THE SHADE OF A YEAR'S PAST Marin Chibo, 2023-08-28 A short summary of In the Shade of a Year s Past In the dedication of the book a young lady named Sandra is mentioned Her dad s name was Al He and my father were good friends from WWII days They grew up together in Hoboken New Jersey That s where I grew up Well when the war was over Al and my dad Nick came back to Hoboken and restarted their lives Al married Ester and my dad married Jennie Sandy was Al and

Ester's first daughter and I. Marin was Nick and Jennie's first son so Sandy and I grew up together. We were like brother and sister. I was a Marley little fat kid and she was a gorgeous little blonde. Kids in the neighborhood would pick on me and Sandy would kick their butts. She would say, "You better leave my little brother alone or I'll kick your ass." Got that moron. So this whole book is dedicated to Sandy. And in every poem you can see a bit of Sandy and Marin in between the lines. The loss of Sandy in my life kept me gawking to where I am today. Married for forty-eight years with three beautiful children. Not one regret. Mind you, not one. Well, maybe just one. Read the last sentence in my dedication.

Reading Espionage Fiction

Martin Griffin, 2024-05-31. Reading Espionage Fiction: Narrative Conflict and Commitment from World War I to the Contemporary Era probes the ways in which the struggles and loyalties of political modernity have been portrayed in the espionage story over the course of the twentieth and twenty-first centuries. Reading works by authors such as Somerset Maugham, Helen MacInnes, John le Carré, Sam E. Greenlee, and Gerald Seymour as popular literature deserving of sustained attention, this book shows how these narratives have both created a modern genre and at the same time sought an escape from its limitations. Martin Griffin takes up the importance of plot and character and argues that in this branch of fiction, the personal has always and ever been political.

The Book of Spies

Anthony Burgess, John Steinbeck, John le Carré, Rebecca West, 2003-05-13. An anthology of the world's best literary espionage selected by a contemporary master of the genre, Alan Furst. Here is an extraordinary collection of work from some of the finest novelists of the twentieth century. Inspired by the politics of tyranny or war, each of these writers chose the basic elements of spy fiction, highly evolved spy fiction as the framework for a literary novel. Thus, Alan Furst offers a diverse array of selections that combine raw excitement and intellectual sophistication in an expertly guided tour of the dark world of clandestine conflict. These are not just stories of professional intelligence officers. We meet diplomats, political police, agents, provocateurs, secret operatives, resistance fighters, and assassins, players in the Great Game or victims of the Cold War. The Book of Spies brings us the aristocratic intrigues of The Scarlet Pimpernel in which French migrants duel with Robespierre's secret service, the savage political realities of the 1930s in Eric Ambler's classic A Coffin for Dimitrios, the ordinary citizens well almost of John le Carré's The Russia House who are drawn into Cold War spy games, and the 1950s Vietnam of Graham Greene's The Quiet American with its portrait of American idealism and duplicity. Drawing on acknowledged classics and rediscovered treasures, Alan Furst's The Book of Spies delivers literate entertainment and excitement on every page.
