plot if they do at all *The Thirty-Nine Steps - Original Edition* John Buchan, 2020-11-28 Adventurer Richard Hannay just returned from South Africa is thoroughly bored with London life until he is accosted by a mysterious American who warns him of an assassination plot that could completely destabilise the fragile political balance of Europe Initially sceptical Hannay nonetheless harbours the man but one day returns home to find him murdered An obvious suspect Hannay flees to his native Scotland pursued by both the police and a cunning ruthless enemy His life and the security of Britain are in grave peril and everything rests on the solution to a baffling enigma what are the thirty nine steps I returned from the City about three o'clock on that May afternoon pretty well disgusted with life I had been three months in the Old Country and was fed up with it If anyone had told me a year ago that I would have been feeling like that I should have laughed at him but there was the fact The weather made me liverish the talk of the ordinary Englishman made me sick I couldn't get enough exercise and the amusements of London seemed as flat as soda water that has been standing in the sun Richard Hannay I kept telling myself you have got into the wrong ditch my friend and you had better climb out It made me bite my lips to think of the plans I had been building up those last years in Bulawayo I had got my pile not one of the big ones but good enough for me and I had figured out all kinds of ways of enjoying myself My father had brought me out from Scotland at the age of six and I had never been home since so England was a sort of Arabian Nights to me and I counted on stopping there for the rest of my days But from the first I was disappointed with it In about a week I was tired of seeing sights and in less than a month I had had enough of restaurants and theatres and race meetings I had no real pal to go about with which probably explains things Plenty of people invited me to their houses but they didn't seem much interested in me They would fling me a question or two about South Africa and then get on their own affairs A lot of Imperialist ladies asked me to tea to meet schoolmasters from New Zealand and editors from Vancouver and that was the dismalest business of all Here was I thirty seven years old sound in wind and limb with enough money to have a good time yawning my head off all day I had just about settled to clear out and get back to the veld for I was the best bored man in the United Kingdom That afternoon I had been worrying my brokers about investments to give my mind something to work on and on my way home I turned into my club rather a pot house which took in Colonial members I had a long drink and read the evening papers They were full of the row in the Near East and there was an article about Karolides the Greek Premier I rather fancied the chap From all accounts he seemed the one big man in the show and he played a straight game too which was more than could be said for most of them I gathered that they hated him pretty blackly in Berlin and Vienna but that we were going to stick by him and one paper said that he was the only barrier between Europe and Armageddon I remember wondering if I could get a job in those parts It struck me that Albania was the sort of place that might keep a man from yawning About six o'clock I went home dressed, dined at the Cafe Royal and turned into a music hall It was a silly show all capering women and monkey faced men and I did not stay long The night was fine and clear as I walked back to the flat I had hired near Portland Place The crowd surged past me on the

pavements busy and chattering and I envied the people for having something to do *The Thirty-Nine Steps (ESL/EFL Version with Audio)* Qiliang Feng, This is Book 8 Collection II of the Million Word Reading Project MWRP readers It is suitable for learners with a basic vocabulary of 1 500 words Million Word Reading Project MWRP is a reading project for ESL EFL learners at the elementary level with a basic vocabulary of 1 500 words In two years for about fifteen minutes each day an ESL EFL learner can read one million words and reach the upper intermediate level gaining a vocabulary of about 3 500 words and a large number of expressions Text Information Readability 85 4 Total word count 26104 Words beyond 1500 847 Unknown word percentage % 3 24 Unknown headword occurrence 2 44 Unknown words that occur 5 times or more 40 Unknown words that occur 2 times or more 151 Synopsis The year is 1914 and Europe is close to the First World War Mining Engineer Richard Hannay is staying in London and is finding life in the city boring One night he is surprised to find Franklin Scudder at his door Scudder is a spy and has information about a plan by German spies to steal the British plans for war Hannay later finds Scudder killed in his flat and decides he must carry on Scudder s work With both German spies and the police after Hannay must solve the riddle of the thirty nine steps alone This book is rewritten from the novel The Thirty Nine Steps by British writer John Buchan 1875 1940 which has been made into films several times *The Thirty-Nine Steps Annotated & Illustrated Edition by John Buchan* John Buchan,2021-03-19 There is talk of war in Europe it is May 1914 and Richard Hannay a Scot is starting afresh in London after time spent in Rhodesia now Zimbabwe He is gregarious and talks to strangers in passing but one seems to attach himself more than the average casual acquaintance Franklin P Scudder is an American who is convinced that the world is about to erupt into war He tells Hannay that he is actually dead which of course intrigues Hannay because it is not often one finds oneself talking to a dead man Scudder elaborates and tells Hannay that he is a freelance spy and has faked his own death in order to be able to conduct his investigations more safely He tells of a group of Germans chasing him and Hannay offers to allow him to stay at his flat for a little while Unfortunately this does not seem to throw the Germans off the scent one evening a man who lives in Hannay s building is murdered and a couple of days after that Hannay returns home to his flat to find that Hannay too has been murdered stabbed in he heart **The Thirty-Nine Steps** John Buchan,2015-04-02 This is one of the classics of the mystery thriller genre and it has a great deal of historical importance That s easy to see when you place it up against other famous books of this era stuff by Le Queux or Oppenheim for instance The best books by those guys are quite fun to read but they re clearly coming from an earlier era of popular fiction one focused on a kind of Victorian Edwardian style of adventure fiction an interest in the aristocracy an interest in melodrama a very restrained sense of action etc THIRTY NINE STEPS though seems proto modern in contrast The protagonist Richard Hannay is a middle class guy thrust out of his humdrum life by a chance encounter with adventure How many modern thrillers start out with the same general premise **The Thirty-nine Steps** John Buchan,1999 The original and best adventure story ever told with spies thrilling chase scenes and explosions With an Introduction by Stella Rimington
