Redheads, Ginger's & Strawberry Blondes G J Walker,2011-03-07 A general information book about gingers redheads both amusing and factual A perfect gift for family and friends that just happen to be ginger **L.A. Confidential** Manohla Dargis,2019-07-25 L A Confidential was released in 1997 to huge critical acclaim and it went on to be nominated for nine Academy Awards Its reputation has since grown to the point that the film is now widely seen as a key Hollywood movie of the 1990s But it fared poorly at the box office having neither big name stars nor the sop of a comforting moral universe With characters so bad they were irresistible the film harked back to an older darker Hollywood at a time when audiences would soon be flocking to Titanic Directed by Curtis Hanson from the best selling novel by James Ellroy L A Confidential stars Kim Basinger alongside Kevin Spacey Danny DeVito and to the surprise of many industry watchers two then relative unknowns New Zealander Russell Crowe and Australian Guy Pearce The film is a consummate thriller which takes in without once

losing sight of the human cost police corruption organized crime the sleaze press high class prostitution murder and the ways movies and life twist together Manohla Dargis explores the careers of Hanson and Ellroy based on interviews with both men to dig deep into the film's obsession with the twinned equally troubled histories of the Hollywood studio system and the city of Los Angeles She untangles the paradox of *L.A. Confidential* a film that paints a jet black melancholy picture of a city and an industry even as it also testifies to and exemplifies beautifully their seductive glamour

Charnick,2016-10-31 Just hearing the phrase the East End summons up images of slums and dark alleyways with Jack the Ripper appearing from the mist or housing estates and pubs where you might find the Kray twins It is a place of poverty and menace yet these images can prevent us from seeing the reality of life east of the City of London and of its dark history This study features stories of crimes and misdeeds that show what life was like in this area before the East End existed They also reflect the changes caused as the settlements of the Tower Hamlets became absorbed by the new metropolis of London As there is nothing new under the sun so these stories find their modern counterparts in our times However they also take us into unfamiliar territory as they bring to light the often forgotten past that underlies the present day streets and lurks behind the faades of some of the areas older buildings Many of the stories will be unfamiliar and indeed strange but yet they show how the character and notoriety of the Citys famous shadow has been formed Paying scrupulous attention to place this volume features a wealth of specially commissioned photographs allowing the reader to locate these stories in the present day London Borough of Tower Hamlets **The 1931-1940: American Film Institute Catalog of Motion Pictures**
