Bond of Destiny: A Demonica Novella Larissa Ione, 2021-11-22 New York Times and USA Today bestselling author Larissa Ione returns with a new story in her Demonica series. Sold into slavery mere hours after his birth to werewolf parents, Tracker spent decades in service to cruel underworlders. Then the fallen angel Harvester transferred his ownership to a human woman who gave him as much freedom as the unbreakable bond would allow. Still, thanks to his traumatic past, he's afraid to trust, let alone feel love. But when an acquaintance shows up at his door, injured and in need of help, he finds himself longing for a connection. For someone to touch. For someone to care. Stacey Markham has had it bad for Tracker since the day her best friend Jillian was forced to hold his unbreakable slave bond. At first, the fact that he's a werewolf seemed weird to Stacey, but hey, her best friend was married to one of the Four Horsemen of the Apocalypse, so weird is definitely a matter of perspective. Stacey knows the depths of Tracker's trauma, and she longs to help him, even as he helps her, but breaking through his walls isn't easy. And it only gets harder when the only blood family he has, the pack that gave him away, lays claim to him and everything he loves. Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.

Bond of Passion: A Demonica Novella Larissa Ione, 2023-01-30 New York Times and USA Today bestselling author Larissa Ione returns with a new story in her Demonica series. He was an assassin. She was his lover. And his victim. Now, years later, she's back from the dead and looking for vengeance. Thanks to an unexpected and fortuitous disaster, Tavin's contract with the underworld's Assassin Guild was broken decades early. But instead of freedom, he's suffocated by guilt and regret. In many ways, he's more trapped than he was before. In an attempt to numb his pain, he works at Underworld General Hospital, saving people instead of killing them. But nothing can diminish the memory of assassinating the female he loved, not even the knowledge that he'd done it to spare her an even worse fate. Deja remembers all of her dozens of former lives, and she knows that she only found love in one of them until her lover murdered her. As a soul locked inside the nightmarish boundaries of demon hell, she stewed in hatred until a single fateful event gave her one more shot at life. And at revenge. Now, another specter from the past is threatening them both. Can two damaged people overcome their history to save not only themselves but a second chance at love? Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's
