*Cultural Reformations* Brian Cummings, James Simpson, 2010-06-24 The original essays in Oxford Twenty First Century Approaches to Literature mean to provoke rather than reassure to challenge rather than codify Instead of summarizing existing knowledge scholars working in the field aim at opening fresh discussion instead of emphasizing settled consensus they direct their readers to areas of enlivened and unresolved debate The deepest periodic division in English literary history has been between the Medieval and the Early Modern not least because the cultural investments in maintaining that division are exceptionally powerful Narratives of national and religious identity and freedom of individual liberties of the history of education and scholarship of reading or the history of the book of the very possibility of persuasive historical consciousness

itself each of these narratives and more is motivated by positing a powerful break around 1500 None of the claims for a profound historical and cultural break at the turn of the fifteenth into the sixteenth centuries is negligible The very habit of working within those periodic bounds either Medieval or Early Modern tends however simultaneously to affirm and to ignore the rupture It affirms the rupture by staying within standard periodic bounds but it ignores it by never examining the rupture itself The moment of profound change is either for medievalists just over an unexplored horizon or for Early Modernists a zero point behind which more penetrating examination is unnecessary That situation is now rapidly changing Scholars are building bridges that link previously insular areas Both periods are starting to look different in dialogue with each other The change underway has yet to find collected voices behind it Cultural Reformations volume aims to provide those voices It will give focus authority and drive to a new area

**Stories Old and New**, 2011-10-15

**Stories Old and New** is the first complete translation of Feng Menglong's *Gujin xiaoshuo* also known as *Yushi mingyan* *Illustrious Words to Instruct the World*, a collection of 40 short stories first published in 1620 in China. This is considered the best of Feng's three such collections and was a pivotal work in the development of vernacular fiction. The stories are valuable as examples of early fiction and for their detailed depiction of daily life among a broad range of social classes. The stories are populated by scholars and courtesans, spirits and ghosts, Buddhist monks and nuns, pirates and emperors and officials, both virtuous and corrupt. The streets and abodes of late Ming China come alive in Shuhui Yang and Yunqin Yang's smooth and colorful translation of these entertaining tales. **Stories Old and New** has long been popular in

China and has been published there in numerous editions Although some of the stories have appeared in English translations in journals and anthologies they have not previously been presented sequentially in thematic pairs as arranged by Feng Menglong This unabridged translation illustrated with a selection of woodcuts from the original Ming dynasty edition and including Feng's interlinear notes and marginal comments as well as all of the verse woven throughout the text allows the modern reader to experience the text as did its first audience nearly four centuries ago For other titles in the collection go to <http://www.washington.edu/uwpress/books/ming.html> *British and American School Stories, 1910-1960* Nancy G. This book examines school and college fiction for girls in Britain and the United States written in the first half of the twentieth century to explore the formation and ideologies of feminine identity Nancy G Rosoff and Stephanie Spencer develop a transnational framework that recognises how both constructed and essential femininities transcend national boundaries The book discusses the significance and performance of female friendship across time and place which is central to the development of the genre and how it functioned as an important means of informal education Stories by Jessie Graham Flower Pauline Lester Alice Ross Colver Elinor Brent Dyer and Dorita Fairlie Bruce are set within their historical context and then used to explore aspects of sociability authority responsibility domesticity and possibility The distinctiveness of this book stems from the historical analysis of these sources which have so far primarily been treated by literary scholars within their national context Winner of the History of Education Society Anne Bloomfield Prize for the best book on history of education published in English 2017 19 **Graham's Illustrated Magazine**, 1858 The Greatest Stories for Boys: The Three Musketeers, Treasure Island, The Adventures Of Tom Sawyer, The Jungle Book, White Fang, The Little Prince Mark Twain, Rudyard Kipling, Robert Louis Stevenson, Alexandre Dumas, Arthur Conan Doyle, Jack London, Jules Verne, 2020-01-14 Reading experts all agree that boys need to be allowed to pick the books that really interest them Finding the right book is the key to transforming a kid who says they don't like to read into a self-described reader Here are the books the kids raved about because they had the perfect combination of suspense action and character drama plus storylines so engaging they didn't want to put them down These aren't just good books they're the absolute best books to captivate thrill and intrigue your boys Even boys who don't like to read They'd just rather be doing something rather than reading like throwing a baseball or watching hockey game But whether you're 12 or 62 grab this book and head out to the treehouse The Three Musketeers by Alexandre Dumas Treasure Island by Robert Louis Stevenson The Hound Of The Baskerville by A Conan Doyle The Adventures Of Tom Sawyer by Mark Twain The Jungle Book by Rudyard Kipling Around The World In Eighty Days by Jules Verne White Fang by Jack London The Little Prince by Antoine de Saint Exupery *The Creation of the French Royal Mistress* Tracy Adams, Christine Adams, 2020-03-24 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a quasi-institutionalized political position This study explores the emergence and development of the position of French royal mistress through detailed

portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the history of the French monarchy women and royalty and gender studies
