Rethinking Public Administration An Overview:

Rethinking Public Administration ,1998 **Rethinking Public Administration** Marc Holzer,2023-08-14 Governments have always required large public organizations or bureaucracies to deliver on their promises Yet most people leading and managing those agencies lack understanding of the full toolkit of values insights and findings that are necessary Considering how public administration can learn from a wide range of disciplines ranging from history and the humanities to management and the social sciences Marc Holzer delineates new ways of transforming organizations and building trust in governments

Foundations for Public Administration Science in the 21st Century Luis Humberto Fernández Fuentes,2016 This book is About the Science of Public Administration about what we know and what we need to know about it as well as what we can do to make science more useful to the state and society The disarticulation between the Science of Public Administration and the administrative practice of the XXI century causes that the public administrator does not have the theoretical elements and the sufficient tools for the efficient and effective treatment of public affairs The administration Public and its science have to be rethought not only from their inheritance but also from their potential to provide intellectual tools and practices that increase public capacity That is make a stronger smarter and more efficient state which can only be achieved with a solid and useful body of knowledge From the detailed study of the State the Science of Public Administration and its practice facing the current needs of the governments the autor proposes elements for its consolidation and strengthening in the XXI century **Rethinking Public Governance** Jacob Torfing,2023-06-01 In this innovative book

Jacob Torfing a leading scholar of the field critically evaluates emerging ideas practices and institutions that are transforming how public governance is perceived theorised and conducted in practice With a novel focus on the production of innovative public value outcomes it identifies cutting edge developments in public governance and considers how it may transform in the future to present innovative solutions to societal problems Handbook of Globalization, Governance, and Public Administration Ali Farazmand,Jack Pinkowski,2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and *Public Budgeting in African Nations* Peter Fuseini Haruna,Shikha Vyas-Doorgapersad,2016-04-14 Public Budgeting in African Nations aims to provide usable budgeting and fiscal policy management information to development practitioners interested in improving the performance of governments in the context of good governance It shares regional and cross cultural experiences with international audiences and gives reflective attention to comparative budgeting and fiscal policy management With a promising economic and fiscal forecast such information is timely for international development practitioners and for scholars and researchers interested in advancing development management This book adopts an interdisciplinary pragmatic approach to analyze and present

research findings on public budgeting as a sustainable development tool The central argument is that development practice will benefit from a bottom up decentralized approach to budgeting and fiscal policy management involving national sub national and civil society institutions From this perspective a balanced budget should draw from and reflect values and priorities across the full spectrum of social and political life
