A Thesaurus of English Word Roots Horace Gerald Danner,2014-03-27 Horace G Danner s A Thesaurus of English Word Roots is a

compendium of the most used word roots of the English language As Timothy B Noone notes in his foreword Dr Danner s book allows you not only to build up your passive English vocabulary resulting in word recognition knowledge but also gives you the rudiments for developing your active English vocabulary making it possible to infer the meaning of words with which you are not yet acquainted Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace This is the beginning of a fine mental linguistic library so enjoy In A Thesaurus of English Word Roots all word roots are listed alphabetically along with the Greek or Latin words from which they derive together with the roots original meanings If the current meaning of an individual root differs from the original meaning that is listed in a separate column In the examples column the words which contain the root are then listed starting with their prefixes for example dysacusia hyperacusia These root starting terms then are followed by terms where the root falls behind the word e g acouesthesia and acoumeter These words are followed by words where the root falls in the middle or the end as in such terms as bradyacusia and odynacusis In this manner A Thesaurus of English Word Roots places the word in as many word families as there are elements in the word This work will interest linguists and philologists and anyone interested in the etymological aspects of English language

Red Hot Root Words Book 1 Dianne Draz,2005-06-01 Help students improve their mastery of the English language and acquire the keys for understanding thousands of words by studying Greek and Latin word parts prefixes root words and suffixes This is one of the most complete usable presentations of vocabulary development using word parts you will find A knowledge of word parts gives students a head start on decoding words in reading and testing situations This is the first book in the two book series Each of the well developed lessons in this text includes one to three word parts along with meanings and sample words five vocabulary words that use the prefixes or root words definitions and sample sentences for each of the five words a practice exercise that lets students apply knowledge of the words and their meanings and a one page review worksheet for one or two lessons that presents more unique opportunities to work with the prefixes and root words and to see how they are combined with suffixes In addition to the student pages the teacher s information includes an extensive listing of the most common prefixes root words and suffixes their meanings and sample words additional words for each lesson and lesson ideas to supplement the word being studied For older students use Red Hot Root Words Book 2 Grades 3 5

Word Detectives Worksheets Trista Gleason,2015-04-28 This is a companion student workbook to Word Detectives Learning Latin Roots through Stories Movements and Pictures to Expand Vocabulary Volume 1 This is an optional personal workbook intended for each student It keeps student work organized and eliminates the need for copies It should be used along with Word Detectives Volume 1 It does not include the stories movement descriptions or the instructor guide Word Detectives makes Latin roots accessible to elementary students through stories movements and pictures Many programs start with prefixes and suffixes In contrast Word Detectives begins with the meatiest part of the word Prefixes and suffixes modify words but the roots are the essence

These roots can form a foundation for vocabulary and spelling Each root is introduced using a simple story This story is then associated with a body movement that reminds students of the meaning of the root Finally the root is associated with a picture that reminds the student of the story the movement and the meaning There are 4 roots per lesson The lessons are designed to be short and simple Intensive worksheets combined with a scripted instructor s guide teach students to identify familiar roots when they encounter them in words First students study a list of words with a common root using fine discrimination to differentiate between similar words and then students learn to infer the meaning of unfamiliar words using gross discrimination based on the clues provided by the roots prefixes and suffixes This book is meant to be a tool If introduced early between third and fifth grade Latin roots can be highlighted in spelling reading and vocabulary but it is never too late The story movement image combination impacts multiple learning styles and makes high level skills attainable for younger students Let s become word detectives Let s start looking for clues **Word Roots Beginning** Cherie A. Plant, Stephanie W. Stevens, 2014-02-19
