Nothing Is Too Big to Fail Kerry Killinger, Linda Killinger, 2021-03-23 No institution government or country is too big to fail A behind the scenes account of what led to the 2008 crisis and may soon lead to a bigger one Written by two bank executives with firsthand experience of several financial crises Nothing is Too Big to Fail holds a stiff warning about the future of finance and social justice revealing how the US government's fiscal and monetary policies are creating asset and debt bubbles that could burst at any time The COVID 19 pandemic is just one of many risks that could derail our highly leveraged and fragile economic system The authors also tell how government actions and an unregulated shadow banking system are leading to inequitable distribution of wealth destroying the middle class reducing trust in government and accelerating racial injustice No institution government or country is too big to fail This book offers lessons learned from past

crises and recommended actions for business and government leaders to take today to return our economic system and our democracy to a safer trajectory

Transnational Financial Crime Nikos Passas, 2017-07-05 Financial crime affects virtually all areas of public policy and is increasingly transnational The essays in this volume address both the theoretical and policy issues arising from financial crime and feature a wide variety of case studies and cover topics such as state revenue collection criminal enterprises money laundering the use of new technologies and methods in financial crime corruption terrorism proliferation of WMD sanctions third world debt procurement telecommunications cyberspace the defense industry and intellectual property Taken together these essays form a must read collection for scholars and students in law finance and criminology
