The Three Word Summary Of The Christian Life:

The Three Word Summary of the Christian Life Robert P. Holland, 2015-01-13 Justification Sanctification and Glorification are words used in the New Testament to describe the Christian life from the first encounter with God's word the burning bush and holy ground to holy people in this life and the coming kingdom of God Each chapter of The Three Word Summary of the Christian Life begins with Scripture verses As you read them you are on holy ground as Moses was when he heard the LORD God speak to him from the burning bush Those who obey them are holy people The transition from justification to sanctification is explained through the call of God for the justified to be disciples teachers ministers of reconciliation ambassadors for Christ soldiers of Christ servants and priests Throughout the book are examples of people who have obeyed what God asks you to do in the same verses of Scripture The examples are testimonies of justification sanctification and glorification Hopefully their testimonies will inspire you to do the same and in turn you will be able to inspire others make disciples Matthew 28:18-20

Life in Christ Steve Harper, 2020-09-01 E Stanley Jones observed that people know everything about life except how to live it We humans have acquired immense knowledge and achieved great things We are enlightened Jones said but not necessarily enlivened Steve Harper has been mulling over this human situation for a few decades and offers his profoundly inspiring conclusions in Life In Christ Harper helps us recognize our tendency to search for life through rules and dogmas rather than in relationships with other people and with God By living in relationship we live as enlivened Christians the abundant life God intends for us and the life we long for He encourages us to see the spiritual life as a movement where we are always on the way taking steps forward to continually align our lives with Christ He shows us how Christ can be the goal and pattern for our lives motivating us to live as God's beloved and as instruments of God's love Harper provides a wealth of helps including a set of questions for reflecting on each chapter a discussion guide for conversing about the book in a group and extensive reading lists for further enrichment

The Ministry of the Word, Vol. 24, No. 04 Various Authors, 2020-04-01 This issue of The Ministry of the Word contains the final seven messages given during the Fall 2019 term of the full time training in Anaheim California The general subject of this series of messages is The Christian Life In these seven messages we continue to consider other aspects of the Christian life In order to live the Christian life we need to know the resurrected Christ and to know and experience the power of His resurrection The first aspect in which we need to know Him is as the Son of God designated in power with His human

nature Christ as the Son of God will make us the same as He is He is the prototype and He is in us as the law of the Spirit of life to shape to conform us to the image of the firstborn Son The second aspect in which we need to know Him is as the firstborn Son of God born in resurrection The first aspect emphasizes His person to be reproduced and the second aspect is for His propagation To live the Christian life is to live out the anointing The anointing is the moving and working of the indwelling compound Spirit to apply all the ingredients of the processed Triune God and His activities into our inner being so that we may be fully mingled with Him for His corporate expression Life moves and when Christ as the Spirit entered into us He came into us as the anointing In order to experience the anointing we need to know Christ as the anointed One as the anointing One and as the anointing The Christian life is a life of abiding in Christ as the vine The true vine with its branches Christ the Son with the believers in the Son is the organism of the Triune God in the divine economy to grow with His riches and express His life As the branches of the true vine we are the multiplication of Christ the duplication of Christ the spreading of Christ and the enlargement of Christ To abide in Christ as the vine is to dwell in Him to remain in fellowship with Him that we may experience and enjoy His abiding in us The Christian life is a life of living in the mingled spirit The essence of the New Testament is the two spirits the divine Spirit and the human spirit mingled together as one spirit We can experience Christ enjoy Christ live Christ and take Christ as everything because we have become one spirit with Him Ultimately the Bible requires only one thing of us that we walk according to the mingled spirit The key to everything is found in the wonderful Spirit who is in our regenerated spirit and who has become one spirit with our spirit To live in the mingled spirit is to have the highest spirituality The Christian life is a grafted life God desires that the divine life and the human life be joined together to become one life This oneness is an organic union a union in life a grafted life Because our human life was made in the image of God and according to the likeness of God it can be joined to the divine life Our human life resembles the divine life therefore the divine life and the human life can be grafted together and grow together organically As regenerated ones we should live a grafted life a life in which two parties are joined to grow organically The Christian life is not an exchanged life but a grafted life the mingling of the human life with the divine life The most wonderful reality in the Christian experience is that the believers in Christ are united with Christ in the way of life In the grafted life the human life is not eliminated but is strengthened uplifted and enriched by the divine life As a result of our being grafted into Christ there is a three stage development of our relationship with the Triune God in Christ as the Spirit a union in life a mingling of natures and a coinherence the mutual indwelling of persons As Christians we live a life of coinherence in the Father's house which is the church as the house of God and the Body of Christ To live in the Triune God and to have the Triune God live in us is the greatest blessing in the universe The Christian life is a life fully according to and for the central work of God God's unique work in the universe and throughout all the ages and generations is to work Himself in Christ into His chosen people making Himself one with them We need God to build Himself in Christ into our humanity working Himself in Christ into us as our life

nature and person God is working Himself into us through everything that happens to us so that He may become our constitution As Christians we experience the divine dispensing for God's central work The will of God concerning our Christian life is that we would know the all inclusive extensive Christ experience Him be constituted with Him and express Him The Reports and Announcements section contains 2020 FTTA Gospel Trips Also included is a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Sanctified by Grace Kent Eilers, Kyle C. Strobel, 2014-06-19 Books on the Christian life abound Some focus on spirituality others on practices and others still on doctrines such as justification or forgiveness Few offer an account of the Christian life that portrays redeemed Christian existence within the multifaceted and beautiful whole of the Christian confession This book attempts to fill that gap It provides a constructive specifically theological interpretation of the Christian life according to the nature of God's grace This means coordinating the Triune God his reconciling justifying redemptive restorative and otherwise transformative action with those practices of the Christian life emerging from it The doctrine of the Christian life developed here unifies doctrine and life confession and practice within the divine economy of grace Drawing together some of the most important theologians in the church today Sanctified by Grace achieves what no other theological text offers a shared work of dogmatic theology oriented to redeemed Christian existence

Pfatteicher, 1997-04-01 Well known liturgical scholar and writer Philip Pfatteicher turns his attention in this book to liturgical spirituality as distinct from liturgy and spirituality which assumes two essentially separate disciplines Liturgical spirituality is a holistic concept bringing together both liturgy and spirituality with reference to the interior life of the spirit that is formed and nurtured by the church's liturgy Pfatteicher acknowledges that there are other kinds of spirituality that appear to flourish apart from and in addition to the liturgy for example the spirituality of the desert ascetics of the early centuries of christianity the devotion of the Religious Society of Friends and many forms of meditation and spiritual discipline such as the Spiritual Exercise of Ignatius Loyola The focus of the present volume however is on the spiritual life as formed by the liturgy the ordered form of Christian worship East and West Catholic and Protestant In addition to the form of worship one might experience on a Sunday morning Liturgical Spirituality guides the reader through and into the experience of daily prayer the Easter Vigil the Church Year the Eucharist hymns and music Baptism and even church architecture as hallowing space In 1955 Louis Bouyer published an admirable study entitled Liturgical Piety written before Vatican II and its far reaching reforms that fundamentally changed the entire Western church Philip Pfatteicher has now taken up the challenge of expanding upon Bouyer with a current and invigorating study not of liturgical piety but of liturgical spirituality Philip Pfatteicher is Professor of English at East Stroudsburg University in Pennsylvania a frequent writer and lecturer on liturgical issues and author of *A Dictionary of Liturgical Terms* and *The School of the Church Worship and Christian Formation* both published by Trinity Press **The Oldest Trade in the World and Other Addresses to the Younger Folk** George Herbert Morrison, 1898 *Themelios, Volume 37, Issue 3* D.  Merton, 2010-05-25 The whole problem of our time is the problem of love How are we going to recover the ability to love
 ourselves and to love one another We cannot be at peace with others because we are not at peace with ourselves and we
 cannot be at peace with ourselves because we are not at peace with God There is a distinction between a contrite sense of sin
 and a feeling of guilt The former is a true and healthy thing the latter tends to be false and pathological The man who suffers
 from a sense of guilt does not want to feel guilty but at the same time he does not want to be innocent He wants to do what
 he thinks he must not do without the pain of worrying about the consequences The history of our time has been made by
 dictators whose characters often transparently easy to read have been full of repressed guilt They have managed to enlist the
 support of masses of men moved by the same repressed drives as themselves Modern dictatorships display everywhere a
 deliberate and calculated hatred for human nature as such The technique of degradation used in concentration camps and in
 staged trials are all too familiar in our time They have one purpose to defile the human person *Madison Hall Notes*, 1914
