Respeto Derechos Y Equilibrio Sexual Spanish Edition:

Respeto, derechos y equilibrio sexual Julio S. Cabrera Núñez, 2016-09-19 Muchos se escandalizaron por la igualdad moral sexual que yo opino debe coexistir entre hombres y mujeres pero conmovido por el respeto y amor que la mujer merece es lo que me ha motivado a escribir este libro y no obstante a las opiniones negativas que con mi libro yo pueda generar sin importar que yo sea Liberal o Conservador Religioso o Ateo Realista o Idealista nadie podrá ignorar o negar la irrefutable verdad que hay en mi escrito como tampoco la necesidad de un impostergable cambio para establecer el meritorio equilibrio moral en honor y agradecimiento a la mujer reconocimiento que dentro de un contexto de igualdad moral social y legal lo considero un derecho fundamental para ambos géneros **Avances y desafíos en la protección jurídica de las personas**

trans Aitziber Emaldi Cirión, Emilio José Armaza Armaza, 2023-11-20 **Respect, Rights and Sexual Balance** Julio S. Cabrera Nunez, 2015-03-26 Considering the great progress and evolution of human and social development today which has contributed to the eradication of prejudice and discrimination that have affected humankind for centuries to a civilization that demands justice and that has established freedom rights and respect in equal proportions That is why I consider it blasphemous to morality to see how this ancient evil continues to perpetuate itself called the circle of honor and dignity regarding sexual morality In fact it is a circle of humiliation and discrimination that women have traditionally accepted unconsciously and willingly Because of this conformist attitude which causes them to mistake submission with pride and when weighing harm and benefit the balance continues to favor men and marginalize women from the same rights and consequences Moved by the respect and love that every woman deserves this is what has motivated me to write this book and notwithstanding the negative reviews that it may generate regardless of my being Liberal or Conservative no one can deny the truth found in my writings nor the need for moral balance in honoring and gratifying women By researching the morality of the civilizations during different periods of life it has served to show the noble intentions of my message which carries in its imprint all the moral values respect and love that should symbolize women What is written in this book is not meant to offend or hurt anyone besides what I have captured is not a fantasy it is the reality that nourishes us that which we see and hear even in the shadows This book includes the Spanish version **Respeto, Derechos y Equilibrio Social** Julio Cabrera Núñez, 2017-07-29 SINOPSIS No solo por fanáticos sino hasta por creyentes moderados de todas las iglesias ser víctima de todo tipo de insultos y crímenes por el intento de proyectar mi intenso perfil ateo incluso por la crudeza de exponer la realidad Católica Asimismo por una parte de los Cubanos del exilio ser hasta calumniado por mi forma de interpretar el vínculo de unión y comunicación que en congruencia con mi experiencia y convicción asumo que en Cuba existe siendo que lo fuertemente relaciona a pueblo gobierno pero estoy seguro que muchas más personas estarán escandalizados por la igualdad de prejuicios y beneficios en relación con la moral sexual que yo opino debe coexistir entre hombres y mujeres pero aun así y sin importar las consecuencias de mi arrojo conmovido por el respeto y amor que la mujer merece es lo que me ha motivado a escribir

este libro que no obstante a las opiniones negativas que con mi libro yo pueda generar porque m s all de justicia en honor al reconocimiento de la verdadera condici n humana sin importar que yo sea Liberal o Conservador Religioso o Ateo Realista o Idealista nadie podr ignorar o negar la irrefutable verdad que hay en mi escrito tanto en honor y agradecimiento a la mujer como a la equidad y demanda evolutiva social Tambi n est la necesidad de un impostergable y radical cambio para establecer alg n equilibrio que si no disipa aunque sea minimice la vulnerabilidad colectiva y personal que a la mujer azota en lo que concierne equilibrio moral sexual porque debido a como los oportunistas y extremistas disfrazan y prostituyen la honestidad es lo que provoca esa discriminaci n consecuencias y prohibiciones de sociedades retrogradadas la cual por dignidad y pudor inconsciente e involuntaria la mujer asume limitando o dificultando la libertad y derechos de realizarse sin prejuicios acorde lo que pueda y quiera ya sea en repuestas a sus deseos o necesidades como tambi n ante un evento de traici n o cinismo sin antifaz act e motivada por represalia reconocimiento que dentro de un contexto de igualdad social tanto de ley natural como legal lo considero un derecho fundamental para ambos g neros SYNOPSISBy believers of all the churches I will be the victim of all kinds of insults and criticisms by my method of projecting my intense atheist profile as well as by the crudeness of exposing the Catholic reality Also by a part of Cubans of exile I will be even slandered by my way of interpreting the bond of union and communication that in congruence with my experience and conviction I assume exists in Cuba between people government but I am sure that many more people will be scandalized by the equality of prejudices and benefits in relation to the moral sexual that I think must coexist between men and women but moved by the respect and love that woman deserve this is what has motivated me to write this book and notwithstanding the negative reviews that my book can generate regardless of whether I am Liberal or Conservative Religious or Atheist Realist or Idealist nobody can ignore or deny the irrefutable truth found in my writing Even in honor and gratitude to woman there is also the need for an urgent and radical change in order to establish some balance which if it does not dissipate even if it minimizes the collective and personal vulnerability that woman suffer in regard to discrimination consequences and Social prohibitions that limit or hinder that path through freedom and rights whose goal is an honorable moral sexual balance Recognition that within a context of social equality both natural and legal I consider it a fundamental right for both genders **Chicanas** ,1985
