like me who report their symptoms and are daily diagnosed as somatically preoccupied or with a conversion disorder The pain caused by inappropriately prescribed drugs affected my jobs my children my finances my public perception and my involvement in life I have lost precious years of life because of psychiatric drugs My experience has awakened me to a desperate need in the medical community I now advocate for informed consent of consumers better training for doctors insurance coverage for tapering smaller manufactured drug quantities penalties for doctors who cold turkey or fast taper a dangerous drug and less flippant prescribing of those drugs
