Bowering one of Canada's Grand Prix writers and Ryan Knighton a young writer just entering the race realized that they could tell the stories of their lives and friendship through the automobiles that have driven them. Now these aren't your ordinary boys and cars stories. There's no drag racing or cruising for chicks. In fact, George likes to drive pretty slowly and Ryan, who is now blind, doesn't drive at all. But they take turns in the literary driver's seat, bantering and fender nudging so their stories curve and tangle like a BC highway until what emerges is a poignant, hilarious conversation. Boiling fish in the radiator, jousting with a forklift, cabbaging with Doris Lessing in one hundred panels that's fifty each. George and Ryan tell the tales of their friendship, families, friends, and loves, all illuminated by the dashboard light. *Cars* is an auto biography that'll chauffeur you through the intersection of the lives of two of Canada's most exciting writers.      **Following the Harvest** Fred Harris, 2006-02-01 In this coming of age novel by the author of *Coyote Revenge* and *Easy Pickin'*, sixteen-year-old Will Haley journeys from Oklahoma to North Dakota with his father as a member of a wheat harvesting crew during the summer of 1943.
