The Virgins Night Out English Edition:

The Virgin's Night Out Shiloh Walker, 2015-04-06 Sloane Redding is the shy one the timid one The morning of her wedding she's dumped by the man she'd thought she'd spend the rest of her life with Humiliated she turns tail and runs leaving Nowhere Alabama for a job in the city Sloane sets out to remake herself She succeeds on the outside On the inside Different story She still the shy Redding Still quiet still more interested in standing on the sidelines But all of that is about to change The night before her brother's wedding she strolls in the lone bar in Nowhere wearing wicked red and she's got one goal in mind to show her ex-fiance just what he lost The night before his best friend's wedding D B Boone Cassidy walks into the lone bar in Nowhere Alabama with one goal in mind Get wasted Former military he's spent the past few years as a security specialist and all around troubleshooter It should have been easy to spot the trouble that night a sexy woman in wicked red It should have been easy Yeah right One thing leads to another and his plans to get wasted turn into a night with the sexy woman in red Boone gets the shock of his life the next day when he shows up at his friend's wedding to find out he'd just spent the night wrapped around his best friend's little sister and that isn't the only surprise **Flawed Jo**

Bannister, 2025-06-25 You can waste a lot of time looking or you can pay me to find it for you So goes the slogan of Brodie Farrell's one woman detective agency Although Brodie has made some surprising and dangerous discoveries while working as a modern day treasure hunter none of them has turned her life upside down in quite the way that her unexpected pregnancy does The timing is particularly awkward because Brodie has recently separated from her partner the prickly Detective Superintendent Jack Deacon To complicate matters further Detective Inspector Alix Hyde has set her sights on Deacon while simultaneously trailing a mysterious criminal and one time friend of Deacon's Terry Walsh who has a habit of springing surprises of his own As ever Brodie's best friend Daniel Hood will do anything to help her even taking a leave from his beloved teaching job so that he can look after her business while she takes care of the baby But soon Daniel is preoccupied with the well being of young Noah Selkirk who seems to be collecting more bruises than is reasonable even for a twelve year old boy and is strangely linked to the Walsh case as well As their entanglements weave together in complex patterns all of the parties have to face the consequences of their own mistakes But it's the flaws that make all of us human and perhaps that ultimately make us stronger **A Book of English Literature, Selected and Ed** Franklyn Bliss
