Admissions Office  
University of Miami  
Coral Gables, FL 33124

February 12th 20XX

Dear Admissions Officer,

As a deeply passionate student of international business, I am thrilled by the prospect of honing my expertise by applying to the Master of International Business at the University of Miami's Herbert Business School. With a strong foundation in international purchasing and sales from the University Institute of Technology (IUT) Lyon 1 in France, I am eager to bring my diverse experiences and skills to your school and Miami's dynamic business environment.

My journey in international business has been shaped by hands-on experience with notable industry leaders. For instance, I had the privilege of collaborating with one of IUT Lyon's most notable industry multinational partners on 2 projects that delved into the intricacies of global supply chains and market dynamics. Additionally, my immersive summer internship in Dubai provided me invaluable insights into navigating dynamic cultural and business landscapes. These experiences solidified my desire to pursue a career in international business outside of France and reinforced my need for practical, hands-on learning.

I believe my multicultural background and multilingualism in French, Spanish, and Arabic, in addition to an intensive ESL experience at the University of Texas last summer, have helped shape my confidence and ability to adapt to new environments and cultures.

Beyond academics, I am committed to contributing to the University's vibrant campus community. In fact, I've been an active participant in Lyon's Rotary Club events since high school through the Interact association. My leadership role as Project VP at the IUT Lyon 1's Student Club successfully equipped me with the teamwork and leadership skills essential for thriving in collaborative environments. Additionally, my sense of engagement and commitment to fostering a sense of belonging and inclusion among my peers through the organization of various events.

I am particularly drawn to the University of Miami for its unwavering commitment to excellence and promoting a truly inclusive community among its student body. I am excited about the opportunity to engage with industry leaders and participate in real-world projects, leveraging the university's extensive network and interdisciplinary approach to education.

Thank you for considering my application. I am excited about the opportunity to bring my unique experiences and enthusiasm for international business to the University of Miami's dynamic community.

Kind regards,

**Maria Khelil**
