L. Shastri,Ganesh Vasudeo Tagare,2004-01-01 The Purana is a class of literature that treats of ancient religion philosophy history sociology politics and other subjects It is an Encyclopaedia of various branches of knowledge and ancient wisdom It has been defined as a class of literature that contains material on the topics of Creation Dissolution of Manus Ages of Manus Genealogies and the History of glorious kings For dealing primarily with these subjects it has been called Pancalaksana a little that was incorporated in the Puranas themselves and had become popular by the Fifth Century A D for it was included by Amarasimha in his lexicon Amarakosa But as the process of interpolation continued the Pancalaksana definition was found inadequate The Puranic redactors adopted a Dasalaksana definition that suited the contemporary text Still the dynamic forces were at work and the process of insertion modification and abridgement went on and it was soon discovered that the Dasalaksana definition too fell short of an actual fact It was found that the Puranas contained certain aspects that were not covered by any of the five or ten characteristics Besides some of the characteristics covered by the Pancalaksana or Dasalaksana definition were not found in certain Puranas In fact the Purana as a class represents the different phases and aspects of the life of diverse ages It is impossible to adopt a standard definition for the class of literary composition that contains heterogeneous phases and aspects Moreover a definition framed on the numerical basis of points is bound to be imperfect The Puranas are divided into two classes the Mahapuranas and the Upapuranas Each class consists of eighteen Puranas Thus the number of the Puranas is thirty six **Beauty of the Beast #2 Daughter Of A King: Part A: Serviatrix's Plight** Kristie Lynn Higgins,2014-09-26

Joseph McBride, 2021-10-26 The director and cowriter of some of the world's most iconic films including Double Indemnity  
Sunset Blvd Some Like It Hot and The Apartment Billy Wilder earned acclaim as American cinema's greatest social satirist  
Though an influential fixture in Hollywood Wilder always saw himself as an outsider His worldview was shaped by his  
background in the Austro-Hungarian Empire and work as a journalist in Berlin during Hitler's rise to power and his  
perspective as a Jewish refugee from Nazism lent his films a sense of the peril that could engulf any society In this critical  
study Joseph McBride offers new ways to understand Wilder's work stretching from his days as a reporter and screenwriter  
in Europe to his distinguished as well as forgotten films as a Hollywood writer and his celebrated work as a writer-director In  
contrast to the widespread view of Wilder as a hardened cynic McBride reveals him to be a disappointed romantic Wilder's  
experiences as an exile led him to mask his sensitivity beneath a veneer of wisecracking that made him a celebrated caustic  
wit Amid the satirical barbs and exposure of social hypocrisies Wilder's films are marked by intense compassion and a  
profound understanding of the human condition Mixing biographical insight with in-depth analysis of films from throughout  
Wilder's career as a screenwriter and director of comedy and drama and drawing on McBride's interviews with the director  
and his collaborators this book casts new light on the full range of Wilder's rich complex and distinctive vision      The  
Dramatic Works of Wycherley, Congreve, Vanburgh and Farquhar William Wycherley, 1875
