The Uglimen Mark Morris,2024-06-02 The uglimen are coming Watch your back They killed your dad They ll kill you too if they can Rob Loomis has everything he could wish for a beautiful girlfriend a job he loves a nice flat in London Life is sweet until the day that his mother rings him at work to tell him that his quiet thoughtful and apparently contented father has hung himself from the banister of their family home Before long Rob finds that it is not only his own and his mother s grief that he has to cope with A mysterious hissing voice on the phone informs him that his father was murdered and that his murderers the uglimen are targeting Rob as their next victim But if Rob s father really is dead why does Rob glimpse him standing between distant trees watching his own funeral Is his father a phantom A figment of Rob s imagination Or has he somehow faked his own death in order to avoid some terrible retribution To discover the truth Rob must confront and accept shocking

revelations about his father must delve deep into his father's past and in particular into certain events that occurred in California in 1969 during the fabled summer of love. For it was here where his father made the biggest mistake of his life where his reckless actions were to have such devastating consequences that they would destroy not only his life but the lives of all those around him. Fiddleback Mark Morris, 2024-11-16 how do you describe that moment when the lights go out in someone's eyes and the darkness takes over? They become something you can't reason with something whose conscience you can't appeal to like a shark or a machine. They look human but they're not. Not in the sense that the majority of us understand anyway. They have no moral code. They become less than human inadequate incomplete. And that incompleteness can make them dangerous even deadly. When Ruth Gemmill's younger brother Alex fails to return her calls she sets off to check up on him. Unable to find him in Greenwell the town where he has been living and teaching she begins her tentative enquiries. She soon discovers the locals to be frustratingly unhelpful while the eerie town holds more questions than clues. Why are the police so uncooperative? Why is Greenwell so dark and lonely? And who is the grey man the schoolchildren saw Alex with not long before he went missing? As Ruth becomes concerned that something terrible has happened to her brother events escalate mysteriously dangerously out of control. Then in one fearful moment she is sure she glimpses the abusive ex-boyfriend she left behind in London the man who caused her years of tortuous pain. Too late Ruth realizes that her worst fears haunt her still and that she is at the center of a far darker nightmare than she could ever have imagined. *Film/video Rental Catalog* University of California (System).
