## Retour Sur Le Don:

**The Individual without Passions** Elena Pulcini, 2012-08-09 The Individual without Passions Modern Individualism and the Loss of the Social Bond offers an innovative look at an extremely timely and important issue individualism from the point of view of a theory of passions This book underlines the importance of the problem of the passions in both forming individual identity and building the social bond Drawing inspiration from classic authors that represent fundamental milestones along the route of modern individualism from Montaigne to Hobbes from Locke to Smith from Rousseau to Tocqueville The Individual without Passions puts forward new hypotheses that contrast with the consolidated views of contemporary reflection both modern and postmodern Elena Pulcini argues that passions are crucial not only when they are strong homo oeconomicus but also when absent or weak homo democraticus in both cases producing pathological effects on the Self and the social bond Finally this book underlines that the image of the modern individual does not end with the egoistical passions and that it is possible to reactivate empathetic and solidaristic passions furthermore it proposes the hypothesis that the solidaristic passions go to fight the egoistical passions This hypothesis seems confirmed and is most evident in the phenomenon of the gift as interpreted by Marcel Mauss and his contemporary heirs the hidden testimony of a desire for belonging which enables us to propose a new figure of the individual homo reciprocus **The Enigma of the Gift**

Maurice Godelier, 1999-02-03 When we think of giving gifts we think of exchanging objects that carry with them economic or symbolic value But is every valuable thing a potentially exchangeable item whose value can be transferred In The Enigma of the Gift the distinguished French anthropologist Maurice Godelier reassesses the significance of gifts in social life by focusing on sacred objects which are never exchanged despite the value they possess Beginning with an analysis of the seminal work of Marcel Mauss and Claude Lévi-Strauss and drawing on his own fieldwork in Melanesia Godelier argues that traditional theories are flawed because they consider only exchangeable gifts By explaining gift giving in terms of sacred objects and the authoritative conferral of power associated with them Godelier challenges both recent and traditional theories of gift giving provocatively refreshing a traditional debate Elegantly translated by Nora Scott The Enigma of the Gift is at once a major theoretical contribution and an essential guide to the history of the theory of the gift *Droit de la finance alternative*

Jean-Marc Moulin, 2017-05-11 La finance est en crise mais elle est indispensable la vie des hommes en socié t Cependant il serait abusif de considérer la finance comme un tout homogène En effet loin de la finance conventionnelle qui fait la une de l'actualité il existe une finance dite alternative qui tente de placer et de maintenir l'Homme au centre de son projet et l'horizon de son ambition Cet ouvrage premier du genre se propose de présenter sous forme d'études réalisées par des spécialistes du droit financier les manifestations de cette finance alternative les outils instruments et techniques juridiques qui existent et qui permettent de concilier finance et humanisme travers l'analyse des critères de développement durable ou religieux appliqués la finance des monnaies alternatives du microcrédit de la notation extra financière du mutualisme et du

coop ratisme en finance du crowdfunding des fonds thiques du financement associatif du financement alternatif de l habitat ou du soutien des collectivité s publiques aux entreprises ce livre fait en France comme en Espagne au Royaume Uni en Gr ce et au Canada un tour d horizon complet de ce segment du secteur financier souvent m connu et qui offre n anmoins aux Hommes de r aliser leurs projets dans la perspective d un mieux tre collectif Pour rompre avec l id e que la finance n est que sp culation et pr dation

*Historical Knowledge* Susanna Fellman, Marjatta Rahikainen, 2011-10-18 *Historical Knowledge* approaches the topic of historical knowledge in depth and from various angles It seeks to offer theoretical and methodological building blocks for the use of anyone pursuing historical research This book brings novel insights into classic and topical issues currently under debate the importance of theory in historical thinking the dialectic of text and annotation the actor and observer levels the relationship between the general and the individual the issue of comparison and the problem of sporadic sources and of understanding the singularity of each one The overall theme of the book the possibility of historical knowledge reflects the very issue that makes historical research distinctive the challenges of evidence and the problems both concrete and conceptual with deciphering and interpreting remnants of the past This book refreshes the discussion about sources and proper evidence two issues that the linguistic turn and the postmodern challenge pushed into the background The book addresses these issues in an easily accessible way and serves as an introduction and guide to the role of theory method and evidence in historical research not only for students and scholars of history but also for anyone outside the field with an interest in the topic *Historical Knowledge* is the first book to include texts by the three eminent historians Professors Natalie Zemon Davis Carlo Ginzburg and Giovanni Levi The other contributors Professors Risto Alapuro Janken Myrdal and Matti Peltonen are active debaters in current theoretical and methodological discussion

**Mammisis of Egypt** Ali Abdelhalim Ali, Dagmar Budde, 2023-12-04 Birth Houses Mammisis are important components of late Egyptian temple complexes but have not been investigated in detail since the fundamental study of Francois Daumas published in 1958 In the meantime new archaeological findings as well as re evaluations of theology and piety in Greco Roman Egypt have considerably expanded our traditional understanding of these extraordinary buildings Therefore reassessment of phenomena and expanded research approaches need to be undertaken This book presents the printed versions of the lectures given by international Egyptologists at the IFAO in Cairo on March 27 28 2019 as part of the 1st Colloquium on Mammisis of Egypt In the publication criteria and reconsiderations are put up for discussion that can be decisive for the identification and definition of Mammisis The spectrum of topics ranges from theological basics including the significant birth cycle and typical features through historical development and cultic events to the architecture of these temple buildings Special motifs theoretical and iconographic concepts and finally the persistence of certain rites in modern Egypt are also covered One chapter introduces current scientific projects and their methods that are dedicated to selected mammisis or chapels Coptos Deir el Medina Edfu Kom Ombo Philae Bahariya Kellis Jebel Barkal Numerous illustrations complement the contributions They contain new material from excavations that is being published for the first time

*Au risque de la conversion* Catherine Foisy, 2018-02-02 In this ambitious and pioneering work Catherine Foisy puts the experiences of Quebec missionaries into perspective describing the ways in which they interweave with the socio ecclesiastical transformations peculiar to Quebec and with those of Catholicism in mission countries This tapestry

extending to the four corners of the world gives the reader a view of missionary work as a site of intercultural encounter and conversion as revealed through the voices of its actors These accounts offer an opportunity to gauge the extent to which twentieth century missionary work provided fertile ground for the emergence deployment and transfer of socio ecclesiastical innovations that would prove decisive for the future of global Christianity On the strength of its multidisciplinary approach and transnational analysis this book documents various aspects of the Quebec missionary experience as it successively prospered reached a zenith and went into decline By revisiting Lionel Groulx s 1962 work on the Quebec missionary experience from the standpoint of those who actually took part in it this book gives readers a new vantage on a whole area of Quebec history even as it sheds light on a rich religious heritage both tangible and intangible Finally this book is an opportunity for readers to reacquaint themselves with certain characteristics of societies within larger societies that enable them to foster the emergence of intercultural encounters and dialogue in a globalized context

La Cité du Logos:  
L'ecclésiologie de Clément d'Alexandrie et son enracinement christologique Léon-Ferdinand Karuhije, 2022-06-20 Clément d'Alexandrie 150-215 Ap J C est l'un des penseurs les plus brillants des premiers siècles chrétiens Son enseignement tout autant pénétré de la Bible que de la pensée grecque nous révèle la nature des débats aux premières heures de l'expansion du christianisme Ce livre aborde un sujet peu étudié ce jour savoir sa pensée sur l'Église C'est pourtant un sujet récurrent de ses ouvrages où il réfléchit longuement sur l'Église partir de l'être et la mission du Logos divin L'analyse du discours de Clément sur l'Église permet donc de revisiter les intuitions principales de sa christologie tout en apportant un éclairage sur sa perception de l'identité chrétienne une époque où celle-ci est encore en construction Clement of Alexandria AD 150-215 is one of the most brilliant thinkers of the early Christian centuries His teaching steeped as much in the Bible as in Greek thought reveals to us the nature of the debates in the early days of the expansion of Christianity This book deals with a subject little studied to this day namely his thoughts on the Church Yet it is a recurring subject in his works where he reflects at length on the Church from the point of view of the being and the mission of the divine Logos Analysis of Clement's discourse on the Church therefore makes it possible to revisit the main intuitions of his Christology while shedding light on his perception of Christian identity at a time when it is still under construction
