Return Of A King The Battle For Afghanistan 1839 4:

The Return of a King William Dalrymple, 2013-01-01 In 1839 18 000 British troops marched into Afghanistan Three years later only one man emerged to tell the tale A towering history of the first Afghan war by bestselling historian William Dalrymple

Return of a King William Dalrymple, 2013-04-16 From William Dalrymple award winning historian journalist and travel writer a masterly retelling of what was perhaps the West s greatest imperial disaster in the East and an important parable of neocolonial ambition folly and hubris that has striking relevance to our own time With access to newly discovered primary sources from archives in Afghanistan Pakistan Russia and India including a series of previously untranslated Afghan epic poems and biographies the author gives us the most immediate and comprehensive account yet of the spectacular first battle for Afghanistan the British invasion of the remote kingdom in 1839 Led by lancers in scarlet cloaks and plumed helmets and facing little resistance nearly 20 000 British and East India Company troops poured through the mountain passes from India into Afghanistan in order to reestablish Shah Shuja ul Mulk on the throne and as their puppet But after little more than two years the Afghans rose in answer to the call for jihad and the country exploded into rebellion This First Anglo Afghan War ended with an entire army of what was then the most powerful military nation in the world ambushed and destroyed in snowbound mountain passes by simply equipped Afghan tribesmen Only one British man made it through But Dalrymple takes us beyond the bare outline of this infamous battle and with penetrating balanced insight illuminates the uncanny similarities between the West s first disastrous entanglement with Afghanistan and the situation today He delineates the straightforward facts Shah Shuja and President Hamid Karzai share the same tribal heritage the Shah s principal opponents were the Ghilzai tribe who today make up the bulk of the Taliban s foot soldiers the same cities garrisoned by the British are today garrisoned by foreign troops attacked from the same rings of hills and high passes from which the British faced attack Dalrymple also makes clear the byzantine complexity of Afghanistan s age old tribal rivalries the stranglehold they have on the politics of the nation and the ways in which they ensnared both the British in the nineteenth century and NATO forces in the twenty first Informed by the author s decades long firsthand knowledge of Afghanistan and superbly shaped by his hallmark gifts as a narrative historian and his singular eye for the evocation of place and culture The Return of a King is both the definitive analysis of the First Anglo Afghan War and a work of stunning topicality

History of Central Asia, The: 4-volume set Christoph Baumer, 2018-04-18 This set includes all four volumes of the critically acclaimed History of Central Asia series The epic plains and arid deserts of Central Asia have witnessed some of the greatest migrations as well as many of the most transformative developments in the history of civilization Christoph Baumer s ambitious four volume treatment of the region charts the 3000 year drama of Scythians and Sarmatians Soviets and transcontinental Silk Roads trade routes and the transmission of ideas across the steppes and the breathless and brutal conquests of Alexander the Great and Chinghiz Khan Masterfully interweaving the stories of individuals and peoples the author s engaging prose is richly

augmented throughout by colour photographs taken on his own travels This set includes The Age of the Steppe Warriors Volume 1 The Age of the Silk Roads Volume 2 The Age of Islam and the Mongols Volume 3 and The Age of Decline and Revival Volume 4 A Muslim Conspiracy in British India? Chandra Mallampalli, 2017-06-29 As the British prepared for war in Afghanistan in 1839 rumors spread of a Muslim conspiracy based in India's Deccan region Colonial officials were convinced that itinerant preachers of jihad whom they labelled Wahhabis were collaborating with Russian and Persian armies and inspiring Muslim princes to revolt Officials detained and interrogated Muslim travelers conducted weapons inspections at princely forts surveyed mosques and ultimately annexed territories of the accused Using untapped archival materials Chandra Mallampalli describes how local intrigues often having little to do with religion manufactured belief in a global conspiracy against British rule By skillfully narrating stories of the alleged conspirators he shows how fears of the dreaded Wahhabi sometimes prompted colonial authorities to act upon thin evidence while also inspiring Muslim plots against princes not of their liking At stake were not only questions about Muslim loyalty but also the very ideals of a liberal empire

Remapping Persian Literary History, 1700-1900 Schwartz Kevin L. Schwartz, 2020-03-18 Integrating forgotten tales of literary communities across Iran Afghanistan and South Asia at a time when Islamic empires were fracturing and new state formations were emerging this book offers a more global understanding of Persian literary culture in the 18th and 19th centuries It challenges the manner in which Iranian nationalism has infiltrated Persian literary history writing and recovers the multi regional breadth and vibrancy of a global lingua franca connecting peoples and places across Islamic Eurasia Focusing on 3 case studies 18th century Isfahan a small court in South India and the literary climate of the Anglo Afghan war it reveals the literary and cultural ties that bound this world together as well as some of the trends that broke it apart

Studies in Intelligence, 2013 India in Art in Ireland Kathleen James-Chakraborty, 2017-07-05 India in Art in Ireland is the first book to address how the relationship between these two ends of the British Empire played out in the visual arts It demonstrates that Irish ambivalence about British imperialism in India complicates the assumption that colonialism precluded identifying with an exotic other Examining a wide range of media including manuscript illuminations paintings prints architecture stained glass and photography its authors demonstrate the complex nature of empire in India compare these empires to British imperialism in Ireland and explore the contemporary relationship between what are now two independent countries through a consideration of works of art in Irish collections supplemented by a consideration of Irish architecture and of contemporary Irish visual culture The collection features essays on Rajput and Mughal miniatures on a portrait of an Indian woman by the Irish painter Thomas Hickey on the gate lodge to the Dromana estate in County Waterford and a consideration of the intellectual context of Harry Clarke's Eve of St Agnes window This book should appeal not only to those seeking to learn more about some of Ireland's most cherished works of art but to all those curious about the complex interplay between empire anti colonialism and the visual arts **The First Aga Khan: Memoirs of the 46th Ismaili**

Imam Daryoush Mohammad Poor, Daniel Beben, 2018-10-30 The ebook editions of this book are available open access under a CC BY NC ND 4.0 licence on bloomsburycollections.com Open access was funded by Islamic Publications Ltd I B Tauris in association with the Institute of Ismaili Studies Muhammad Hasan al Husayni also known as Hasan Ali Shah and more generally as the Aga Khan 1804-1881 was the 46th Imam of the Nizari Ismailis and the first Ismaili Imam to bear the title of Aga Khan bestowed on him by the contemporary Qajar monarch of Persia This book is the first English translation of his memoirs the *Ibrat afza* A Book of Exhortation or Example and includes a new edition of the Persian text and a detailed introduction to the work and its context The *Ibrat afza* was composed in the year 1851 following the Ismaili Imam's departure from Persia and his permanent settlement in India The text recounts the Aga Khan's early life and political career as the governor of the province of Kirman in Persia and narrates the dramatic events of his conflict with the Qajar establishment followed by his subsequent travels and exploits in Afghanistan and British India The *Ibrat afza* provides a rare example of an autobiographical account from an Ismaili Imam and a first hand perspective on the regional politics of the age It offers a window into the history of the Ismailis of Persia India and Central Asia at the dawn of the modern era of their history Consequently the book will be of great interest to both researchers and general readers interested in Ismaili history and in the history of the Islamic world in the nineteenth century

War Wisdom Christian P. Potholm, 2015-10-16 *War Wisdom* A Cross Cultural Sampling is a unique combination of directory and analysis It provides a relevant universe of quotations together with their authors about war from various ages and across a large number of societies including those found in China Japan Persia Mongolia Europe and America both North and South as well as Native American nations and Africa A lengthy introductory essay presents and analyzes a dozen relevant themes found throughout those cultures themes which show a pattern of very widespread if not universal appeal Of particular relevance is the author's engagement with the conflicting wisdom pertaining to war found within the same society as well as common themes appearing across cultures societies and

time frames India and the Silk Roads Jagjeet Lally, 2022-05-01 This book brings to life the world of caravan trade constituting not only merchants but also pilgrims pastoralists and mercenaries flows not only of goods credit and money but also of ideas secret intelligence and fighting power Contrary to the view that the ages of sail and steam rendered obsolete these more archaic forms of overland connectivity Jagjeet Lally demonstrates how the annual transhumance between North India and the Central Asian steppe was critical to the production and exercise of political power into the nineteenth century Central to this narrative is the waning of the Mughal Empire and the emergence in the mid eighteenth century of a new Afghan kingdom whose leaders drew their power from the financial flows and force of arms moving through the networks of caravan trade and who thus patronised the continued traffic between India and inland Eurasia India and the Silk Roads is a global history of a continental interior the first to comprehensively examine the textual and material traces of caravan trade in the age of empires Lally tells a story resonating with our own times as China's Belt and Road Initiative once again transforms life across Eurasia

Pride and Fall Sergio Miller, 2024-11-14 A detailed new account of the British military campaign in Afghanistan from 2001 to 2014 based on the experiences of those who served On 11 September 2001 19 al Qaeda inspired jihadists hijacked four aircraft and mounted the deadliest terrorist attack in history The outrage triggered a chain of events that saw British forces drawn into a lengthy military campaign against a fierce insurgency in Afghanistan In the immediate aftermath of the 9 11 attacks NATO invoked Article 5 of the Washington Treaty that obligated military assistance to the United States The British government supported the initial US invasion of Afghanistan in 2001 and subsequently committed troops to Kabul and northern Afghanistan from 2002 onwards However in January 2006 following NATO's expansion southwards Britain committed a battlegroup from the Parachute Regiment to Helmand Province in what became known as Operation Herrick with Defence Secretary John Reid stating he would be perfectly happy to leave in three years and without firing one shot The reality was very different From 2006 to 2014 a succession of British task forces rotated through Helmand and fought against an implacable enemy When they finally withdrew in 2014 British forces had suffered losses of more than 450 killed and 2 000 wounded The Taliban were not defeated and would grow stronger Sergio Miller served in Defence Intelligence in Whitehall throughout the campaign and *Pride and Fall* answers the many questions surrounding the conflict Based on abundant open source material generated by the war and first hand testimonies this is the story of the men and women who served

Afghanistan Jonathan L. Lee, 2022-03-08 A colossal history of Afghanistan from its earliest organization into a coherent state up to its turbulent present Located at the intersection of Asia and the Middle East Afghanistan has been strategically important for thousands of years Its ancient routes and strategic position between India Inner Asia China Persia and beyond has meant the region has been subject to frequent invasions both peaceful and military As a result modern Afghanistan is a culturally and ethnically diverse country but one divided by conflict political instability and by mass displacements of its people In this magisterial illustrated history Jonathan L Lee tells the story of how

a small tribal confederacy in a politically and culturally significant but volatile region became a modern nation state Drawing on more than forty years of study Lee places the current conflict in Afghanistan in its historical context and challenges many of the West's preconceived ideas about the country Focusing particularly on the powerful Durrani monarchy which united the country in 1747 and ruled for nearly two and a half centuries Lee chronicles the origins of the dynasty as clients of Safavid Persia and Mughal India the reign of each ruler and their efforts to balance tribal ethnic regional and religious factions the struggle for social and constitutional reform and the rise of Islamic and Communist factions Along the way he offers new cultural and political insights from Persian histories the memoirs of Afghan government officials British government and India Office archives and recently released CIA reports and Wikileaks documents He also sheds new light on the country's foreign relations its internal power struggles and the impact of foreign military interventions such as the War on Terror

The Insecurity State Mark Condos, 2017-08-03 A provocative examination of how the British colonial experience in India was shaped by chronic unease anxiety and insecurity The Creole Affair Arthur T. Downey, 2014-08-14 The Creole Affair is the story of the most successful slave rebellion in American history and the effects of that rebellion on diplomacy the domestic slave trade and the definition of slavery itself Held against their will aboard the Creole a slave ship on its way from Richmond to New Orleans in 1841 the rebels seized control of the ship and changed course to the Bahamas Because the Bahamas were subject to British rule of law the slaves were eventually set free and these American slaves presence on foreign soil sparked one of America's most contentious diplomatic battles with the UK the nation in control of those remote islands Though the rebellion appeared a success the ensuing political battle between the United States and Britain that would lead the rivals to the brink of their third war was just beginning As such The Creole Affair is just as importantly a story of diplomacy of two extraordinary non professional diplomats who cleverly resolved the tensions arising from this historic slave uprising that had they been allowed to escalate had the potential for catastrophe **Russia, the Former Soviet**

Republics, and Europe Since 1989 Katherine Graney, 2019-08-27 Nearly three decades after the fall of the Berlin Wall early hopes for the integration of the post Soviet states into a Europe whole and free seem to have been decisively dashed Europe itself is in the midst of a multifaceted crisis that threatens the considerable gains of the post war liberal European experiment In Russia the Former Soviet Republics and Europe Since 1989 Katherine Graney provides a panoramic and historically rooted overview of the process of Europeanization in Russia and all fourteen of the former Soviet republics since 1989 Graney argues that deeply rooted ideas about Europe's cultural civilizational primacy and concerns about both ideological and institutional alignment with Europe continue to influence both internal politics in contemporary Europe and the processes of Europeanization in the post Soviet world By comparing the effect of the phenomenon across Russia and the ex republics Graney provides a theoretically grounded and empirically rich window into how we should study politics in the former USSR *The King's Shadow* Edmund Richardson, 2022-04-05 Impeccably researched and written like a thriller

Edmund Richardson's *The King's Shadow* is the extraordinary untold and wild journey of Charles Masson, the Butch Cassidy and the Sundance Kid meets Indiana Jones and his search for the Lost City of Alexandria in the Wild East during the age of empires, kings and spies. For centuries the city of Alexandria Beneath the Mountains was a meeting point of East and West. Then it vanished. In 1833 it was discovered in Afghanistan by the unlikely person imaginable: Charles Masson, deserter, pilgrim, doctor, archaeologist, spy, one of the most respected scholars in Asia and the greatest of nineteenth-century travelers. On the way into one of history's most extraordinary stories, he would take tea with kings, travel with holy men, and become the master of a hundred disguises; he would see things no westerner had glimpsed before and few have glimpsed since. He would spy for the East India Company and be suspected of spying for Russia at the same time, for this was the era of the Great Game when imperial powers confronted each other in these staggeringly beautiful lands. Masson discovered tens of thousands of pieces of Afghan history, including the 2,000-year-old Bimaran golden casket which has upon it the earliest known face of the Buddha. He would be offered his own kingdom; he would change the world and the world would destroy him. This is a wild journey through nineteenth-century India and Afghanistan with impeccably researched storytelling that shows us a world of espionage and dreamers, ne'er-do-wells and opportunists, extreme violence both personal and military, and boundless hope. At the edge of empire amid the deserts and the mountains, it is the story of an obsession passed down the centuries.
