Catechism on the doctrines, usages, and holy days of the Protestant Episcopal Church D. C. WESTON, 1861 **What I Learned from Studying the General Epistles for 30 Days** Kevin Tate, 2025-02-13 This book started as an experiment to see how much I could learn from my study of Jude in thirty days and then I decided to do all the general epistles One of the major points of this book is the importance of using just your Bible to study God's word I did not use any other resources while I was authoring this book and I was able to feel a remarkably close connection with God Another thing that I wanted to focus on is giving a similar description of what a verse means because that is the most important part I do not want to leave someone asking more questions when they are looking for an answer Reading the Bible needs to be a time of revelation it is a time of learning God never seeks to leave us confused because he knows everything He wants us all to learn about him so that we may walk in his Spirit God wants all of us to be in his kingdom with him and I hope that this book can help you grow closer to God *The Truth about the Tribulation* Jim Lewis, 2023-10-23 When I was in High School in the early 1960s I was taught there was nothing more that needed to happen before the rapture of the saints and that the tribulation could come at any time If that was the case what was God waiting for So my wife and I have read many books on end time events since we were married But they all seemed to repeat what I learned in high school So there is a great thing God does He equips the called That is what he did with me God is the true author of this book When I didn't know a word or have any idea how to proceed I prayed and God allowed the words to flow and gave me understanding That is how this book came to be About ten years ago I started serious research on the subject I found the answers were not as I was taught during my high school years The more I studied the more truth I found I decided to put what I learned into a book to teach others the real truth about the tribulation and what will happen in the Last Days They say what you don't know can't hurt you I found out that's a lie There are things you need to know before the tribulation starts This book is about the Tribulation culminating in the Battle of Armageddon and the 1000 reign of Christ on Earth occurring in the near future *An exposition of the Parables* Benjamin Keach, 1856 *Nazarene Commentary* Mark Heber Miller, 2010-11-13 Nazarene Commentary is a complete reference to the
