Matchmaker Protector Wolf shifter Pack life Alpha Short story Excerpt One of the men was still there watching her as if he expected her to bolt any second Was he just a man Or was he a wolf like the rest of them A wolf in the shape of a human If he was she knew it would be pointless to run He would catch her before she took more than a step She studied his face and body She would have considered him handsome if she d met him anywhere else Irresistible His tall and muscular frame matched his chiselled face Only the clear blue colour of his eyes didn t quite match the bad ass persona and the black leather pants he seemed to prefer She saw he could blend in if he donned a suit and cut his hair a bit shorter Still the sight of his biceps against the thin t shirt made her aware of how pointless it would be to run His muscular legs attested that his bulk would not slow him down enough to let her escape She would have to bide her time and wait for a better opportunity Are you a werewolf Sophie finally asked him wanting to hear his voice and hoping it would calm her I prefer the term wolf shifter His voice was deeper than she expected Commanding It suited him but didn t calm her as she had hoped for He pointed to somewhere on her left Let s go Where to Sophie hesitated Did he plan to kill her right away He chuckled You ve seen too many movies human Sophie stared at him Had he just read her mind She gasped as she met his knowing eyes He nodded as if to answer the question How is that possible Sophie asked aloud to forcibly steer her thoughts away from things he didn t need to know My kind have abilities far beyond your comprehension human My name is Sophie What will you do with us That's for my Alpha to decide Right now you re coming with me He grabbed her shoulder and steered her in the direction he wanted There was no point in fighting him It was a struggle to keep pace but that didn t mean she would ignore everything else Taking a deep breath she put her anxiety into words I ve heard many stories about wolf shifters but none of them has ended well He chuckled again The sound felt like a warm summer breeze across her skin flushing her instantly How could the sound of his voice feel like a caress It should have chilled her to the bone since she suspected they would use her and kill her afterwards Her thoughts seemed to dampen his humour He sighed You ve got it all wrong I don t intend to kill you Then what will you do He gave her a wink I would kill you with pleasure if I was allowed to Not likely she snorted Then you can consider me to be your jailer for the time being Great Sounds like fun It won t be I can guarantee it he said sternly Sophie just shook her head What on earth had they got herself into *Captive* Gale Stanley,2012-10-01
