Looking back at this event with an aged eye, an eye steeped in a broth of maturity and experience, I find that I am still embarrassed. My embarrassment today, however, stems from the realization that never was I so cruel and heartless as I was at that auction some thirty years ago. Often do I wonder how that girl must have felt as the jeers and catcalls of an undisciplined mob cascaded around her. I fervently hope that I shall never meet this girl face to face in the present. That would surely be the most embarrassing moment of my life.

Nimach High ranking Mossad agents come across the pond to ask the help of old friends at the CIA's training facility nicknamed The Farm in Virginia. The Mossad want help finding a missing agent who had infiltrated a dangerous terrorist group and almost discovered the terrorists plot code named White Monsoon. Pure Heroin is aptly titled because it is the central theme around which the entire tale is spun. Heroin causes the three year old daughter and infant son of an educational programmer of personal computers to be kidnapped and taken to a remote prison built in a molybdenum mine abandoned by the Russians following their brief occupation of Afghanistan. Heroin causes the death of the daughter and husband of a woman who helps the terrified father. Wonderful people the father and the woman who helps him find themselves drawn to each other with ever growing yearnings visceral and deep as they try desperately to override their feelings and stay focused on finding out where the man's children have been taken. This PG 13 yarn about two American heroes delights all ages according to some wonderful feedback. One twelve year old Indian boy gave it to his grandparents who looked forward to the book more than television and read the book to each other. This seems to be a trend. We're hearing from numerous couples they've been reading to their spouses or to their families once or twice a week and it's helping to bring people back to the dinner table. We've had people receive the book as a gift who were sad at first that they didn't get something by one of their favorite authors. One taxi driver from Oklahoma City wrote I almost took the book to Barnes Noble to exchange it I'm so glad I didn't I read it while waiting in taxi stands and had it sitting in my passenger seat I ended up giving it to a site locator for the movie industry who was looking for farms for another twister movie and told the guy what a great low budget movie it would make.
