**Across the River and into the Woods** CHARLES HAYS, 2015-02-21 For myself and my own writing career this new book represents a definite change in genre I have written many stories about many different subjects but I have never written a romantic novel Some female authors argue that only women can write good stories about love but I don't support that theory I figure that such women are merely protecting their turf so that they can continue their own career with their publisher of choice A man feels emotions just as women do I love I feel and I react Even though female writers do seem to have an apparent monopoly on this subject I am going to take a shot at leveling the playing field This book is about the three best friends that I had while I was still a mountain man and living at Hazard KY Their names were John Blake Mulva Edwards Pearl Edwards and myself This is their story I grew up with them and I risked my life for them so together the four of us assumed the many problems of a mixed racial romance back in the 1940s when such a subject was considered to be Banned in Boston I would have married Mulva early on but she chose my best friend Johnny Blake instead of me Mulva made a good choice but I the author will always be jealous Of the better things that I have done I the author have helped to set those two lovers free I would tell you exactly where they are now living but I can't afford to do that for the fear of endangering their lives Some of the Mafia are still looking for both of them because of what we did to them in Paterson NJ a few years ago

[How to Stay Invisible](#) Maggie C. Rudd, 2023-06-27 My Side of the Mountain meets How to Steal a Dog in this high stakes and heartfelt middle grade story of a young boy and his dog surviving on their own in the woods Being alone is something Raymond is used to Twelve year old Raymond Hurley has never had a place to call home His free wheeling parents move their family from town to town and he's living in a trailer in a brand new state when one day they just up and abandon him All alone with nothing but a duffle bag full of clothes and his reliable pup Rosie he is forced to live in the woods behind his middle school With a fishing pole in hand and survival guide checked out from the library Raymond scrapes by and doesn't tell anyone his secret This isn't the first time he's had to rely on himself However when winter days get colder and finding food becomes nearly impossible Raymond makes new friends including a curious coyote in unexpected places Soon he learns that his fate will depend not just on his wilderness skills but on the people and animals he chooses to trust In How to Stay Invisible Maggie C Rudd takes readers on a journey of survival that speaks to friendship adventure and the everyday wonders of nature In middle school blending in is easy but sometimes the braver thing is being seen
