragh ever deeper into the heart of an ancient and sinister family secret
