

REVERSE SCAVENGER HUNT

Objective

Be a Recycling Superstar and know what is and is not recyclable.

What you will need

- 1 The list of what is and is not recyclable in your program.
- 2 Slips of paper with names of things that come in recyclable packages and things that are not recyclable items.
For example:

• bottled water	• magazine	• toy
• milk	• scrap paper	• shirt
• soup	• shipping box	• basket
• cereal	• shampoo	• book
• chips	• dish detergent	• battery
• snack bar	• laundry detergent	• cell phone or tablet
• soda	• paper towels	
• juice	• laundry detergent	
- 3 Make a master list of yes/no items. Create and fold slips with names of items and drop them into a bowl.
- 4 **OPTION:** Use a tablet to share the house diagram on the following page, print a diagram and complete the exercise on paper, or go around your house together. Up your game and write clues for each item.

To protect the planet
and keep it clean,
we must search the house
for items seen and unseen.

Where will you find it?
Where should it go?
When you finish this challenge,
you will certainly know!

Everything we buy and bring into
our home must someday go
somewhere else. Where should it go?

Ask your superstar(s) to tell you what they know about recycling. Can they list some things that do and don't belong in recycling?

With your master list ready, have each player reach into the bowl and pull a slip and read the clue.

Either have players bring you the item or mark on the house diagram where that item might be when it is either empty, outgrown or ready to pass on.

Discuss what path the item should take.

REMEMBER Recyclables must be **EMPTY** and **DRY**.

Visit italltoyou.org
to see how your
recycling adds up!

Celebrating the Lectionary for High School 2011-2012 Sara McGinnis Lee, 2011-03-04 Celebrating the Lectionary is the catechist's go-to resource for faith formation on the Lectionary and the liturgical year. This supplementary resource helps you to bring the richness of the Lectionary and the liturgical year into your traditional faith formation or Catholic school program with easy-to-lead 20-minute no-prep sessions that can be adapted on the spot to meet the unique needs of your group. This resource includes materials for every Sunday and holy day of obligation from August 7, 2011, through June 24, 2012.

Celebrating the Lectionary for High School 2012-2013: Supplemental Lectionary-Based Resource, Digital Visual Literacy Nicole M. Fox, 2022-04-22 Designed to introduce visual literacy to instructional librarians, this book shows librarians how to make visual literacy relevant and engaging by framing it as a digital skill. Millions of images are uploaded to social media every day, and students are increasingly being asked to participate in such image-rich research projects as websites and blogs. Image manipulation and photo editing are commonplace, but the visual literacy skills needed to detect that kind of misinformation aren't. Students need help learning how to find, evaluate, and use images in an ethical and effective manner. Digital Visual Literacy is designed to introduce visual literacy to instructional librarians. This concise introduction teaches visual literacy as a digital skill, complete with digital humanities-based workshops and assignments to make instruction informative and engaging. It covers all aspects of visual literacy from copyright to image evaluation. Each chapter clearly explains visual literacy standards and proficiencies and offers practical instructional assignments in-class demonstrations and more through the use of digital humanities tools. Scavenger Hunt Virginia Loh-Hagan, 2016-08-01 Scavenger Hunt guides students as they conceive and set up their own scavenger hunt for their friends and community. The considerate text includes easy-to-follow lists and will hold the reader's interest, allowing for successful mastery and comprehension. Written with a high interest level to appeal to a more mature audience, these books maintain a lower level of complexity with clear visuals to help struggling readers along. A table of contents, glossary with simplified pronunciations, and index all enhance achievement and comprehension. **Think Like a UX Researcher** David Travis, Philip Hodgson, 2023-07-26 Think Like a UX Researcher will challenge your preconceptions about user experience, UX research, and encourage you to think beyond the obvious.
