Le Guin *The Word for World is Forest* When the inhabitants of a peaceful world are conquered by the bloodthirsty yumens their existence is irrevocably altered Forced into servitude the Athsheans find themselves at the mercy of their brutal masters Desperation causes the Athsheans led by Selver to retaliate against their captors abandoning their strictures against violence But in defending their lives they have endangered the very foundations of their society For every blow against the invaders is a blow to the humanity of the Athsheans And once the killing starts there is no turning back At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *The Word for World Is Forest* Ursula K. Le Guin, 1989 **Avatar and Nature Spirituality** Bron Taylor, 2013-08-14 Avatar and Nature Spirituality explores the cultural and religious significance of James Cameron's film Avatar 2010 one of the most commercially successful motion pictures of all time Its success was due in no small measure to the beauty of the Pandora landscape and the dramatic heart wrenching plight of its nature venerating inhabitants To some audience members the film was inspirational leading them to express affinity with the film's message of ecological interdependence and animistic spirituality Some were moved to support the efforts of indigenous peoples who were metaphorically and sympathetically depicted in the film to protect their cultures and environments To others the film was politically ethically or spiritually dangerous Indeed the global reception to the film was intense contested and often confusing To illuminate the film and its reception this book draws on an interdisciplinary team of scholars experts in indigenous traditions religious studies anthropology literature and film and post colonial studies Readers will learn about the cultural and religious trends that gave rise to the film and the reasons these trends are feared resisted and criticized enabling them to wrestle with their own views not only about the film but about the controversy surrounding it Like the film itself Avatar and Nature Spirituality provides an opportunity for considering afresh the ongoing struggle to determine how we should live on our home planet and what sorts of political economic and spiritual values and practices would best guide us *Ursula K. Le Guin Beyond Genre* Mike Cadden, 2005-07-08 This book critically examines Le Guin's fiction for all ages and it will be of great interest to her many admirers and to all students and scholars of children's literature *Understanding Ursula K. Le Guin* Elizabeth Cummins, 1990 Annotation Elizabeth Cummins's book is a superb literary study of the American science fiction fantasy writer Unlike many other literary studies of Le Guin's works that simply print unintegrated essays this book has a tight focus flow that other literary critics would do well to study Very highly recommended Wilson Library Bulletin *The Word for World Is Forest* Ursula K.
