CHAPTER 2

INTRODUCTION

This review of literature includes an assessment of my dream to become a successful tourist. My dream, when I was young, was to be a police officer but when I entered high school my dream was to be in tourism. My dream of becoming a tourist is not only to earn money; I also want to explore the world. I want to examine this passion since I am aware that many individuals share my desire to become a tourism or flight attendant, and I want to provide a written report on this subject for those people so that people like me may better understand the process of becoming skilled in tourism.

In this article, I'll go into insight more about the benefits of the tourism sector for both businesses and travelers, as well as why it's so crucial on a worldwide level.

EXAMPLE OF BEING TOURISM

DEFINITION

Tourism is the theory and practice of traveling, the business of attracting, entertaining, and welcoming tourists, as well as the business of leading tours. Tourism can be done for leisure or business objectives. According to the World Tourism Organization, tourism is more widely defined as "going to and staying in places outside their typical surroundings for leisure, not much
